Memorandum of Understanding Between St Patricks Community Support Centre and City of Fremantle

Library Connect - Freo

1. BACKGROUND

Increasingly, individuals who are homeless, at risk of homelessness or experiencing other disadvantage are choosing to access libraries as a safe and welcoming space for amenities, refuge and for leisure. The rising cost of living and housing crisis has led to an increased number of vulnerable people in our community and experience has shown that the first contact for this cohort is often their Local Government. The Library Connect program has successfully used the Fremantle Library as an intervention setting for identifying and supporting people experiencing hardship for the first time, those at risk of homelessness and those with other complex needs. By bringing the skill set of the community support staff to the library setting, we have successfully extended access to support services for a wider cohort of people.

Libraries and community support centres such as St Pat's share similar values when it comes to social inclusion, social justice, and wellbeing of the community and both St Pat's and the City of Fremantle are committed to ending homelessness and creating conditions for people in the community to lead safe, happy, and healthy lives. The continued provision of access to a community support worker through the Fremantle Library will make a key contribution to these goals.

Library Connect-Freo is an award winning, innovative program and is the first such program in Western Australia (the second in Australia) and is an example of a successful collaborative project between the not-for-profit and local government sectors. It is also a project that has incorporated community co-design and independent action evaluation principles into its design, making it an excellent example of a place-based service that is reflective of its community's needs.

2. PURPOSE OF THE MEMORANDUM OF UNDERSTANDING (MOU)

The purpose of this MOU is to outline the understanding between the key relevant organisations to define the roles and responsibilities and the co-funding arrangement for each organisation in relation to continuing to build on the success of the Library Connect project.

This MOU is a statement of the organisation's intentions at the date that this MOU is signed and is not intended that the MOU give rise to any legal relationship, rights, duties or consequences to be the subject of litigation.

It provides the framework by which the organisations will work together to meet the needs of stakeholders supported through Library Connect.

3. CITY OF FREMANTLE

COF	City of Fremantle
Address	151 High Street, Fremantle WA 6160
Contact Person	Jay Ellis
Contact Email	Jaye@fremantle.wa.gov.au
Contact Phone number	(08) 9432 9812

4. ST PATRICK'S COMMUNITY SUPPORT CENTRE

St Patrick's	St Patricks Community Support Centre Limited
Address	12 Queen Victoria Street Fremantle WA 6160
Contact Person	Michael Piu
Contact Email	MPiu@stpats.com.au
Contact Phone Number	(08) 6372 4800

5. PROGRAM DETAILS

Through the success of the Library Connect project, St Pat's will continue to partner with the City of Fremantle to embed a Community Support Worker into the library with the following key objectives:

- To provide direct engagement with people experiencing disadvantage or vulnerability linking into support services, where possible.
- Support City of Fremantle library staff when working with vulnerable library users.
- Enhance and support City of Fremantle library and frontline staff to fill gaps in experience, training and approaches to increase skills and comfort levels when working with vulnerable people.
- Work with City of Fremantle to identify and implement service improvements for vulnerable library users.
- Continue to measure the success of this approach for the sustainable continuation of this model at Fremantle Library and for continued expansion into other libraries.

6. TERM OF MOU

This MOU will remain in effect for a two years (pending funding from St Pat's) from the date of signing, with the option to extend for a third year or until such time that either party requests a termination.

7. PRIMARY AGREEMENT

Library Connect-Freo is a co-funded arrangement between St Patrick's and City of Fremantle. City of Fremantle will provide an annual sum of \$50,000 to contribute towards the funding of a Community Support worker, who will be onsite for 24 hours per week at agreed times.

St Pat's retains the overall financial management, along with intellectual property rights (materials, branding and other aspects arising from the program.)

City of Fremantle is partnering with St Pat's to provide an annual contribution of

\$50,000 and will provide support for the program around the on-location supervision of service delivery staff and provision of access to facilities required to operate the service. St Pat's may enter into a separate agreement to grant license to City of Fremantle for use of intellectual property arising from this program within the municipality or for other items not otherwise covered by this MOU.

8. RESPONSIBILITIES OF ST PAT'S

St Pat's will provide operations management and financial management for the program including:

- Employment, training and management of the 1 x 0.6 FTE Community Support Worker
- Management of funding and budgets, reporting
- Management of program deliverables
- Chairing of steering committee and liaison with key stakeholders
- All costs associated with the community support worker over and above the City of Fremantle's contribution

St Pat's will ensure that service delivery staff comply with the relevant policies and procedures related to City of Fremantle operations whilst working on City of Fremantle premises, specifically Occupational Health and Safety.

St Pat's warrants that it has adequate indemnity insurances including public liability and workers compensation; and will indemnify and maintain City of Fremantle's indemnification for any liability arising from or related to the provision of service and in the course of staff related duties to this MOU arising from the negligence of St Pat's.

9. RESPONSIBILITIES OF CITY OF FREMANTLE

City of Fremantle will provide St Pat's with support for the program, through:

- Provision of office space and amenities for program staff within the Library at Walyalup Civic Centre.
- Induction, orientation, and supervisory support for the community support worker whilst working on the premises.
- Provision of meeting rooms within the library for education sessions and stakeholder meetings.
- Administration support including convening and minutes of meetings between the City and St Patrick's.
- Marketing and media support around the awareness raising of the program.
- Provision of data and information relevant to the program reporting in a timely manner.
- Access to relevant opportunities available to City of Fremantle staff, where relevant.

City of Fremantle will promptly inform St Pat's of any incidents or adverse findings, actions or omissions concerning St Pat's (Library Connect) program staff.

City of Fremantle will work professionally and collaboratively with program staff and in line with the City's Code of Conduct.

City of Fremantle will ensure that the program staff are made aware of the relevant policies and procedures related to the program operations, including but not limited to Occupational Health and Safety whilst working on City of Fremantle premises.

City of Fremantle warrants that it has adequate insurances including public liability and will indemnify and maintain St Pat's indemnification for any liability arising from or related to the provision of the services and in the course of staff duties related to this MOU arising from the negligence of City of Fremantle.

10. MUTUAL RESPONSIBILITIES

A strong collaborative relationship between the organisations is fundamental in ensuring the success and sustainability of the program. Mutual responsibilities include:

- Participation in stakeholder and steering group meetings.
- Clear communications on matters arising relating to supervision and management of the Community Support worker.
- Input around strategy and planning.
- Input into policies and procedures, risk assessment and risk mitigation strategies
- Work to agreed program policies and procedures.
- The organisations agree to share relevant information to provide an effective service to clients in conformity with privacy and confidentiality requirements of both organisations.

11. DECISION MAKING

The parties will form a joint Steering Group with the following framework, objectives, and guidelines:

- The parties will each appoint relevant members to the Steering Group.
- The Steering Group will monitor the progress of the program.
- The Steering Group will be briefed on a regular basis, including sharing data and progress towards outcomes, to allow its members to provide maximum value to the program.
- Steering Group members will be responsible for reporting on project outcomes to the leadership in their organisations.
- The Steering Group will meet every two months (or is it 3?) or more frequently as the group deems appropriate.
- The Steering Group will make recommendation on the program on a consensus basis.
- The support worker will be invited to present to the Group in order to provide progress reports, and feedback on issues, opportunities and the like (or for other purposes agreed by the Group).

12. DISPUTES AND MEDIATION

Disputes may arise at any time within the operations of this MOU, where an organisations needs are not being met. Disputes should be resolved at an operational level before seeking assistance from senior management.

If a dispute cannot be resolved, senior staff from the organisations will jointly review the dispute.

Should the dispute not be resolved after review by senior staff, the matter will be referred to the CEOs (or delegation) of the representative parties for final resolution.

13. TERMINATION

This MOU may be terminated within the terms of the MOU by

- Mutual agreement between City of Fremantle and St Pat's.
- Termination of the Library connect program itself.
- Cessation of external funding by either organisation.

14. CONFIDENTIALITY

- Each party will hold all confidential information of other party in strict confidence and not disclose or allow to be disclosed any of it to any person except for the purposes contemplated by this MOU or otherwise permitted or directed by the other party.
- Not cause or allow the other party's confidential information to be photocopied or reproduced or recorded in any manner except for the purposes directed by this MOU or with prior written consent of the other party.

15. REVIEW DATE

This MOU is to be reviewed every 2 years from the date of commencement or any other time at the request of either party to the MOU.

Ms Hannah Fitzhardinge
Mayor
City of Fremantle
PO Box 807
FREMANTLE WA 6959
E-mail: MAYOR@fremantle.wa.gov.au

Dear Ms Fitzhardinge

Thank you for meeting with my office on 28 May 2024 to discuss government funding for a beach enclosure at Bather's Beach in the City of Fremantle (City).

The Western Australian (WA) Government is committed to a range of initiatives aimed at improving the safety of our ocean users. Our Shark Hazard Mitigation Strategy (SHMS) is one of the most comprehensive approaches in the country, with a range of tools and actions to help keep ocean users and our coastal communities as safe as possible. Government's investment in a range of projects, such as the installation of environmentally safe beach enclosures, allows people to make informed decisions about their ocean use.

I am pleased to advise that the WA Government will provide funding assistance of up to \$500,000 to the City for the installation of a beach enclosure at Bather's Beach. This would be subject to the City providing the Department of Primary Industries and Regional Development (DPIRD) with a formal proposal and costings for consideration.

DPIRD will work with the City on ensuring the Bather's Beach enclosure is available to the community and remains part of the state's SHMS.

The City should contact Bruno Mezzatesta, Executive Director Operations and Compliance at DPIRD for further guidance regarding the Bather's Beach enclosure and for additional information regarding the state's SHMS.

Thank you for contacting me regarding this important community matter.

Yours sincerely

INTRODUCTION

The City of Fremantle is conducting a community engagement initiative for two key infrastructure policies:

- [Traffic Calming Policy \(Council Item: FPOL2306-6\)](#)
- [Narrow Streets, Safe Access Policy \(Council Item: FPOL2306-5\)](#)

While these policies are separate, they are interconnected, and to streamline our approach, the project team united them under the "**Safe & Functional Streets**" engagement campaign.

The Safe & Functional Streets engagement program aimed to achieve the following for the City and its residents:

- Raise awareness and educate the community about both policies.
- Enhance the City's communication and engagement on matters related to Traffic Calming and Narrow Streets.
- Clarify the distinctions between traffic issues and traffic calming.
- Create opportunities for an in-depth understanding of challenges and the co-creation of effective solutions with the public.

In conjunction with the [City of Fremantle’s community engagement policy](#), and the [International Association for Public Participation’s \(IAP2\)](#) spectrum of public participation, this engagement program aimed to **CONSULT & INVOLVE** the community throughout the project:

IAP2 Spectrum of Public Participation

IAP2’s Spectrum of Public Participation was designed to assist with the selection of the level of participation that defines the public’s role in any public participation process. The Spectrum is used internationally, and it is found in public participation plans around the world.

		INCREASING IMPACT ON THE DECISION				
		INFORM	CONSULT	INVOLVE	COLLABORATE	EMPOWER
PUBLIC PARTICIPATION GOAL		To provide the public with balanced and objective information to assist them in understanding the problem, alternatives, opportunities and/or solutions.	To obtain public feedback on analysis, alternatives and/or decisions.	To work directly with the public throughout the process to ensure that public concerns and aspirations are consistently understood and considered.	To partner with the public in each aspect of the decision including the development of alternatives and the identification of the preferred solution.	To place final decision making in the hands of the public.
	PROMISE TO THE PUBLIC	We will keep you informed.	We will keep you informed, listen to and acknowledge concerns and aspirations, and provide feedback on how public input influenced the decision.	We will work with you to ensure that your concerns and aspirations are directly reflected in the alternatives developed and provide feedback on how public input influenced the decision.	We will look to you for advice and innovation in formulating solutions and incorporate your advice and recommendations into the decisions to the maximum extent possible.	We will implement what you decide.

© IAP2 International Federation 2018. All rights reserved. 20181112_v1

The City of Fremantle conducted a series of in-person, local media, and digital community engagement activities to collect submissions and feedback for this program. The public was invited to:

- Complete the Traffic Calming Feedback Survey, and the Narrow Streets Feedback Survey via the City’s MySay project page.
- Add a pin and comment to an interactive map on the City’s MySay page for the project.
- Share experiences with navigating traffic calming or traffic issues with the City or other agencies, drawing from past or present experiences.
- Provide feedback on their experiences, whether positive or negative, while living, working, or visiting narrow streets in Fremantle.
- Contribute ideas and examples of best practices in traffic calming and narrow streets policies from other Australian local governments.

This engagement report details how we engaged; who we reached; and what we heard. The findings of this report will help City staff and Elected Members to make an informed decision on next steps for this topic.

HOW WE ENGAGED

The City of Fremantle opened public engagement on Safe & Functional Streets on 29 November, 2023, and collected submissions until close-of-business on 16 February, 2024.

City officers promoted the public comment period in the following ways:

Social Media:

- The public engagement program for this project was regularly mentioned on the City of Fremantle's Facebook page, as well as its Instagram profile throughout the lifespan of the submission period.

Local Media:

- The public engagement program was highlighted in a Fremantle Herald bi-weekly ad alongside a series of "just launched" engagement campaigns in December of 2023 and again in January & February 2024.
- Former Councillor Rachel Pemberton penned a *Thinking Allowed* published in the Fremantle Herald on 12 January, 2024 ([Let's Be Safer](#)).
 - o Councillor Pemberton published this piece independently. It is worth nothing that her article helped to raise awareness on the City's public engagement program.

Electronic Newsletters:

- The Community Engagement team advertised this project via its monthly engagement newsletter in December 2023, January 2024, and February 2024.
- This email is deployed to over 2,800 users who are subscribed to hear engagement updates from the City of Fremantle.

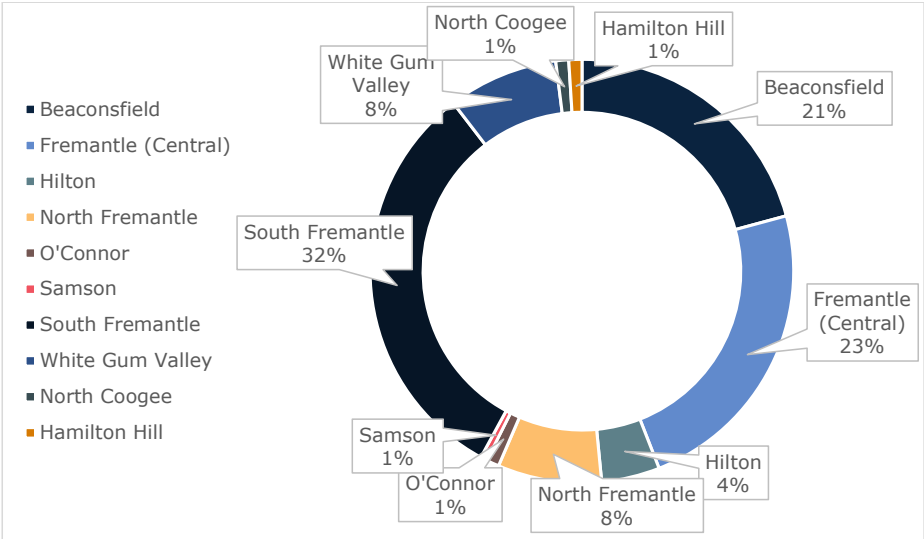

Community Drop-In & Face-to-Face Sessions:

- City officers hosted a drop-in information session in South Fremantle on 12 January, 2024. Staff spoke with **30 people**.
- A second drop-in session was held in North Fremantle on 19 January, 2024. Staff spoke with **5 people**.
- City officers held "street meet-ups" with survey respondents who wanted to further unpack their feedback in their local area. Staff held meetups in South Fremantle, Hilton, North Fremantle, and Central Fremantle.
 - o In total, staff spoke with **14 people**.
- City officers promoted the engagement program at a South Fremantle Precinct Group meeting on 13 February, 2024. Staff presented the engagement program, and a last chance to submit feedback, to **70 people**.

- The events were organised to provide clarity on our public engagement program, allow participants to ask questions, and encourage them to contribute a formal submission.

WHO WE REACHED

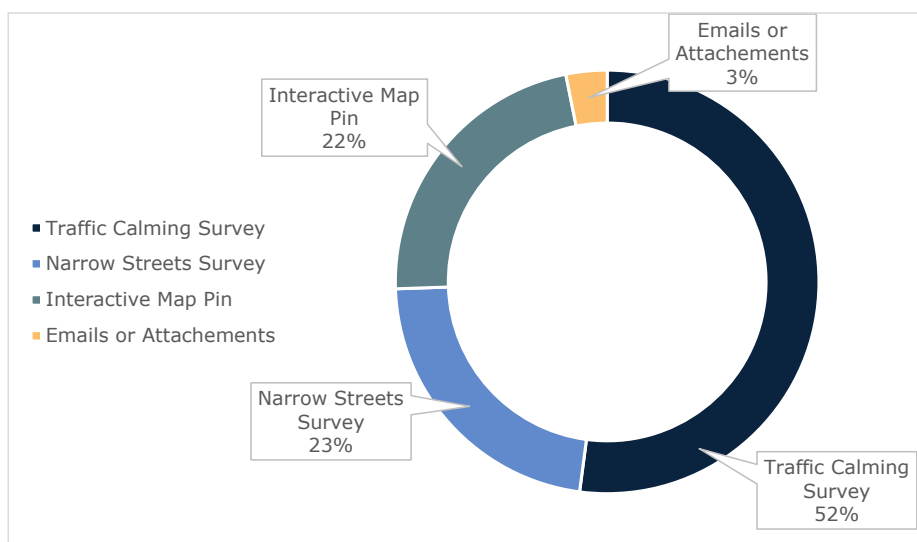

Location Demographics

What does this data tell us?

- **98% of respondents** identified a Fremantle suburb as their location.
 - o **South Fremantle with 32% of respondents** had the highest turn out for a Fremantle suburb in this engagement program.
 - o **Fremantle (Central) made up 23% of respondents.**
 - o **Beaconsfield made up 21% of respondents.**
- The location data above shows strong interest in the engagement and policies across all of Fremantle. However, respondents from South Fremantle, Beaconsfield, and Fremantle (Central) were heavily involved in submitting responses and promoting the engagement program locally.

HOW WE COLLECTED FEEDBACK

What does this data tell us?

- The public engagement program **reached 1,319 people** through face-to-face conversations and online visits to the City’s MySay portal.
- The public engagement program resulted in **192 formal submissions** to City officers in the following ways:
 - o **100 submissions** to the Traffic Calming Survey.
 - o **43 submissions** to the Narrow Streets Survey.
 - o **43 submissions** via pins to the Interactive Map tool.
 - o **6 emails or attachments** sent to the Community Engagement Team’s shared inbox.
 - Notable contributions via attachments came from:
 - Residents of Gold Street, South Fremantle.
 - Friends of Hampton and Ord (FoHO).
 - Residents of Hevron & Staples Streets, North Fremantle.
 - A resident from Ainsely Road, North Fremantle.
- The majority respondents submitted feedback on the Traffic Calming policy during this engagement program.
- This resulted in **more than 1,050 individual pieces of information*** collected through the engagement program.

Note: 1 formal submission via a MySay survey captures multiple comments and data from respondents.

WHAT WE HEARD (Traffic Calming)

How do you currently interact with your local streets?

Interaction Type	# of times selected
I am a resident	92
I visit this street	10
I am a business owner	5

What does this data tell us?

- Respondents were first asked “*What street do you live, work, or play on? – Select all that apply*”. The full list of responses to this question has been provided within the engagement reporting attachments.
- “*I am a resident*” was selected 92 times by respondents.
- The majority of respondents gave feedback as locals who live within the streets they identified.

What are your primary modes of transport?

Transport Mode	Average Rank
Drive	1.97
Walk	2.14
Cycle	3.10
Public Transport	3.51
Electric Scooter	4.93
Wheelchair or Moped	5.35

What does this data tell us?

- Respondents were asked "What are your primary modes of transport? – List in order of most used to least used."
- Driving is the primary mode of transport for respondents to the traffic calming survey, generating an average rank of **1.97**.
- Walking, Cycling, and Public Transport fare well, but considerable thought should be made for these modes of transport.
 - o It's clear that nearly all traffic calming related feedback in our engagement program related to motor vehicles.

What do you think makes effective traffic calming?

Traffic Calming Type	# of times selected
Traffic calming devices (e.g. speed humps, chicanes, etc)	67
Speed reduction	64
Streetscape or greenery	58
Signs and lines	43
Other	25

What does this data tell us?

- Respondents were asked "What do you think makes effective traffic calming? – Select your top three options."
- Physical traffic calming devices (e.g. speed humps, chicanes, etc); speed reduction; and streetscapes or greenery were the top three selected traffic calming types by survey respondents.
- The data above suggests that visible and physical interventions, as well as changes to local speed laws are seen as effective traffic calming solutions.

"Other" was selected 25 times by survey respondents. Their answers have been summarised into themes that appear multiple times with accompanying bullet points below. Full answers can be found as a separate attachment.

Street Design and Aesthetics was voiced 22 times. Respondents highlighted the following:

- Local education on sharing streets with pedestrians, kids, prams, the elderly, and pets.
- Artwork on the street surface, decorated trees, and shrubs.
- Lighting to create a safe zone.
- Surprising elements and attention-grabbing features.
- Signage, street ownership, and a unique street space.

Traffic Management and Infrastructure was voiced 18 times. Respondents highlighted the following:

- Clearly defined pedestrian walkways/promenades.
- Cars and buses directed away from shops and cafes.
- Traffic lights for improved traffic flow.
- Roundabouts for better traffic control.
- Distribution of traffic flow and public transport.

Enforcement of Traffic and Parking Laws was voiced 8 times. Respondents highlighted the following:

- Setting up speed cameras in hotspot local areas.
- Strengthening enforcement of laws in South Fremantle.

Pedestrian and Cyclist Safety was voiced 7 times. Respondents highlighted the following:

- Lack of clearly defined pedestrian crossings on South Terrace.
- Need for wider pedestrian and cycle paths.
- Encouraging less car traffic and more walking and cycling.
- Keep clear access ways for residents entering and exiting main roads.

Parking Issues and Access was voiced 7 times. Respondents highlighted the following:

- Limited street parking and the impact on the community.
- Can time-limited street parking be a solution?
- Navigating illegal parking on footpaths or verges.

What do you think is missing from the traffic calming policy?

Respondents were asked "What do you think is missing from the traffic calming policy" via an open text survey question. Their answers have been summarised into themes that appear multiple times with accompanying bullet points below. Full answers can be found as a separate attachment.

Speed Limits and Traffic Flow was voiced 28 times. Respondents highlighted the following:

- Clear ability for the community to request speed reduction as a solution.
- Clarity on the impacts this policy can have on traffic flow and safety – highlight this in the language.

Traffic Calming Measures were voiced 22 times. Respondents highlighted the following:

- Allow the community to suggest solutions or interventions like speed humps, chicanes, and roundabouts.
- Create tools for better enforcement of existing measures.

Pedestrian Safety and Crossings was voiced 13 times. Respondents highlighted the following:

- Options to select more pedestrian-friendly infrastructure.
- Allow interaction with the community on where future pedestrian crossings are developed.

Parking Issues were voiced 11 times. Respondents highlighted the following:

- How the policy can reduce illegal parking.
- Ways to clearly enforce parking management challenges.
- How the policy can influence future designated parking areas and other local restrictions.

Community Engagement and Education was voiced 8 times. Respondents highlighted the following:

- How the policy will include much clearer communication and education on traffic policies with the community.
- Ensure the policy speaks to better community involvement in decision-making.
- Education and information to improve public understanding of traffic issues.

WHAT WE HEARD (Narrow Streets)

How do you currently interact with your local streets?

Interaction Type	# of times selected
I am a resident	42
I visit this street	1
I am a business owner	1

What does this data tell us?

- Respondents were first asked "What street do you live, work, or play on? – Select all that apply". The full list of responses to this question has been provided within the engagement reporting attachments.
- "I am a resident" was selected 42 times by respondents.
- The majority of respondents gave feedback as locals who live within the streets they identified.

What are your primary modes of transport?

Transport Mode	Average Rank
Drive	1.79
Walk	2.00
Cycle	3.16
Public Transport	3.33
Electric Scooter	5.14
Wheelchair or Moped	5.58

What does this data tell us?

- Respondents were asked "What are your primary modes of transport? – List in order of most used to least used."
- Driving is the primary mode of transport for respondents to the narrow streets survey, generating an average rank of **1.79**.
- The data above suggests walking, cycling, and access to public transport should have consideration within the narrow streets policy.
 - o This may also reduce the dependence of cars being the primary mode of transport within narrow streets, as well as the main driver of issues in local areas.

What are your top three concerns with your narrow street?

Concerns	# of times selected
Parking	30
Speeding	24
Pedestrian Access	14
Bike Safety	14
Greenery	13
Bins	10
Emergency Access	9
Other	9

What does this data tell us?

- Respondents were asked "What are your top three concerns with your narrow street?" and had to select three main concerns.
- **Parking & Speeding** make up **the top two concerns** for respondents who live, work, or play on narrow streets in Fremantle.
- **Pedestrian Access & Bike Safety** equally generated **the third main concern** for respondents.
- The data above suggests that, for respondents, motor vehicle activity is the primary cause for concern on narrow streets.

"Other" was selected 9 times by survey respondents. Their answers have been summarised into themes that appear multiple times with accompanying bullet points below. Full answers can be found as a separate attachment.

Traffic Visibility and Safety Issues was voiced 8 times. Respondents highlighted the following:

- Difficulty coming out of driveways due to parked cars.
- Danger when exiting streets.
- Concerns about getting into accidents.

- Kids and pets at risk of being hit by fast-moving cars.
- Speeding vehicles damaging property.
- Issues with parking near intersections.
- Difficulties caused by large vehicles parked on the street.
- Off-street parking creating visibility challenges.

**Infrastructure Issues (Footpaths and Street Lighting) was voiced 2 times.
Respondents highlighted the following:**

- Navigating narrow and uneven footpaths.
- Managing overgrown foliage.
- Ensuring adequate street lighting for visibility.

**EV Charging and Urban Planning was voiced 1 time. The respondent highlighted
the following:**

- Limitations for EV cars due to lack of off-street parking in some areas.

What do you think is missing from the narrow streets policy?

Respondents were asked "What do you think is missing from the narrow streets policy?" via an open text survey question. Their answers have been summarised into themes that appear multiple times with accompanying bullet points below. Full answers can be found as a separate attachment.

Parking Issues and Regulations were voiced 18 times. Respondents highlighted the following:

- How parking restrictions and regulations would interact with the narrow streets policy.
- How the narrow streets policy could influence parking areas and marked parking spaces.
- How the policy can enforce single-side parking and limit the number of cars parked on the street.

Traffic Safety and Speed Limits were voiced 8 times. Respondents highlighted the following:

- How the narrow streets policy address speeding vehicles and unsafe traffic conditions.
- How the reduction of speed limits to enhance safety implemented through the narrow streets policy.

Pedestrian Safety and Accessibility was voiced 8 times. Respondents highlighted the following:

- How the narrow streets policy would deal with uneven footpaths impacting pedestrian safety.
- Implementing wheelchair access and safe walking routes.
- Reducing hazards caused by vehicles parking on footpaths.

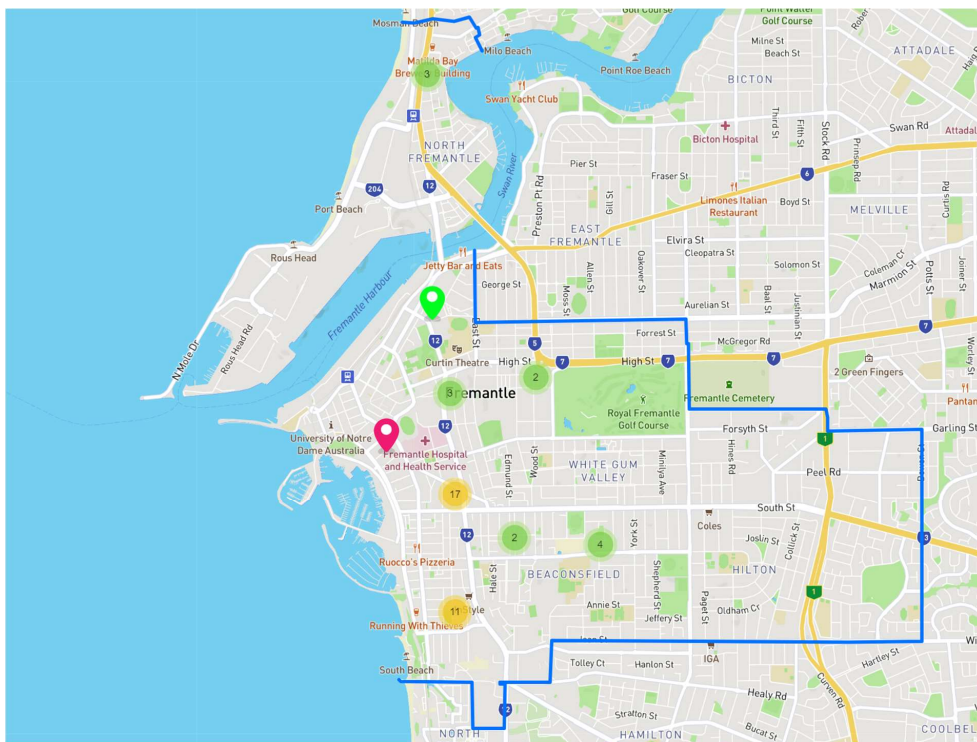

Urban Planning and Street Design was voiced 5 times. Respondents highlighted the following:

- Introduce larger signage to improve visibility on narrow streets.
- Clearly defined and extremely visible markings for parking areas.
- Implementing parking permits for residents.
- How the narrow streets policy can factor in better street design to accommodate increased traffic.

Communication and Follow-up with Council was voiced 4 times. Respondents highlighted the following:

- Host regular neighbourhood meetings with council staff to discuss street issues.
- Ensure there is clear follow-up with the community to address actions on previous requests to the council.
- Construct better communication channels between residents and the council.

INTERACTIVE MAP

- Respondents were able to drop a pin on an interactive map and leave comments, stories, or experiences directly within their local area for both policies.
- The map provided both the project team and participants to visualise key challenges in specific local areas.
- In the screenshot above, we can see that the majority pins were dropped in central Fremantle and South Fremantle.

Respondents were able to leave a comment with their pin. All answers have been summarised into themes that appear multiple times with accompanying bullet points below. Full answers can be found as a separate attachment.

Traffic Speed and Safety was voiced 27 times. Respondents highlighted the following:

- Respondents feeling like their streets are rat run or death traps.
- Lack of safety for pedestrians and cyclists on local roads, with no clear journey for cycle lanes.
- Respondents observing that speed limited are not complied with on local streets.

Parking Issues and Regulations were voiced 14 times. Respondents highlighted the following:

- Lack of consistency on what the parking regulations are, how they are enforced, and why there are informal agreements with City of Fremantle and residents on how they park on certain streets.
- Policy that can make one-sided street parking more consistent.
- Regardless of road width or length, current parking challenges continue to make streets dangerous for users.

Pedestrian Safety and Crossings were voiced 12 times. Respondents highlighted the following:

- Respondents made requests for improved pedestrian crossing interventions in their pinned areas.
- Respondents asked if speed cameras can be placed in high traffic and high pedestrian areas to help with safety and enforcement.

Traffic Calming Policy

fremantle.wa.gov.au

Traffic Calming Policy

Policy scope

This policy applies to the safety of all road users with a focus on pedestrian safety, speed reduction initiatives and ~~any installation (or proposed installation) of~~ traffic calming ~~devices~~ measures on roads and open spaces under the care, control or management of the City of Fremantle to create community friendly streets, ~~and when, where, and what needs to be installed~~. In the first instance, the City will pursue traffic calming measures that are developed in direct collaboration with the community which are low cost and easily delivered. This includes low cost urban treatments, signs, line marking and greenery that enhance the quality of our streetscapes. Traffic calming devices that require rigorous planning and construction will be considered as a secondary option where deemed necessary. This policy will apply to any traffic ~~or~~ driver behaviour issues that are identified in the analysis of a traffic calming request in order to ~~provision~~ ensure adequate traffic planning which considers all users of the City's road network and accommodates safety, future City growth and improvement in driver behaviour and awareness.

Purpose

This policy provides clarity and consistency around the assessment of speed reduction initiatives and ~~installation~~ implementation of traffic calming ~~measures~~ devices on roads and open space under the care, control or management of the ~~City of Fremantle~~, and ~~reinforces~~ the requirement to comply with the relevant Acts and guidelines. The policy will provide guidance over the way the City will analyse traffic issues which are identified with any request for traffic calming to incorporate ensure robust transport planning principles. ~~is undertaken.~~

Policy Statement

To create a safe, inclusive, active, healthy and vibrant place for residents to live and work, City of Fremantle is committed to providing community friendly streets ~~a safe road environment~~ that ~~are~~ is suitable for all road users and will endeavour ~~endeavouring~~ to ensure that any traffic-related ~~complaints or~~ concerns are properly and appropriately assessed and addressed wherever feasible ~~and practical~~ via community collaboration to explore low cost treatments that enhance our streetscapes.

Objectives and Measures

The key objective of this policy is to investigate traffic calming issues broadly and engage with the community to seek low cost solutions in accordance with the processes and assessment tools contained in the *Traffic Calming Guidelines and Technical Standards Administration Policy*. This administration policy considers and outlines:

- How precinct groups and community members can reach out to the City to investigate traffic calming issues;

- The need to ~~Analysis~~analyse of driver behaviours and traffic movements with ~~an~~ holistic approach to precincts and the potential effects any traffic calming measures may have on the surrounding road network;
- Low cost traffic calming measures that not only address the traffic issues that are identified, but improve the quality of our streetscapes;
- The processes and procedures to work with the community when for analysing, ~~prioritising~~prioritising and developing project proposals for traffic calming;
- The types of traffic calming devices and speed reduction initiatives the City would consider for traffic calming solutions; and
- The traffic warrant system for initially analysing all traffic calming requests as a baseline starting point.

Guiding Documents and Procedures

The following procedures and assessment tools are utilised by the City of Fremantle’s Infrastructure Engineering business unit to assess speed reduction initiatives, requests for traffic calming devices and undertake~~log~~ investigations to determine priority rankings:

- ADMINISTRATION POLICY – TRAFFIC CALMING GUIDELINES AND TECHNICAL STANDARDS

Definitions and abbreviations

The City – The City of Fremantle

Traffic calming ~~measure~~device – A ‘measure’ implemented on a road to encourage drivers to travel at an appropriate speed to complement the road environment and to discourage unnecessary through-traffic through either soft measures (signs, line marking, trees) or hard infrastructure methods (traffic calming devices).

Speed reduction initiative – A reduction in speed to a precinct which aims to achieve a reduction in impact force, increased visibility and decreased stopping distance.

Council Policy

Narrow Streets - Safe Access Policy

fremantle.wa.gov.au

Narrow Streets - Safe Access Policy

Policy scope

The policy applies to streets within the City of Fremantle which are less than 7.2 metres wide. This policy facilitates the consideration of low cost street reconfigurations measures with a focus on: ~~will provision street reconfiguration measures pertaining to~~

Safe pedestrian access: ~~Providing~~ Provide clarity on cost effective measures that provision and safe / shared access for pedestrians such as greenery, murals and line marking.

Bike Safety: ~~Providing guidance on~~ Provision an appropriate road configuration which enables safe cyclist commuting which is not compromised by parking capacity.

On-Street Parking: ~~Allowing~~ Allow parking in narrow streets where appropriate access is maintained with line marking and/or parking signs to manage access where required.

Access to off-street parking and driveways: ~~Ensuring~~ Ensure adequate access to properties along a narrow ~~streets~~ street to maximise use of existing off-street parking.

Accessible on-street parking and access: ~~Considering~~ Consider accessible provisions for people with a disability where appropriate and in accordance with relevant standards Australian Standards.

Speeding Mitigation: ~~Installing~~ install and configure appropriate signage, line marking and greenery ~~road infrastructure~~ that mitigates vehicle speeding and promotes ~~provisions~~ driver awareness to local area speeds.

~~Safe pedestrian access: Provide clarity and safe / shared access for pedestrians.~~

~~Bike Safety: Provision an appropriate road configuration which enables safe cyclist commuting which is not compromised by parking capacity.~~

Emergency Access ~~access:~~ Providing Provide adequate width to accommodate emergency vehicles.

Waste collection and delivery services: ~~Maintaining~~ Maintain suitable access for waste vehicles and delivery vehicles.

Policy statement

This policy defines the criteria for potential improvements to narrow streets that incorporate elements of traffic management and accessibility ~~for narrow streets within the City of Fremantle~~ for pedestrians, cyclists and vehicles ~~vehicles pedestrians and cyclists.~~

This policy provides guidance on the management of access, traffic and pedestrian movements within narrow streets which are to be delivered via community driven low cost treatments that enhance the quality of streetscapes. The policy also provides guidance on ~~the~~ appropriate signage, line marking and greenery to provide safer roads for the

~~community road configuration to provision safer roads for the community~~ and the means for engaging with the local community and residents of narrow streets to ensure low cost solutions associated with safety suitable ~~are met~~.

Application

~~Home owners in narrow streets which meet the width criteria in this Policy can express their interest to the City to commence an investigation into improving accessibility and safety on their narrow street. The City will work with community members on narrow streets to ensure safety and access to all users, with a focus on the needs of pedestrians and cyclists, via simple low cost treatments. Such treatments include line marking, greenery and signage that improves driver awareness and compliant parking to symbolise that pedestrians are an essential user of all open space on narrow streets.~~

~~The Criteria to be used in determining the priority of a street for treatment is as follows:~~

- ~~• Road width

 - ~~◦ Where a street meets the criteria outlined in Table 1, the first option to be considered is to install parking restrictions.~~~~

~~**Table 1 Criteria for Treatments on Narrow Streets**~~

Width (kerb to kerb or trafficable width)	Treatment
Less than or equal to 4.9m	No Parking on both sides (consider providing additional streetscape if possible), one way to be considered, or defined parking areas for straddled parking on footpath/road with signs only on one side of the street if appropriate.
5.0m to 7.2m	Parking on one side
Greater than 7.2m with waste/emergency vehicles	Parking on both sides

~~* Where 2m has been allowed for parking and 3m is required for vehicle access~~

- ~~• Pedestrian Safety

 - ~~◦ Availability of safe accessible paths of travel / footpaths that have the required width for access compliance. Narrow streets with no footpaths will be prioritised ahead of those with footpaths.~~~~
- ~~• Road length~~

- ~~Road segment length will assist in prioritising narrow streets that have the largest total areas when analysed against road widths in Table 1 above.~~
- ~~The number of properties fronting the street~~
 - ~~Narrow streets will be prioritised by the number of residents affected which includes high density dwellings like apartments and unit complexes.~~
- ~~Availability of off street parking~~
 - ~~Narrow streets with no off street parking or very little off street parking will be prioritised ahead of narrow streets that do offer sufficient off street parking.~~
- ~~Footpath quality~~
 - ~~Footpaths in poor condition on a narrow street will be prioritised ahead of those with average or good condition footpaths.~~
- ~~Traffic volumes~~
 - ~~Vehicle usage in accordance with the Traffic Calming Policy will be an indicator of prioritisation for intervention.~~
- ~~Other issues such as adjacent land use and density~~
 - ~~Narrow streets that incorporate high density developments, commercial properties, schools and community services will be utilised as a priority measure.~~

Objectives and Measures

Table 2-1 Policy Objectives and Measures

Objectives	Provide a safe and accessible road and footpath network across all <u>narrow</u> streets within the City to enable sufficient space for community users.
Performance Measures	The City will firstly review and identify solutions for streets with the smallest widths to determine priority.
Treatments	Where streets meet the above criteria, this may result in reduced space for vehicle parking. As a result, consideration will be given to treatments that enhance streetscapes as detailed within the Narrow Street Safe Access Guidelines Administration Policy. Implementation of specified treatments will permit more robust applications to Main Roads Western Australia for potential shared zones <u>and/or speed limit reductions</u> .

Risk	Medium
-------------	--------

Guiding Documents and Procedures

The following procedures and assessment tool are utilised by officers to assess the geometry and functionality of narrow streets:

- ADMINISTRATION POLICY – NARROW STREETS SAFE ACCESS GUIDELINES AND TECHNICAL STANDARDS

Definitions and abbreviations

On-Street Parking – Parking of a vehicle on a street, anywhere on or along the kerb.

Narrow Street – For assessment purposes, a narrow street is defined as a road with less than 7.2m road width.

Road Configuration – The width of a road and the ancillary assets that connect to it (footpaths, greenery, kerbs, lines and signs). When combined correctly, they will enable a safe environment for the community.

Speeding Mitigation – the road configuration and placement of assets combine together to mitigate speeding and enhance driver awareness.

Question type: Checkbox Question

My Say Freo : Summary Report for 29 April 2015 to 21 November 2023

Does your business generate a high, medium, or low volume of drink containers per week?

Question options

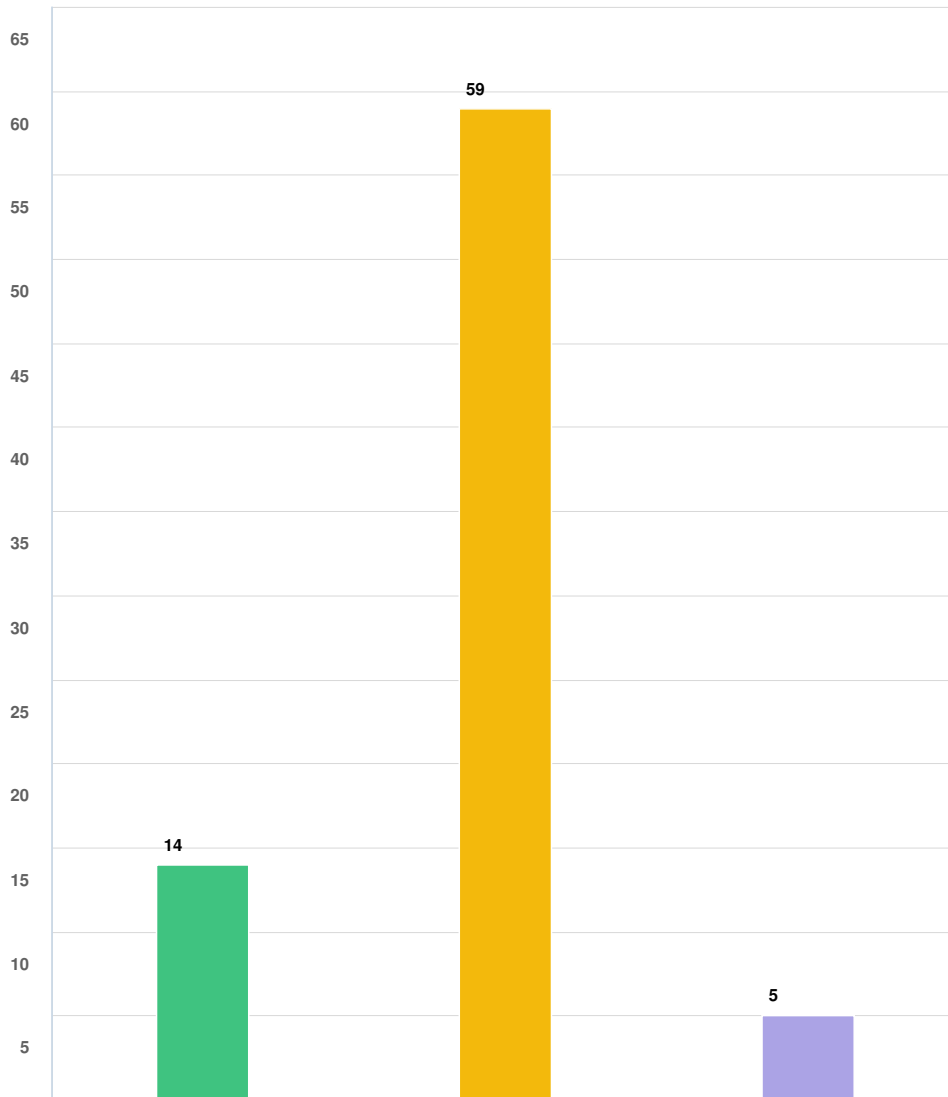

● High (500 +) ● Medium (100 – 500) ● Low (0 – 100) ● Nothing

Optional question (79 response(s), 4 skipped)

Question type: Checkbox Question

My Say Freo : Summary Report for 29 April 2015 to 21 November 2023

Do you currently use the Containers for Change Refund Point at Knutsford Street to redeem your eligible recyclable containers?

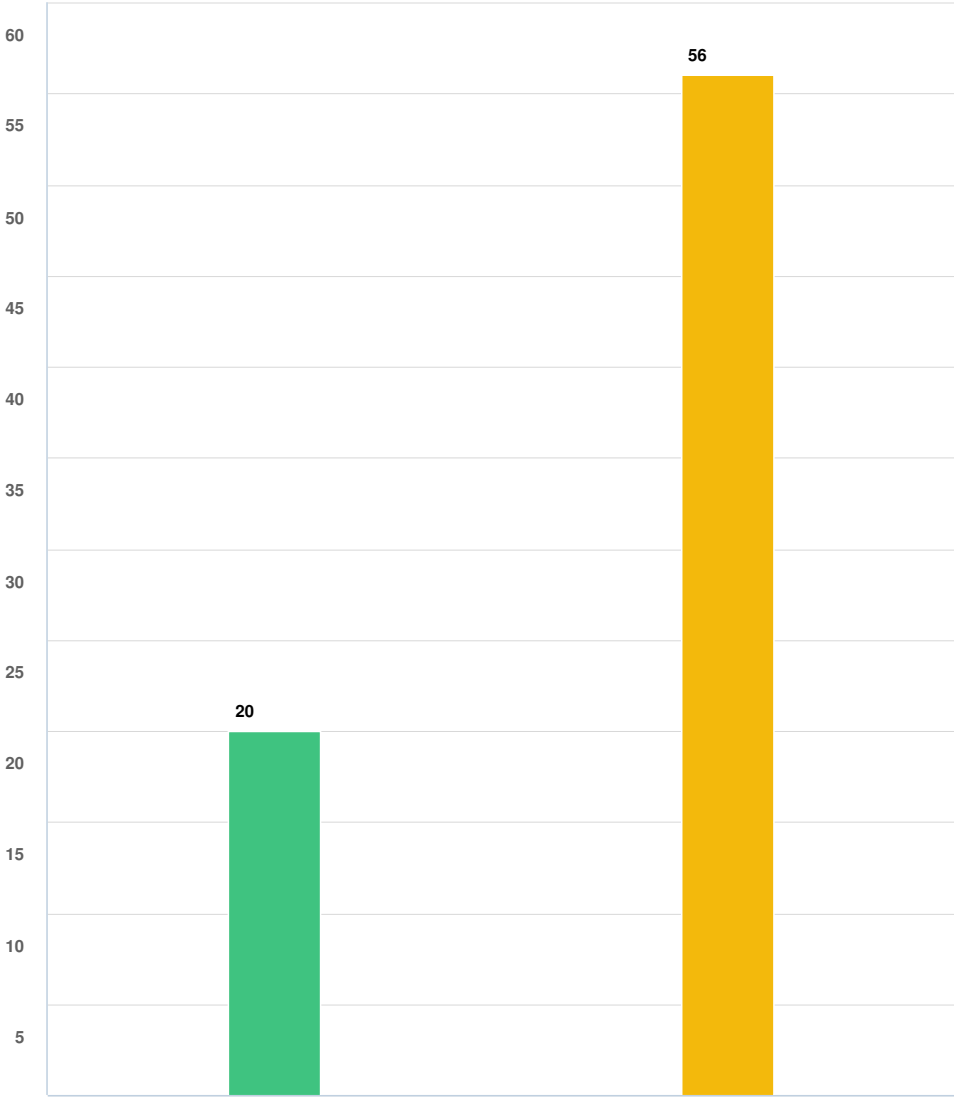

Question options

● Yes ● No ● I wasn't aware of it

Optional question (77 response(s), 6 skipped)

Question type: Checkbox Question

Would you be willing to have a Containers for Change bin serviced for free from your premise?

Question options

- Yes
- No

Optional question (75 response(s), 8 skipped)

Question type: Checkbox Question

=== ATTACHMENT 2: CITY OF VINCENT POST IMPLEMENTATION SURVEY

RESULTS

The contents of the City of Vincent' post-implementation survey present the following highlights (full report: [Council Meeting \(Ordinary and Special\) - Tuesday, 17 May 2022 \(vincent.wa.gov.au\)](#)):

- The survey's strategic goal was to assess the impact on local businesses resulting from the cessation of the City's commercial waste services.
- Most businesses have adjusted well to the changes and are happy with their current arrangements.
- The overall impact on waste behaviour appears to have been positive.
- When the City of Vincent ceased its commercial waste services this did have an impact on local businesses. Businesses reported that they had experienced some challenges with the transition to a new service, including higher costs, inconvenience, more complicated systems, and insufficient bins.
- The reported higher costs are more reflective of the fact that the business had previously had multiple bins or collection frequencies under the old collection system; a system with was subsidised by all ratepayers.

It is not recommended that any further transitional financial support for commercial ratepayers is required. The City will continue to provide educational support as part of normal business to ensure businesses are maximising waste recovery and minimising associated waste processing/disposal costs. City of Vincent's decision to discontinue their commercial waste service was grounded in several reasons:

1. Alignment with Waste Strategy Objectives

The commercial waste service no longer aligned with the objectives outlined in their Waste Strategy. The decision to move away from the previous system was driven by a commitment to achieving the City's vision of zero waste to landfill.

2. Inadequacy of the previous system

The commercial waste system, an extension of the City's residential two-bin model, did not cater to the diverse needs of different businesses. Recognising the necessity for a more tailored approach, discontinuing commercial waste collections was a strategic step towards addressing this inadequacy.

3. Impact of the Food Organics/Garden Organics introduction.

The City of Vincent considered that a revaluation and adjustment were necessary, to optimise waste management efforts and resources, in the context of the introduction of a third bin for Food Organics Garden Organics (FOGO) in 2021.

4. Financial considerations.

A thorough assessment indicated that a significant additional investment would be required for the City to enhance the current commercial service to meet the necessary standards. The decision to discontinue the existing system is, therefore, a prudent financial choice, focusing on sustainability and efficiency.

In summary, discontinuing their commercial waste service aligned with the City's waste management objectives, the need for a tailored approach, operational efficiency with FOGO introduction, and acknowledging financial implications of potentially enhancing that service.

INTRODUCTION

The City, along with its Project Partners the South Fremantle Football Club (SFFC), Fremantle Football Club (FFC) and Western Australian Football Commission (WAFC), is working to prepare a masterplan for the Fremantle Oval precinct.

Fremantle Oval is a historic place with deep connections to the local community and state of Western Australia. For many years now, facilities for the public, players and patrons at the oval have been poor. With the popularity and participation of women's sport growing, particularly women's football, works are needed to improve facilities and ensure the future of the oval as a major sporting facility and destination in WA. Redevelopment will provide opportunities for new uses within the precinct that benefit the community, city centre activity and the precinct's key neighbours: the Fremantle Prison, Fremantle Hospital and Fremantle Markets.

The Fremantle Oval Precinct Masterplan (the Masterplan) is intended to provide a vision for the development of the precinct, establish principles for its ongoing management and operation and assist the City in attracting funding from State and Federal Governments. It builds on previous studies that have been undertaken for the site over the last 10 years.

The redevelopment of the Fremantle Oval Precinct will enable outcomes including:

- A football facility with a capacity of 10,000 – 15,000 patrons ('Category 4 - Tier 2' facility)
- An accessible and inclusive community green space in the city centre, capable of hosting events such as 'High Voltage'
- A visitor experience that is community friendly and encourages a 'day out' in Fremantle
- Upgrades and conservation of significant heritage places such as the Victoria Pavilion
- Support for a revitalised Fremantle Hospital and improved visitor experience for Fremantle Prison
- Recognition of Aboriginal people in their contribution to sport at Fremantle Oval and as Traditional Owners of the site
- Support the oval's current tenants SEDA College and the Stephen Michael Foundation, and attract other education providers
- New, safe pedestrian connections through the precinct
- Development opportunities for new uses that leverage the precinct's city centre location and complement the precinct's heritage, sport, health and tourism functions.

In conjunction with the [City of Fremantle’s community engagement policy](#), and the [International Association for Public Participation’s \(IAP2\)](#) spectrum of public participation, this engagement program aimed to **CONSULT & INVOLVE** the community throughout the project:

IAP2 Spectrum of Public Participation

IAP2’s Spectrum of Public Participation was designed to assist with the selection of the level of participation that defines the public’s role in any public participation process. The Spectrum is used internationally, and it is found in public participation plans around the world.

		INCREASING IMPACT ON THE DECISION				
		INFORM	CONSULT	INVOLVE	COLLABORATE	EMPOWER
PUBLIC PARTICIPATION GOAL		To provide the public with balanced and objective information to assist them in understanding the problem, alternatives, opportunities and/or solutions.	To obtain public feedback on analysis, alternatives and/or decisions.	To work directly with the public throughout the process to ensure that public concerns and aspirations are consistently understood and considered.	To partner with the public in each aspect of the decision including the development of alternatives and the identification of the preferred solution.	To place final decision making in the hands of the public.
	PROMISE TO THE PUBLIC	We will keep you informed.	We will keep you informed, listen to and acknowledge concerns and aspirations, and provide feedback on how public input influenced the decision.	We will work with you to ensure that your concerns and aspirations are directly reflected in the alternatives developed and provide feedback on how public input influenced the decision.	We will look to you for advice and innovation in formulating solutions and incorporate your advice and recommendations into the decisions to the maximum extent possible.	We will implement what you decide.

© IAP2 International Federation 2010. All rights reserved. 20101112_v1

The City of Fremantle conducted a series of in-person, local media, and digital community engagement activities to collect submissions and feedback for this program.

The City and its project partners looked for the community’s support in developing the Masterplan. The community’s input helped inform the Masterplan’s vision, its guiding principles, and assist the City in developing partnerships and attracting funding.

The public was asked to share their feedback by reflecting on the following questions:

- What is important to you about the oval precinct?
- What are the uses and activities you would like to see there?
- What is important for the City to prioritise and what values need to be balanced as part of the redevelopment?
- What are some of the game-day experiences you would like to see?

City officers aimed to:

- Obtain feedback on analysis, alternatives, or decisions.
- Work directly throughout the process to ensure that public concerns and aspirations are consistently understood and considered.

- Work with the public to ensure that their concerns and aspirations are directly reflected in the alternatives developed.
- Provide feedback on how public input influenced the decision.

This engagement report details how we engaged; who we reached; and what we heard. The findings of this report will help City staff and Elected Members to make an informed decision on next steps for this topic.

HOW WE ENGAGED

The City of Fremantle opened public engagement on the Fremantle Oval Precinct Redevelopment Masterplan on 14 March, 2024, and collected submissions until close-of-business on 14 June, 2024.

City officers promoted the public comment period in the following ways:

Social Media:

- The public engagement program for this project was heavily mentioned on the City of Fremantle's Facebook page, as well as its Instagram profile throughout the lifespan of the submission period.
- The City's Corporate Communication Team developed a series of videos featuring local stakeholders within the Fremantle Oval Precinct encouraging the public to participate in the City's engagement program for this project.
 - o This included stakeholders from Fremantle Chamber of Commerce, Spring into Fitness Gym, South Fremantle Football Club, and Fremantle Dockers ALFW.

Local Media:

- The public engagement program was advertised in the Fremantle Herald throughout the public engagement period.

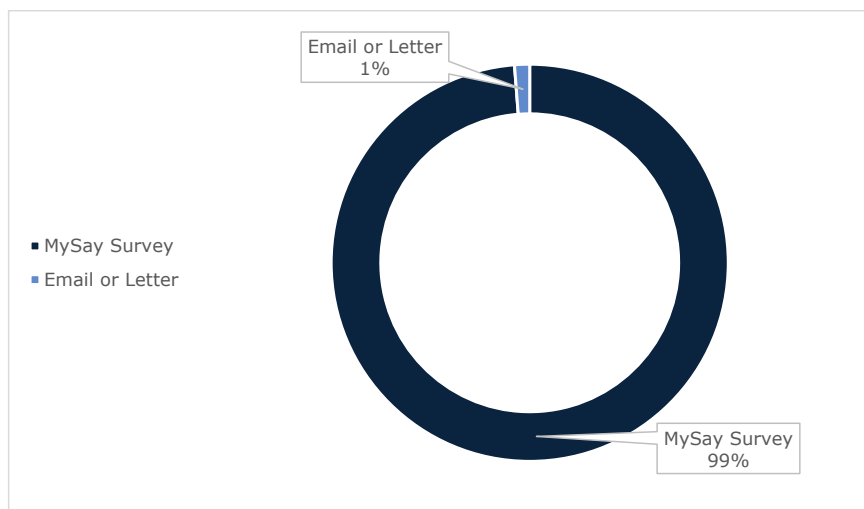

Electronic Newsletters:

- The Community Engagement team deployed a "Just Launched" email newsletter announcing the opening of the public consultation period on 14 March, 2024.
- The Community Engagement team advertised this project via its monthly engagement newsletter in April 2024, May 2024, and June 2024.
- This email is deployed to over 3,000 people who are subscribed to hear engagement updates from the City of Fremantle.

Community Drop-In & Face-to-Face Sessions:

- City officers setup a pop-up presence at Fremantle Oval on 4 May, 2024. Staff spoke with **over 200 people**.
- City officers setup a second pop-up presence at Fremantle Oval on 3 June, 2024. Staff spoke with **over 400 people**.
- The events were organised to provide clarity on our public engagement program, allow participants to ask questions, and encourage them to contribute a formal submission.

HOW WE COLLECTED FEEDBACK

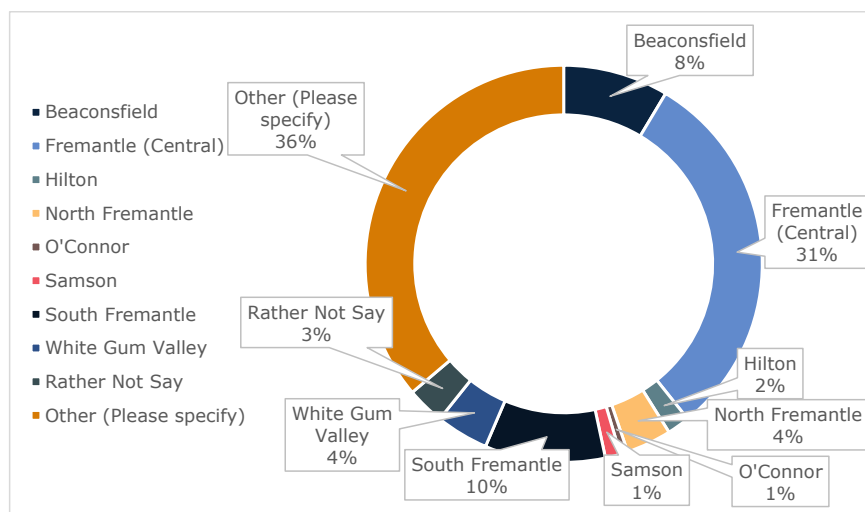

What does this data tell us?

- The public engagement program **reached 2,400 people** through face-to-face conversations and online visits to the City's MySay portal.
- The public engagement program resulted in **163 formal submissions** to City officers in the following ways:
 - o **161 submissions** via the MySay survey on the Fremantle Oval Precinct Redevelopment project page.
 - o **2 emails** sent to the Community Engagement Team's shared inbox.
 - Notable contributions via attachments came from:
 - Chrissie Maus, CEO of Fremantle Chamber of Commerce.
 - Local resident concerned about the future of the George Grljusich Media Box.
- This resulted in **more than 2,900 individual pieces of information*** collected through the engagement program.

Note: 1 formal submission via a MySay survey captures multiple comments and data from respondents.

WHO WE REACHED

Location Demographics

What does this data tell us?

- **61% of respondents** to the public engagement program for this project were from a City of Fremantle suburb.
 - o **Fremantle Central** made up the most with 31% of respondents.
 - o **South Fremantle was the next major suburb in Fremantle with 10% of respondents.**
- The **"Other – Please Specify"** category generated the second highest number with **36% of respondents** and included the following locations:
 - o Hamilton Hill (6), Cottesloe (1), Palmyra (3), East Fremantle (9), Piara Waters (2), Maylands (1), Lesmurdie (1), South Perth (2), Bickton (1), Myaree (2), Spearwood (4), Coolbellup (2), Waikiki (1), Claremont (1), Scarborough (2), Doubleview (1), Beeliar (1), Dianella (1), Melbourne (1), Manning (1), Mount Pleasant (1), Ardross (1), Melville (1), North Coogee (1), Leeming (2), Karrinyup (1), Gooseberry Hill (1), South Lake (1), Albany (1), Kwinana (1), Booragoon (1), Bayswater (1), Mosman Park (1), Coogee (1), Forrestfield (1), and Cloverdale (1).
 - o This data displays the importance of Fremantle Oval to people who live outside of the City.

How do you identify?

Identification Type	# of times selected
Resident	93
Ratepayer	79
South Fremantle Football Club Member	47
Fremantle Dockers Members	35
Other (Please specify)	27
Business Owner	21
Visitor	18
Rather Not Say	2

What does this data tell us?

- Respondents were asked to identify themselves from the options above, and could select all that applied.
- The majority of respondents identified as residents and ratepayers of the city.
- There was significant participation from members of both the Fremantle Dockers and South Fremantle Football Club.
- Respondents who selected “**Other – please specify**” provided the following information on their relationship to the Fremantle Oval Precinct:
 - o **Employment & professional affiliations:** Respondents work or are employed in the area.
 - o **Community Memberships:** Respondents volunteer within the area, or are a member of the local gym (Spring into Fitness).
 - o **Personal & family connections:** Respondents are ex-residents of Fremantle, or have a personal family connection to the Fremantle Oval and surrounding precinct.
 - o **Heritage & sponsorship:** Respondents have a close connection or investment in the heritage of the Oval and surrounding precinct.

WHAT WE HEARD

How do you currently engage with the Fremantle Oval Precinct?

Interaction Type	# of times selected
Attending an event at the Oval or within the precinct	105
Walking through the precinct	101
Dining within the precinct	89
Shopping within the precinct	72
Driving through the precinct	66
Car parking at the Oval or within the precinct	64
Member of a sporting club at the Oval	56
Cycling through the precinct	27
Personal exercise at the Oval or within the precinct	24
Work in a business within the Oval precinct	23
Other (Please specify)	16
Dog walking at the Oval or through the precinct	8

What does this data tell us?

- Respondents were asked to select how they engage with the Fremantle Oval Precinct, and could select all of the options that applied.
- The data above displays how much movement currently takes place through and around the Oval precinct.
- **Movement and activity** is a standout theme of the engagement and the most common way that respondents engage and interact with the Fremantle Oval Precinct. The top 3 selections for this question included:
 - 1. Attending an event at the Oval or within the precinct
 - 2. Walking through the precinct
 - 3. Dining within the precinct

How often do you visit the Fremantle Oval Precinct?

Frequency	# of times selected
2-3 times a week	47
Sometimes	42
Weekly	40
Daily	21
Other (Please specify)	13

What does this data tell us?

- Respondents were asked how often they frequent the Fremantle Oval and surrounding precinct, and could only make one selection from the options provided.
- The Oval precinct sees a heavy frequency of visits on a near daily basis. However, the majority of respondents frequent the area **2-3 times a week**.
- The data above highlights how active the precinct is for visitors beyond key times like weekends or holidays. There is movement happening to the precinct all the time.

PRIORITIES & VALUES RESPONSES

Respondents were invited to consider the following strategic themes and tell us what outcomes should be prioritised or to what degree they should be balanced

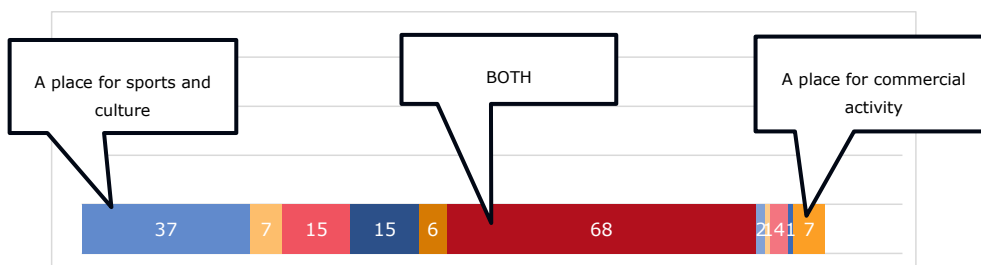

By registering a marker towards one of the ends of the scale, respondents indicated that certain outcomes are a clear priority. In many cases the outcomes indicated on the scale are not mutually exclusive: both outcomes could be priorities and therefore require a more balanced approach. Respondents could indicate where this was the case by placing the marker more towards the middle of the scale.

The degree to which a marker is placed towards the end of the scale and away from the middle indicated their preference for one outcome over another.

Development Opportunities

Respondents were asked “*What kind of development opportunities would you like to see at the Fremantle Oval?*” They were then instructed to select a marker between the following spectrums:

- A place for commercial activity
- A place for sports and culture
- Both

What does this data tell us?

- Respondents for this value leaned heavily towards developing the Oval as a place for sports and culture.
- **80 respondents** believe any future development opportunities should heavily lean towards prioritising the Oval as a place for sports and culture.
- **68 respondents** would like to see a balance of both – sports and culture, and a place for commercial activity.
- **15 respondents** want to see future development opportunities to prioritise commercial activity.

Respondents were also asked to explain their marker selection via an open text survey question. Their answers have been summarised into themes that appear multiple times with accompanying bullet points below.

Focus on Sports was voiced 48 times. Respondents highlighted the following:

- The oval should remain primarily a sports facility, preserving its historical use for community and sports gatherings.
- Emphasis on football (AFL, WAFL, AFWL) as the main activity, with potential for other sports.
- Sports facilities should be updated to accommodate modern needs, including gender-neutral amenities and accessibility improvements.
- The sports precinct should also support community-based fitness facilities and programs.

Commercial Activities was voiced 39 times. Respondents highlighted the following:

- Commercial activities should complement the sporting nature of the precinct, such as gyms, health food shops, and allied health services.
- Commercial development should ensure financial sustainability but with a focus on maintaining the area's character.
- Activities like cafes, restaurants, and markets are seen as positive additions that can increase foot traffic and revenue.
- Commercial ventures should be community-oriented and not overwhelm the sporting and cultural significance of the area.

Historical and Cultural Preservation was voiced 31 times. Respondents highlighted the following:

- Maintaining the historical frontage and pavilion grandstand is crucial.
- The area has significant historical and cultural value, which should be preserved and celebrated.
- Cultural activities and historical storytelling should be integrated into the redevelopment.
- The precinct's heritage should be highlighted and made more accessible to the public.

Community Accessibility was voiced 28 times. Respondents highlighted the following:

- The Oval should remain a community gathering place with a focus on inclusivity and accessibility.
- Facilities should cater to various community needs, including pathways for the elderly and disabled access.
- There is a call for a balanced approach that serves both local residents and visitors.
- Ensuring that the precinct remains open and accessible to the public, avoiding exclusive or overly commercialised development.
- The area should be activated throughout the week with various events to maximize its use and community benefit.

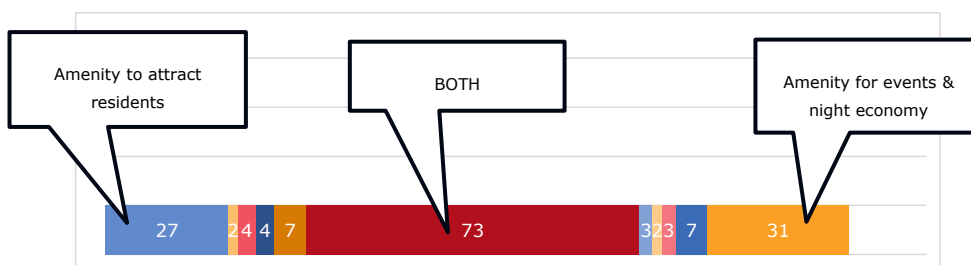

Sustainability and Modernisation was voiced 24 times. Respondents highlighted the following:

- Modernising the facilities to accommodate a variety of events and activities, including sports, cultural events, and community gatherings.
- Emphasising sustainable development practices, such as modular facilities and sustainable public amenities.
- Ensuring the redevelopment supports the long-term viability of the precinct, both financially and operationally.

City Living

Respondents were asked “*Attracting residents to the city centre can sometimes create conflicts with other land uses and activities. Is more amenity needed to support attraction of residents or to strengthen events and the night economy?*” They were then instructed to select a marker between the following spectrums:

- More amenity for events and night economy
- More amenity to attract residents
- Both

What does this data tell us?

- Respondents for this value were evenly split, and largely want to see a balance of both spectrums.
- **73 respondents** would like to see **a balance of both** – amenity to attract residents and for events & a night economy.
- **46 respondents** want to see the precinct attract amenity that encourages events and a night economy.
- **44 respondents** want to see the precinct develop amenities that will attract residents.

Respondents were also asked to explain their marker selection via an open text survey question. Their answers have been summarised into themes that appear multiple times with accompanying bullet points below.

A Balance Between Residential and Night Economy was voiced 44 times.
Respondents highlighted the following:

- Residents appreciate the proximity to entertainment such as bars and restaurants.
- A balance is necessary to attract both residents and businesses, ensuring vibrancy and safety.
- Concerns about antisocial behaviour in the evening affecting residential appeal.
- Importance of designing housing to minimise noise and disturbance from nightlife.

Improved Amenities and Infrastructure was voiced 23 times. Respondents highlighted the following:

- Need for more public toilets, better lighting, and improved seating and shelter.
- Calls for better public transport, cycling/pedestrian paths, and parking options.
- Desire for more community facilities like parks, gardens, and recreational areas.
- The necessity of maintaining cleanliness and addressing rubbish from events.

Attracting More Residents was voiced 19 times. Respondents highlighted the following:

- More inner-city residents could help support local businesses and improve safety.
- Suitable housing typologies are important to prevent conflicts with nightlife.
- Increased residential presence can contribute to a livelier and more vibrant community.
- The importance of ensuring residential amenities to make living in Fremantle viable.

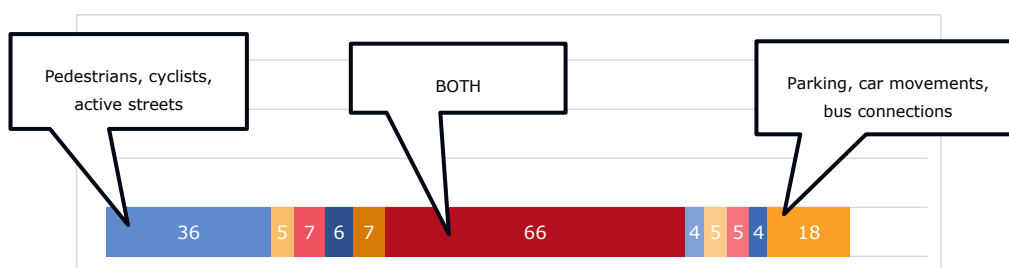

Historical and Cultural Preservation was voiced 15 times. Respondents highlighted the following:

- Emphasis on maintaining Fremantle's historical and cultural identity.
- Support for using historical venues for community and cultural events.
- Balancing new developments with the preservation of heritage sites.
- Promoting cultural activities that reflect the community's diverse heritage.

Movement

Respondents were asked “*What transport modes should be prioritised within the precinct?*” They were then instructed to select a marker between the following spectrums:

- Pedestrians, cycling, active streets
- Parking, car movements, bus connections
- Both

What does this data tell us?

- Respondents for this value want to see a balance, but are heavily skewed towards prioritising pedestrians, cyclists, and active streets within the precinct.
- **66 respondents** want to see the precinct balance both ends of the spectrum— where active streets can cater to pedestrians and cyclists, as well parking and vehicle movements.
- **61 respondents** would like to see the precinct prioritise pedestrians, cyclists, and active streets.
- **36 respondents** want to see the precinct prioritise parking, car movements, and bus connections.

Respondents were also asked to explain their marker selection via an open text survey question. Their answers have been summarised into themes that appear multiple times with accompanying bullet points below.

Public Transport Enhancement was voiced 28 times. Respondents highlighted the following:

- Significant demand for the return of the CAT bus or a similar free shuttle service.
- Improved public transport connections to outer suburbs are seen as vital.
- Interest in tram infrastructure or light rail to connect key points in Fremantle.
- Emphasis on the need for affordable and accessible public transport options.

Balancing Car Access and Parking was voiced 24 times. Respondents highlighted the following:

- Acknowledgment of the need for car access due to low residential density and reliance on visitors.
- More and better-located parking options, including underground and on the periphery.
- Reducing car presence in central areas to enhance pedestrian safety and experience.
- Using existing car parks more efficiently and considering alternative transport modes to alleviate parking issues.

Prioritizing Pedestrians and Cyclists was voiced 23 times. Respondents highlighted the following:

- Making Fremantle more pedestrian and cyclist-friendly.
- Pedestrianise key streets and reduce car traffic in central areas.
- More and safer bike paths, walking paths, and pedestrian crossings.
- Integrating more greenery and better lighting to enhance the pedestrian experience.

Integration and Connectivity was voiced 20 times. Respondents highlighted the following:

- Improving connectivity between different parts of Fremantle, such as the market, prison, and oval.
- Better integration of public spaces to create a more cohesive urban environment.
- Importance of ensuring transport links between key venues and residential areas.
- Enhancing the precinct's accessibility and usability for all community members.

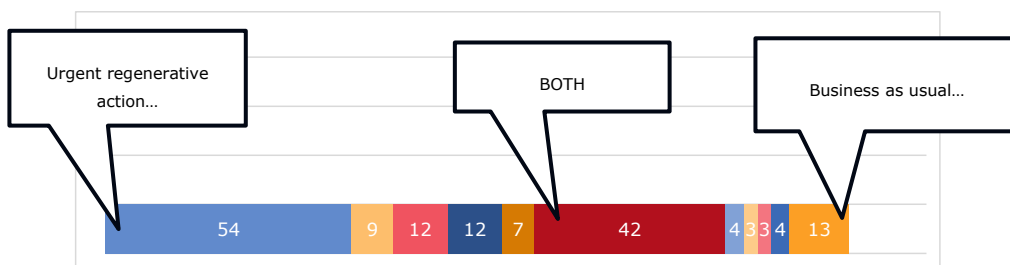

Sustainability and Environmental Impact was voiced 18 times. Respondents highlighted the following:

- Advocate for sustainable transport options to reduce the city's carbon footprint.
- Promotion of electric vehicles and the need for more charging stations.
- The city should aim to lead in providing alternatives to car usage.
- Focus on creating a greener urban environment to support active transport modes.

Sustainability Initiatives

Respondents were asked “*What should be our approach to sustainability for the project?*” They were then instructed to select a marker between the following spectrums:

- Urgent regenerative action, precinct-wide solutions
- Business as usual, less opportunity for sustainable action
- Both

What does this data tell us?

- Although there is a need to see balance for this value, the overwhelming majority of respondents want to see urgent action within the precinct.
- **94 respondents** want to heavily prioritise urgent, regenerative action for the precinct.
- **42 respondents** would like to see a balance of both.
- **27 respondents** want to see a “business as usual” approach to sustainability for the Oval precinct.

Respondents were also asked to explain their marker selection via an open text survey question. Their answers have been summarised into themes that appear multiple times with accompanying bullet points below.

Sustainability—a core value—was voiced 40 times. Respondents highlighted the following:

- Sustainability should be a core component of any redevelopment, balancing clever design with environmental responsibility.
- It’s seen as the ethical choice for the community and essential for the future—the community should take responsibility, too.
- Fremantle should lead in sustainable practices, showcasing initiatives like solar energy, rainwater collection, and recycling.
- Emphasis on the immediate need for sustainable actions to address climate concerns and prevent further environmental degradation.

**Preservation and Enhancement of Green Spaces was voiced 15 times.
Respondents highlighted the following:**

- More tree canopy, green spaces, and sustainable landscaping around the precinct.
- Green spaces should be integrated into the urban design to provide shade, enhance aesthetic value, and encourage outdoor activities.
- Planting native species and creating habitats for local wildlife is highlighted as important.
- Increasing green cover is seen as a way to mitigate the urban heat island effect.

Balancing Development and Heritage was voiced 12 times. Respondents highlighted the following:

- Emphasis on preserving the historical and cultural heritage of Fremantle, particularly around the Fremantle Oval.
- Any development should respect and enhance the existing heritage structures and spaces.
- Calls for updates and improvements that do not overshadow the rich history of the area.

Public Transport and Accessibility was voiced 10 times. Respondents highlighted:

- Make the area more pedestrian and cyclist-friendly to reduce reliance on cars.
- Enhancing public transport links to better connect different parts of Fremantle and its suburbs.
- Initiatives that reduce car traffic and promote sustainable transportation options like trams and cycling.

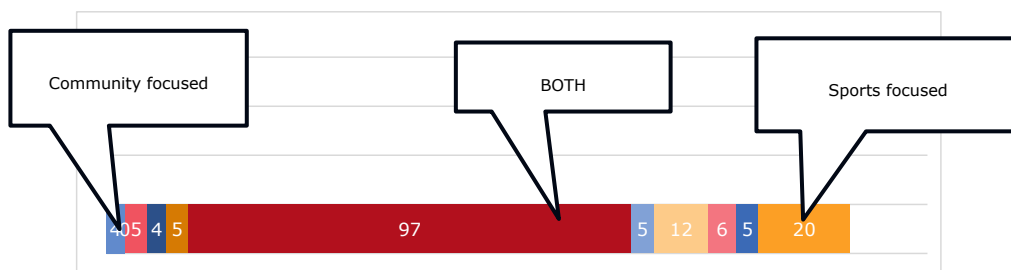

Community Use was voiced 8 times. Respondents highlighted the following:

- The precinct should serve diverse community needs, including sports, cultural events, and social gatherings.
- The precinct should be a space for community-driven projects that involve locals in sustainability practices, like composting and native planting.
- The potential for the precinct to boost local businesses and foster community ties through well-planned events and activities.

Events

Respondents were asked “Fremantle Oval is the home of the South Fremantle Football Club and the home ground for the Fremantle Dockers’ AFLW team. In 2023 it also hosted 17 community events, including two major events (e.g. such as High Voltage). What type of events would you like to see more of?” They were then instructed to select a marker between the following spectrums:

- Community focused
- Sports focused
- Both

What does this data tell us?

- Respondents for this value were overwhelming in their desire to see a balance for community and sports in the precinct.
- **97 Respondents** for this value would like to see a balance of sports and community focused events within the precinct.
- **48 respondents** want to see the precinct prioritise events with a sports focus.
- **18 respondents** would like to see the precinct prioritise community focused events.

The Balance of Sports and Community Events was voiced 42 times. Respondents highlighted the following:

- The oval should accommodate both sports and community events to maximise its use and benefit to the community.
- While maintaining its historical significance as a sports venue, the oval can host various events during the off-season.
- A mix of events will attract different crowds, supporting local businesses and resulting in a vibrant community.
- It's important to plan events that don't damage the sports facilities, ensuring the venue remains in good condition for sporting events.

Community and Cultural Engagement was voiced 30 times. Respondents highlighted the following:

- The space should be available for non-sporting events like concerts, cultural nights, and family festivals, especially when not in use for sports.
- Incorporating local artists, musicians, and cultural events can help integrate the community and enhance the local cultural landscape.
- Engaging with schools and children's sports can foster a new generation of sports enthusiasts.
- Community events can help sustain the financial viability of the venue, making it a multipurpose space.

Importance of Historical and Sporting Legacy was voiced 25 times. Respondents highlighted the following:

- The Oval's historical significance as a sporting ground, especially for Australian rules football, should be maintained.
- Improving facilities can attract a greater range of sports events, including WAFL, AFLW, and other sports, ensuring the venue remains a key sports hub.
- There is a strong sentiment to bring back the Fremantle Dockers to their original home, enhancing the local sports culture.
- While maintaining its sports heritage, the venue should also evolve to meet contemporary community needs.

Economic Impact and Local Business Support was voiced 20 times. Respondents highlighted the following:

- Events at the Oval can drive foot traffic to local businesses, benefiting the wider Fremantle economy.
- By hosting a variety of events, the oval can become a vibrant hub for both locals and visitors, enhancing Fremantle's reputation as a lively city.
- Ensuring the Oval is used throughout the year, not just during the sports season, can provide continuous economic benefits.
- Diverse events can create a sustainable financial model for maintaining and upgrading the facilities.

Sustainability and Environmental Considerations was voiced 18 times. Respondents highlighted the following:

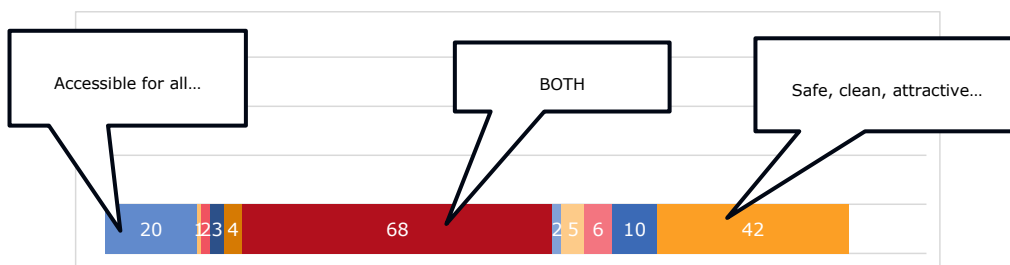

- Careful planning of events is necessary to ensure they do not harm the Oval's environment or infrastructure.
- Incorporating sustainable practices in the management of the oval and its events can enhance its environmental credentials.
- Ensuring the Oval is used responsibly to avoid overuse and damage, maintaining its primary function as a sports ground.
- Engaging the community in sustainability initiatives can foster a sense of responsibility and stewardship for the venue.

Social

Respondents were shown the following statement: *“Ensuring the precinct has a character consistent with community expectation is important for the project.”*

They were then asked to select a marker within the spectrum below:

- Accessible for all, diverse, community & health services
- Safe, clean, attractive, a great place for business and activity
- Both

What does this data tell us?

- Respondents for this value want to see a balance, but lean heavily towards prioritising a precinct that is safe, clean, and attractive.
- **68 respondents** want to see the precinct balance both ends of the spectrum— where accessibility and access for diverse demographics can also align with safe, clean and attractive streets.
- **65 respondents** would like to see the precinct prioritise a place that is safe, clean, attractive and a great place for business and activity.
- **30 respondents** want to see the precinct accessibility and diversity.

Respondents were also asked to explain their marker selection via an open text survey question. Their answers have been summarised into themes that appear multiple times with accompanying bullet points below.

Safety and Cleanliness was voiced 35 times. Respondents highlighted the following:

- Ensuring the area is safe is essential to encourage families and visitors to the precinct, especially during and after events.
- Maintaining a clean environment is crucial for attracting people and enhancing the overall experience at the oval.
- Addressing issues related to homelessness and anti-social behaviour is vital to improve the area's perception and safety.
- Lighting and spectator facilities can enhance safety and comfort for visitors.

Accessibility for All was voiced 32 times. Respondents highlighted the following:

- The Oval should be designed to be accessible to everyone, including individuals with disabilities, ensuring equal access to facilities.
- Providing facilities for service dogs, support workers, and health services can enhance accessibility and inclusivity.
- The precinct should cater to the diverse needs of the community, including cultural and religious inclusivity.
- Both accessibility and safety should be prioritized together, as they are not mutually exclusive.

Community and Health Services was voiced 28 times. Respondents highlighted the following:

- The Oval should serve as a multipurpose venue, offering recreational and social benefits to the community.
- Incorporating health services, including mental health and wellness facilities, can provide comprehensive support for the community.
- Enhancing community spaces for social gatherings and activities can foster a sense of belonging and community spirit.

Investment and Development was voiced 25 times. Respondents highlighted the following:

- Investment in the oval is needed to modernize facilities, including the grandstand and spectator amenities.
- Developing the precinct to attract a variety of events can enhance its economic viability and benefit local businesses.
- Balancing commercial interests with community and health priorities is crucial for sustainable development.
- A well-designed and aesthetically appealing precinct can attract visitors and enhance Fremantle's architectural appeal.

Balancing Tradition and Modern Needs was voiced 20 times. Respondents highlighted the following:

- While modernising, it's important to preserve the historical significance of the oval as a sporting venue.
- Incorporating local cultural elements can enhance the precinct's relevance and appeal to the community.
- The precinct should be designed for mixed use, accommodating both traditional sports and modern community needs.
- The development should consider urban design, environmental sustainability, and social inclusivity to create a vibrant and functional space.

NOTABLE SUBMISSIONS

The Community Engagement team received letters or submissions from the notable individuals expressing support or other feedback about the Fremantle Oval Precinct Redevelopment project. They have been attached in full below.

Good Afternoon City of Fremantle Mayor Ms Fitzhardinge, Councillors and CEO Mr Dougall,

RE: FREMANTLE OVAL PRECINCT REDEVELOPMENT MASTER PLAN COMMUNITY FEEDBACK

Thank you for giving the Fremantle Chamber of Commerce ("The Chamber") the courtesy of detailed stakeholder consultation around the exciting Fremantle Oval precinct redevelopment.

With over 125 years of history, it is important that this *once-in-a-lifetime project* is planned and executed meticulously for the future of Fremantle. This oval exists on a phenomenal landscape and brings extensive opportunities to reconnect the precinct and a sense of place for our Fremantle businesses and people.

This redevelopment can only be positive for future generations living, working and staying in Fremantle. There is opportunity everywhere within the proposed masterplan. It's going to be a magnet to draw new activities and a catalyst for considerable investment.

The Chamber is glad to see that this transformational development first and foremost gives the space back to the community and significantly improves the amenity. The vision shows the oval can represent both *the slow relaxed chill-freo-vibe, plus the complete opposite, the exciting pace*, that you can both expect from our unique Port city.

It is prudent for us at The Chamber to make sure we are ambitious with considerations, as these will provide invaluable return on investment for our businesses and visitors alike. The need for excellent community facilities is being taken into account; however, there are other key opportunities that The Chamber would like to ensure the City of Fremantle explores, given the lasting impacts of this project.

Items of important consideration below:

- Accommodation
- Childcare facilities
- Conference space/auditorium
- Corporate suites for games/concerts
- Extra change rooms for multiple sporting events in one day
- Modern facilities catering for female & all-abilities sport
- A playing arena where different types of sports and shows can be accommodated
- Full backstage or 'back of house' facilities to accommodate world class acts/performers
- Pre-set staging/concert infrastructure
- All accessibility playground

The critically important need for urgent accommodation to ease the housing crisis *must* go hand-in-hand with this redevelopment. This covering, rent to buy development, space for additional housing and student accommodation.

As we look to add density into Fremantle, it is vital to remember density requires activity and top amenities. The design must seamlessly integrate the surrounding areas and show it will be a precinct for all.

1

26/36

91/360

After reviewing the WACA oval redevelopment plans, you can see they are aiming to have the most inclusive ground in the world. They are reimagining how the community and visitors can interact with an oval space in future generations.

Let's align with their vision, as this will enable Western Australia to compete on the global stage for sporting and music events.

For example, the WACA development plans show a tunnel underneath, allowing for ease of bump in and bump out of large event infrastructure without huge impact on the surrounding roads or businesses. Have you had discussions with the likes of Perth Festival and Fringe Festival for the potential to bump in large spiegel tents?

The Chamber needs to reiterate that the build-phase impact to businesses needs to be heavily mitigated. Plus meeting project deadlines and budget must be meticulously adhered to.

Most importantly, case studies from other oval developments also need to be deeply taken into consideration. There are key learnings to be taken from the Claremont Oval redevelopment and most importantly the East Fremantle Oval redevelopment, given key design elements have now hamstrung the East Fremantle Football Club in many ways.

South Fremantle Football CEO Cameron Britt is excited about a project that will provide positive outcomes for so many in the community.

"As a proud member of the Fremantle Chamber of Commerce, South Fremantle Football Club is committed to designing and delivering a redeveloped Fremantle Oval as a destination for all. We look forward to a modern, reinvigorated, and vibrant venue for all users and participants, whilst enabling broad benefits for all precinct partners and local industry alike," said Britt.

Many thanks,

Mr Ivan Dzeba
Fremantle Chamber of Commerce
President

Ms Chrissie Maus GAICD FAIM WA
Fremantle Chamber of Commerce
Chief Executive Officer

The Fremantle Oval Precinct Redevelopment

Fremantle History Society Community Submission

May 2024

INTRODUCTION

This submission should be read as a supplement to the Fremantle History Society review of the Fremantle Oval Conservation Management Plan, 8 December 2023.

SUMMARY OF THE CONCLUSION

If the Fremantle Oval Precinct Masterplan is to be successful in achieving the City's stated aim of *providing a vision for development opportunities for new uses that leverage the precinct's city centre location and complement the precinct's heritage, sport health and tourism functions*, it must seek to achieve these aspirations in ways that positively embrace the opportunities that derive from the World Heritage Listing of Fremantle Prison.

Consequentially, the Fremantle Oval Precinct Masterplan should be written so that its recommendations clearly reconcile the precinct's contribution to the sustainable growth of the city centre with the principal need to conserve and enhance the Outstanding Universal Value (OUV) of the World Heritage listed Fremantle Prison.

This especially applies to the Precinct Masterplan's recommendations relating to setting. The stated objectives of the Fremantle Prison Heritage Management Plan include the following:

- to maintain a setting for Fremantle Prison that allows its heritage values to be read and understood, especially, but not exclusively, its OUV.
- to enhance the integrity of the setting of Fremantle Prison, especially having regard to its setting at the close of the convict era
- to manage the OUV of Fremantle Prison having regard to the Prison itself and to the buffer zone established around it by the World Heritage inscription.

- to enhance the physical, social and historical linkages between Fremantle Prison and the original Convict Grant
- to conserve the co-existing heritage values embodied by Fremantle Prison by balancing the primary need to conserve its OUV against the secondary need to conserve its National Heritage values and the tertiary need to conserve its state significance.

It is the History Society's view that there are opportunities to refine the recommendations of the Precinct Masterplan and ensure that the objectives of the Heritage Management Plan are achieved in ways which will support a sustainable regeneration of the city centre. The Society also believes that a successful reconciliation will most likely be achieved by re-establishing the open landscape that characterised the Convict Establishment during the convict period (1850–1886) and the Colonial/early State period (1886–1918).

The open landscape would enhance the physical, social and historical linkages between the precinct and the Prison. It would also provide the basis for aligning the objectives of the Fremantle Oval Precinct Masterplan with those of the Fremantle Public Open Space Strategy 2024 – 2034, particularly the need to address the challenges the city faces because of its declining provision of public open spaces.

The Fremantle History Society also strongly endorses the view of the Fremantle Prison Heritage Management Plan, which states that:

Fremantle Prison's status as a World Heritage place presents the Australian and Western Australian Governments, and the City of Fremantle, with opportunities to raise the profile of Australia's cultural heritage generally, and that of Fremantle Prison specifically. Together, they can give the place a function in the life of the community.

Fremantle Prison's status as a World Heritage place presents the Australian and Western Australian Governments, and the City of Fremantle, with a range of commercial opportunities, e.g. through tourism development.

THE FREMANTLE PRISON HERITAGE MANAGEMENT PLAN

An overarching principle of Fremantle Oval Precinct Masterplan should be to minimise **any** inconsistency between its recommendations and the policies of the Fremantle Prison Heritage Management Plan (HMP), prepared by Lovell Chen in 2019.

The HMP was prepared to meet the requirements of the Australian *Environment Protection and Biodiversity Conservation Act 1999* (EPBC Act) in relation to places listed on the World Heritage List (WHL) and National Heritage List (NHL).

The HMP prioritizes the imperative of retaining the landmark status of Fremantle Prison and , its monumental presence in the landscape. It recognises that this will place significant constraints on new built form and planting that may be proposed within the WHL buffer zone.

The HMP sits at the top of Fremantle Prison’s overarching management framework. Where there is an inconsistency between the HMP and other documents within that framework, HMP will prevail to the extent of the inconsistency. It is the view of the Fremantle History Society that this requirement should also apply to the Fremantle Oval Conservation Management Plan.

To achieve this the Masterplan for Fremantle Oval needs to support the type of collaborative approach to management and conservation advocated by the Fremantle Prison Heritage Management Plan. This is especially important in cases where policy development and management decisions may affect the co-existing heritage values attached to the Reserve.

This is particularly the case where there is the potential for conflict between the need to balance the imperative to conserve the place’s Outstanding Universal Value (OUV) against the conservation needs of its National Heritage values and State significance.

Fremantle Prison has exceptional integrity and is highly authentic. This is reflected in its inscription on the World Heritage List for its convict era values. Most of the buildings, fabric, spaces and elements associated with the convict-era (1851–86) construction, use and operation of Fremantle Prison are recognised as being of OUV.

IMPLEMENTING THE CITY’S VISION

With the relocation of the container port to Kwinana the transformative changes that Fremantle will need to undergo mean that there is a once in a generation opportunity to significantly rebalance the city centre in ways that will allow it to grow and accommodate an inclusive mix of uses which will attract people to live, work, and visit the city, thereby generating a diverse and vibrant environment that will help to ensure the area’s long-term viability and resilience.

History shows that places need to respond positively to change caused by often unpredictable social, economic, environmental, and technical developments. One lesson learnt is that successful places have

prospered in changing circumstances by being adaptable and, even though people may live, travel and work in very different ways, the basic structure of successful urban places remains largely unchanged since these places are well-connected and have not been designed to suit a very specific purpose. Their adaptability has allowed them to change while at the same time to retain their attractive sense of place.

Many town centres have benefitted from an increasingly fuller understanding of how conservation can present unique opportunities to create developments that offer attractive living and working conditions while adding to urban character and vitality. Conservation should be seen as an integral part of good urban planning, and it is through good urban planning that conservation and sustainable development can be mutually self-reinforcing.

The ease of getting to and from the city centre will enhance its attractiveness to regular users (residents, commuters who come to work every day, occasional shoppers, and tourists), and commercial interests (including retailers, developers, and new investors). Well-connected places should attract people who will in turn attract others by the interest and liveliness they bring.

The following quote from Jane Jacobs expresses the long-term benefits that would come from having a lively city centre extremely well:

Dull, inert cities, it is true, do contain the seeds of their own destruction and little else. But lively, diverse, intense cities contain the seeds of their own regeneration, with energy enough to carry over for problems and needs outside themselves. Jane Jacobs (The Death and Life of Great American Cities)

The Fremantle Oval Precinct Masterplan should be informed by a strategic urban design framework for planning the city centre in a comprehensive and connected way. It should provide the context for more detailed development briefs for places within the city centre while ensuring that they contribute to its overall sustainable growth.

The urban design framework must positively promote successful integration of new development within the more established parts of the city centre. One of its purposes should be to provide a framework for the timely enactment of creative and innovative policies and practices that will facilitate the delivery of sustainable patterns of development phasing throughout the city centre. Its aim should be to remove the risk of responses for the sake of expedience that miss opportunities to invest in actions that will set the framework for the long-term sustainable future for the city centre.

A fundamental principle of sustainable growth is to ensure a better quality of life for everyone, now and in the future. This does not mean that it is about supporting growth at any cost; its purpose is to deliver growth that sustains the best qualities of existing places while also providing opportunities to pursue the interdependent objectives of social progress, economic well-being, and environmental protection in mutually supportive ways. Consequentially, a successful regeneration of the city centre will not

depend solely on the aesthetic qualities of its buildings and spaces but also by how well they function in support of the physical and non-physical aspects of ordinary, everyday urban living. Achieving a long-term sustainable future for Fremantle will require not only an understanding of the challenges it faces but also an appreciation of the many strengths that it has inherited from the past. Fremantle's cultural and historic assets, the quality of its streets and public places and its spirit of creativity are things that will attract businesses and allow them to develop and thrive in ways that will generate interest and attract locals and visitors.

The overarching principle guiding the redevelopment of the city centre should be that the things that are intended to make it prosperous must be the same as the things that will make it an attractive and enjoyable place to live, work and visit.

Fremantle's city centre should set the tone for a successful and sustainable revitalisation of the city and the lives of its diverse communities. The city centre should be promoted as a place for people, where community facilities and services are inclusive and accessible by walking, cycling or public transport through an efficient and interconnected movement network.

Higher housing densities can be an emotive subject, particularly amongst local communities that are understandably concerned about the legacy of past attempts at urban regeneration. The community may worry about increased density in its area because of a loss of privacy, reduction of both public and private open space, proximity to neighbours, restriction of sunlight and daylight, overshadowing and overlooking. These are all problems that can result from poorly planned high-density development, leading inevitably to many questions being raised, including its appropriateness as a setting in which to bring up children.

When planning the regeneration of the city centre the focus must be on making better use of land in ways that ensure that it becomes an attractive place to live, work and socialise.

What often gets lost in the debate about densification is that, if done properly, a compact higher density in an inclusive, urban environment can deliver many benefits to the existing local community. Intensifying land use can deliver the critical mass of people needed to support successful and more diverse local services, as well as better social and transport infrastructure. Combining an inclusive mix of commercial, leisure and retail activities with residential uses can also deliver a more vibrant environment and ensure their long-term viability.

Higher density areas can therefore also deliver many benefits to the existing residents

The city centre has the potential for permanent residential growth which could play an important role in the regeneration of the area. What should not be ignored is the critical need for long-term accommodation that provides for the needs of families.

An increase in good quality residential developments designed for families depends on planning and urban design having a stronger, more inclusive, community focus. Achieving this would change perceptions of the area. It could, for example, stimulate an increase in the provision of family orientated health and community facilities, schools, shopping and services, leisure, sports, and safe open spaces for children to play. The overall effect would be to make the city centre a more sociable and safer place to live and, in turn, this could lead to a re-evaluation of the community benefits of urban living, plus a rediscovery of how enjoyable urban living can be.

CONCLUSION

This integrated vision for the city centre will require a coherent, co-ordinated, and consistent approach to a whole range of issues, including a positive long-term strategy for conserving, sustaining, and enjoying its inherited character. The Masterplan for the Fremantle Oval Precinct should be seen as part of the process.

Re-establishing the open landscape that characterised the convict era should be seen as a positive requirement, and one that would help to establish the right conditions for sustainable revitalisation of the city centre. It would provide a robust foundation for managing change in a consistent, comprehensive, and integrated way.

Re-establishing the historic open landscape of the precinct in accordance with the policies of the Fremantle Prison Heritage Management Plan would provide the basis for aligning the objectives of the Fremantle Oval Precinct Masterplan with those of the Fremantle Public Open Space Strategy 2024 - 2034.

The introduction of the Public Open Space Strategy states:

In today's rapidly changing world, public open spaces serve as vital sanctuaries, providing communities with places for recreation, relaxation, social interaction, and connection with nature. As population growth, climate change, and urbanisation pose significant challenges, the value of these spaces becomes increasingly evident.

A stated purpose of the Strategy is to provide a clear strategic direction and framework for the provision and management of public open space within the City. In doing so, *the Strategy recognises the challenges the city faces because of its declining provision of public open space per person and the limited opportunities there are for the acquisition new public open space.*

The masterplanning of the Fremantle Oval Precincts has to be part of the process for increasing the provision of public open space, in proportion to the proposed increase in the number of people living and working in the city centre.

A further stated purpose of the Fremantle Public Open Space Strategy *is to provide an informing strategy in the context of the City's Integrated Planning and Reporting Framework.* To achieve this the Strategy must align with the City's vision. It is therefore of fundamental importance that the Strategy be revised so that the importance of the contribution made by Fremantle's heritage to its reputation as a *destination city* is acknowledged. Furthermore, the stated City's Vision should be revised to emphasise the need to conserve and sustain Fremantle's built heritage and historic character.

The re-development of the Fremantle Oval precinct would also potentially provide opportunities for site-responsive design that balances the need for additional community facilities which would make a positive contribution towards a sustainable revitalisation of the city centre while also ensuring that these changes reflect and enhance the area's heritage values.

The Strategic phasing of the redevelopment of the Fremantle Oval Precinct must ensure that intrusive structures, planting and buildings and infrastructure are removed before they become permanently embedded as a barrier to re-establishing its openness and accessibility.

Good design depends on a thorough understanding of place and context and then responding to its positive characteristics. Understanding context is particularly relevant when assessing whether a place has greater value for being part of a larger entity or for sharing characteristics with other places. New development on the southern edge of the precinct should be informed by the designs of the state registered buildings that face onto South Terrace. The new police station complex should not be accepted as a precedent for new development.

Re-establishing the open landscape of the Fremantle Oval Precinct would help to maximise the opportunities generated by its central city location, particularly its location on the western edge of the buffer zone of the World Heritage Listed Fremantle Prison. Improving the Prison's visual connections with the Oval and other part of the city centre would increase its exposure and thereby, as stated in the conservation plan, increase the opportunities that Fremantle prison *presents to the Australian and Western Australian Governments, and the City of Fremantle, to raise the profile of Australia's cultural heritage generally, and that of Fremantle Prison specifically. Together, they can give the place a function in the life of the community. Fremantle Prison's status as a World Heritage place presents the Australian and Western Australian Governments, and the City of Fremantle, with a range of commercial opportunities, e.g. through tourism development.*

3 June 2024

Fremantle Oval Precinct Redevelopment Masterplan

TO WHOM IT MAY CONCERN

I have only one suggestion for any revamped Fremantle Oval plans.

I have been informed that certain edifices will be removed, such as the George Grljusich Media Box.

I wish to add my voice to others calling for adequate retention of the George Grljusich name in any future Media Centre replacement, and urge decision-makers to respect the current public prominence of today's site.

I base my strong support for such decision-making on Landgate's Policies and Standards for Geographical Naming in Western Australia. {Section 1.4.2 'Use of personal names.'}.

The following information shows that the late George Grljusich easily qualifies for public recognition in the following terms.

1. George Grljusich has been deceased for more than 10 years.
2. The immediate Grljusich family support the retention of the George Grljusich name in a prominent position in any redevelopment of the ground.
3. George Grljusich has a demonstrated record of achievement in media, especially in major sporting events at Fremantle Oval.
4. No dispute exists that George Grljusich had a 'direct and long-term association' with Fremantle Oval and its immediate surrounds. His Australia-wide promotion of Fremantle in his sporting reports and his long-term voluntary fund-raising for sporting clubs, CBC School, Fremantle Hospital and major users of Fremantle oval is legendary.
5. George Grljusich has both a national and international reputation through his world-class media coverage of Olympic Games, Commonwealth Games, World Title Fights, major Australian and International pacing events, to name a few. His connection to the principal users of Fremantle Oval – South Fremantle Football Club today and the Fremantle Dockers in the past – gives him a 'direct association with the area' in which any media centre would be located.
6. A prominent position, building, or new media centre, using the name George Grljusich to symbolise any replacement edifice, street, or amenity at a revamped Fremantle Oval 'is in the public interest.'
7. Evidence is unchallenged that there exists 'broad community support' for retaining the George Grljusich name prominently in a key public place consistent with any redevelopment of Fremantle Oval simply shown by the pre-existing acclaim for his name adorning the central media building that will be removed in any redevelopment.

It is important to note that Landgate endorses the naming of buildings to honour individuals who ‘deserve recognition in a visible and enduring way’ who have been recognised in their field ‘for at least 10 years.’ George Grljusich has led his media field of endeavour for more than half a century.

I conclude by pointing out that in 1.1.4 the Landgate guidelines urge no unnecessary name changes and discourages ‘any change to an existing approved name.’ They point out that any official names, such as the George Grljusich Media Box, “are meant to be enduring.”

Thank you for receiving this submission, albeit a small but important part of any decision-making surrounding the future layout and use of Fremantle Oval.

SURVEY QUESTIONS

Fremantle Oval Precinct Redevelopment Masterplan - Community Fremantle : Survey Report for 29 April 2015 to 23 June 2024

Q1 | Where do you live?

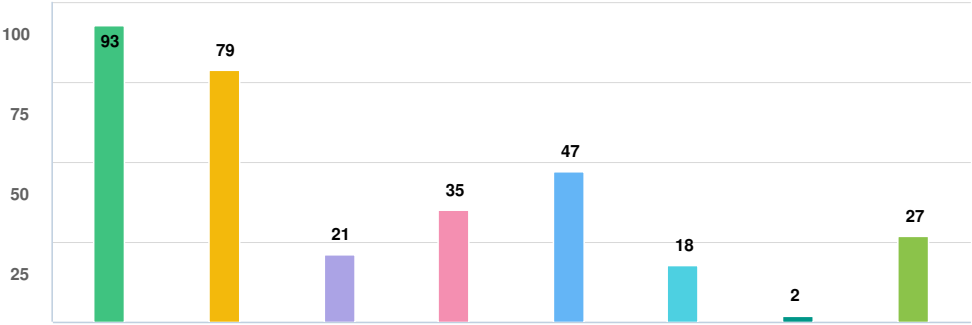

Question options

- Beaconsfield ● Fremantle (Central) ● Hilton ● North Fremantle ● O'Connor ● Samson
- South Fremantle ● White Gum Valley ● Rather not say ● Other (please specify)

*Mandatory Question (163 response(s))
Question type: Checkbox Question*

Fremantle Oval Precinct Redevelopment Masterplan - Community Fremantle : Survey Report for 29 April 2015 to 23 June 2024

Q2 Please tell us about you. Which of the following do you identify as? Select all that apply.

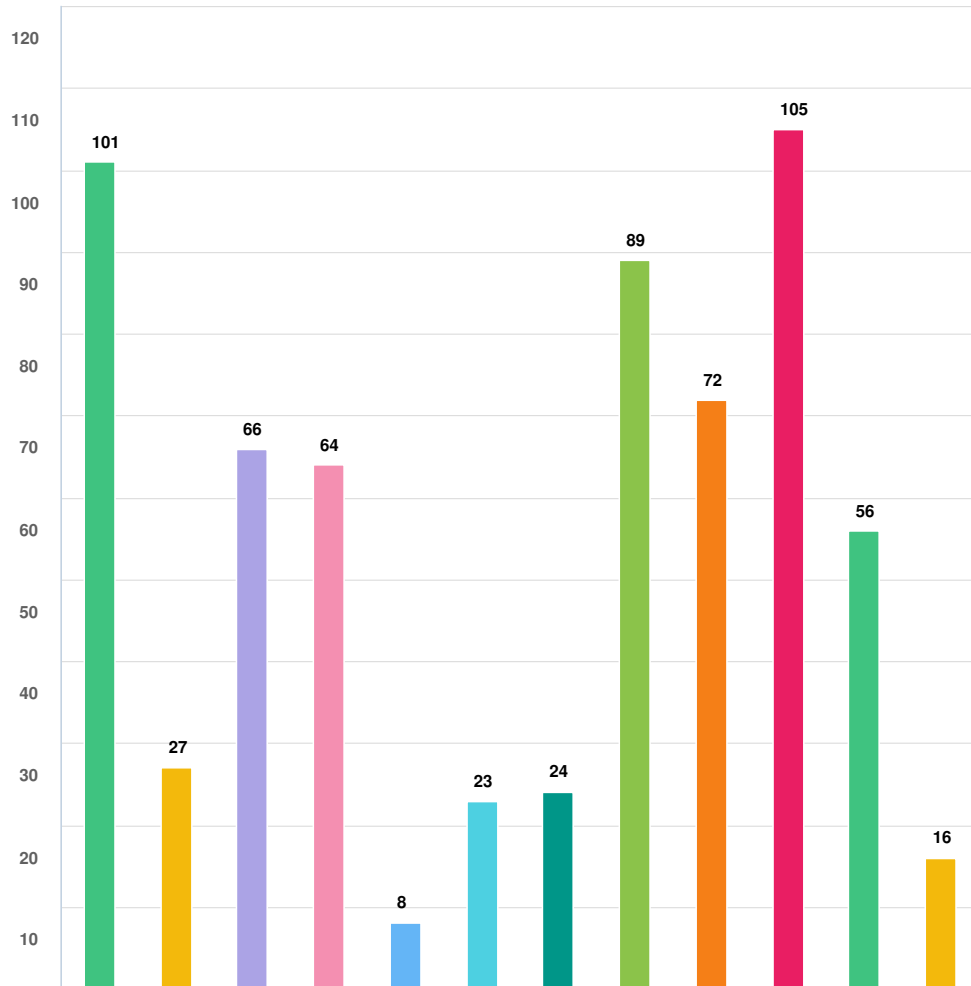

Question options

- Resident
- Ratepayer
- Business Owner
- Fremantle Dockers Member
- South Fremantle Football Club Member
- Visitor
- Rather not say
- Other (please specify)

*Mandatory Question (163 response(s))
Question type: Checkbox Question*

Fremantle Oval Precinct Redevelopment Masterplan - Community Fremantle : Survey Report for 29 April 2015 to 23 June 2024

Q3 How do you currently engage with the Fremantle Oval Precinct? Select all that apply.

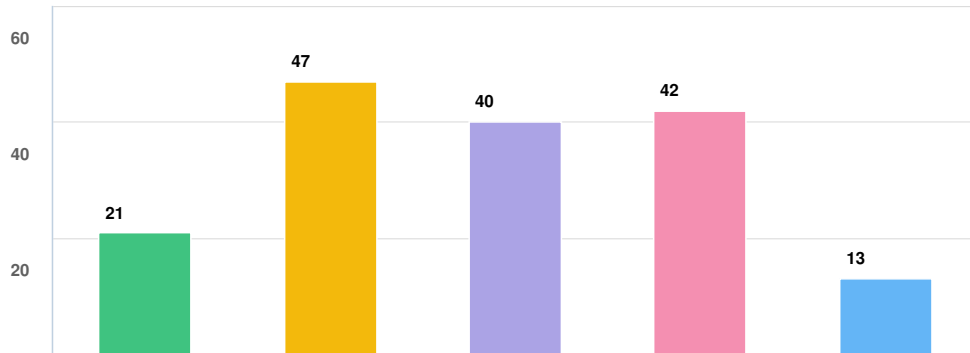

Question options

- Walking through the precinct ● Cycling through the precinct ● Driving through the precinct
- Car parking at the Oval or within the precinct ● Dog walking at the Oval or through the precinct
- Work in a business within the precinct ● Personal exercise at the Oval or within the precinct ● Dining within the precinct
- Shopping within the precinct ● Attending an event at the Oval or within the precinct
- Member of a sporting club at the Oval ● Other (please specify)

*Mandatory Question (163 response(s))
Question type: Checkbox Question*

Fremantle Oval Precinct Redevelopment Masterplan - Community Fremantle : Survey Report for 29 April 2015 to 23 June 2024

Q4 How often do you visit the Fremantle Oval Precinct?

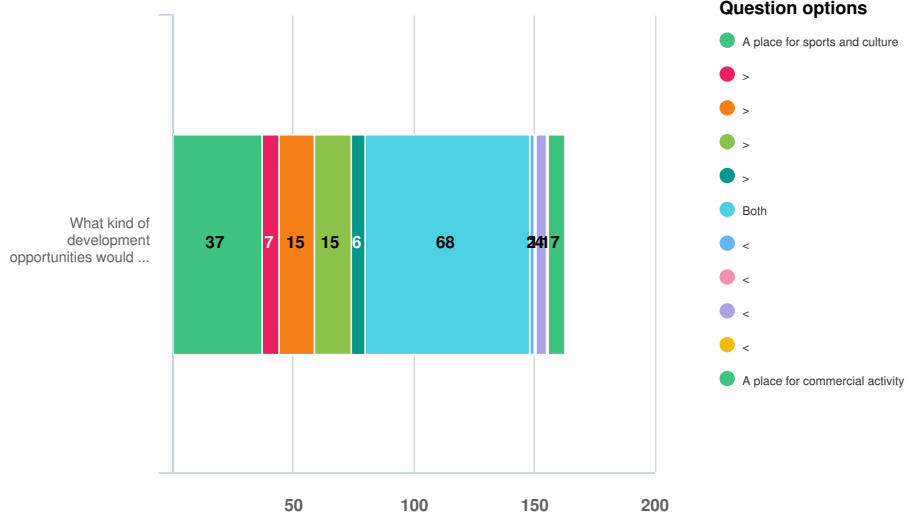

Question options

- Daily
- 2-3 times a week
- Weekly
- Sometimes
- Other (please specify)

Mandatory Question (163 response(s))
Question type: Checkbox Question

Fremantle Oval Precinct Redevelopment Masterplan - Community Fremantle : Survey Report for 29 April 2015 to 23 June 2024

Q6 | Can you tell us more about your marker selection?

Screen Name Redacted
3/15/2024 02:27 PM

Oval is primarily a sports facility; any commercial ventures should be connected to sports e.g. sports physios

Screen Name Redacted
3/15/2024 02:32 PM

I am not very interested in sport but appreciate that other people are. however I very much appreciate the history of the site and think it is very valuable as a civic space.

Screen Name Redacted
3/15/2024 02:47 PM

AFL..... The city needs people to spend money there

Screen Name Redacted
3/15/2024 03:03 PM

Obviously a sports oval, but opportunity for some commercial activity on the exterior.

Screen Name Redacted

historically a place for community gatherings and sports and must

Fremantle Oval Precinct Redevelopment Masterplan - Community Fremantle : Survey Report for 29 April 2015 to 23 June 2024

3/15/2024 03:29 PM	remain so
Screen Name Redacted 3/15/2024 04:12 PM	An inclusive environment. An affordable engaging atmosphere for all.
Screen Name Redacted 3/16/2024 09:52 PM	Maintain historical frontage & Pavillion grandstand. Make the oval surrounds & changerooms more " womens" for AFWL. Have more wheelchair accessible pathways/for elderly with walkers or people with limited mobility.
Screen Name Redacted 3/17/2024 11:12 AM	Fremantle need commercial development to help support the Council coffers
Screen Name Redacted 3/18/2024 03:27 PM	AREA SHOULD BE SPRTS FOCUSED WITH OTHER ACTIVITIES WHEN SPORT IS NOT PLAYED,,,,IE NIGHTS AND OFF SEASON.
Screen Name Redacted 3/18/2024 04:46 PM	Sports and culture is limited and not financially viable to have only those so commercial interests also need to included that can add an experience to the precinct
Screen Name Redacted 3/18/2024 07:32 PM	Sport and culture should have priority, but commercial activity also has a place.
Screen Name Redacted 3/18/2024 07:56 PM	I believe restaraunts, cafes, gyms could be accessed by the community...as per east freo oval redevelopment
Screen Name Redacted 3/18/2024 09:03 PM	Needs 7 day per week activity along with major events/sport.
Screen Name Redacted 3/18/2024 09:43 PM	The location is iconic and should reflect community values and embrace freo's identity. Freo acknowledges First Nations people, loves football, is gender neutral and delivers excellent health services - as well as commercial opportunities
Screen Name Redacted 3/19/2024 11:00 AM	I prefer it be left as primarily as a football ground, and possibly other community events, concerts etc
Screen Name Redacted	Its important to activate futher active and connect the are without

Fremantle Oval Precinct Redevelopment Masterplan - Community Fremantle : Survey Report for 29 April 2015 to 23 June 2024

3/20/2024 08:13 AM	damaging what makes it a World Heritage Precinct
Screen Name Redacted 3/21/2024 09:03 AM	Not a fan of sports. But understand it's an oval.
Screen Name Redacted 3/21/2024 02:58 PM	Mixed use in equal proportions seems like a good outcome.
Screen Name Redacted 3/22/2024 08:27 AM	Just sporting oval and gym. Other areas in Fremantle need fixing, so these can be commercial,
Screen Name Redacted 3/22/2024 08:41 AM	I believe heritage values can only be appreciated if they are engaged with by the public, as such, the commercial ventures that take place at the oval precinct should be balanced against the significance of the location and sustainability of the ventures, the commercial operations should feed back into the community, and be grass roots based and engage with themes/ topics that are discussed within the stakeholder consultation period. Facilities should be built for the people using them and should be modular to allow for bigger events without installing temporary infrastructure, in particular public toilets should be incorporated and sustainable.
Screen Name Redacted 3/22/2024 08:53 AM	Fremantle is loosing its old charm keeping this a sports precinct will hold to the heart of what Fremantle is; community minded and passionate
Screen Name Redacted 3/22/2024 09:58 AM	My wife and I use the fitness centre at least 3 days a week. I feel the heritage and cultural value should be retained but some controlled commercial activity is also beneficial for return on investment.
Screen Name Redacted 3/22/2024 09:59 AM	I don't want to lose the feel of the oval as a community gathering place. The spring into fitness gym is an iconic part of the area and has been for many, many years.
Screen Name Redacted 3/22/2024 10:05 AM	I think the arena can be used for commercial use, sprinters gym should be a factor in the commercial activity being a long term freo family orientated business along with other businesses that will be beneficial to freo ratepayers
Screen Name Redacted	Long time member of south Fremantle football club and gym member

Fremantle Oval Precinct Redevelopment Masterplan - Community Fremantle : Survey Report for 29 April 2015 to 23 June 2024

<p>3/22/2024 10:51 AM</p>	<p>at spring into fitness Always go to the Fremantle markets when open. All footy games including women's game at oval</p>
<p>Screen Name Redacted 3/22/2024 11:00 AM</p>	<p>Question 8 option to scroll right to see options isn't displaying clearly, which could contrive responses. Community and commercial activity aren't mutually exclusive. The aim should be to retain the current community-focused, family-owned and run gym within the precinct and not have it supplanted by an external chain or franchise provider.</p>
<p>Screen Name Redacted 3/22/2024 04:44 PM</p>	<p>The oval is on the old convict establishment grant. There is a long history of sports in the location. The location next to the markets makes it ideal to expand cultural activities in the area. The history of this section of the town is poorly told with incredibly rare buildings such as the Knowle being hidden or eclipsed by poor urban planning, inappropriate planting of large trees has occurred over time; roads have been built in locations where they disconnected places once connected. This is an opportunity to re-established meaningful connections,</p>
<p>Screen Name Redacted 3/25/2024 11:55 AM</p>	<p>IMO the precinct needs to remain focused on sport and recreation, providing the community with open space whilst continueing to offer community based fitness facilities like the current Spring into Fitness. It must also remain a facility for South Fremantle Football club but also have the ability to offer modern facilities to allow AFL / AFLW matches</p>
<p>Screen Name Redacted 3/25/2024 02:07 PM</p>	<p>Presently the oval is used spasmodically since the Fremantle Dockers left. It is a wonderful space that could bring the community together more.</p>
<p>Screen Name Redacted 3/25/2024 03:54 PM</p>	<p>Understand that commercial activity is an important part of revenue but a mostly sports and culture development would be nice.</p>
<p>Screen Name Redacted 3/26/2024 09:27 PM</p>	<p>It is a sports oval and precinct, not a commercial business hub</p>
<p>Screen Name Redacted 3/26/2024 10:23 PM</p>	<p>The oval should attract more than just sports and culture to be sustainable.</p>
<p>Screen Name Redacted 3/28/2024 05:50 PM</p>	<p>Fremantle is synonymous with both sport and cultural history. You can't have a Fremantle without both of these. A redevelopment of</p>

Fremantle Oval Precinct Redevelopment Masterplan - Community Fremantle : Survey Report for 29 April 2015 to 23 June 2024

SFF oval will bring better sporting opportunities to Fremantle city and a redevelopment of the surrounding businesses and buildings will bring money from the tourists and then the sporting fanatics that like to have dinner and a drink after the game. Very similar to how the Sail and Anchor used to be in the 1980's after a Souths game. Very friendly and bustling.

Screen Name Redacted

3/28/2024 05:56 PM

Need to have site make some return

Screen Name Redacted

3/30/2024 07:06 PM

The Oval is for sport as it has been for 120 years.

Screen Name Redacted

4/01/2024 02:33 PM

For an activated urban setting you need a bit of everything

Screen Name Redacted

4/03/2024 12:10 PM

A balance of commercial and sporting would make the precinct accessible for all.

Screen Name Redacted

4/03/2024 03:47 PM

Needs to be able to sustain itself commercially

Screen Name Redacted

4/03/2024 03:55 PM

It has historical significance as the sporting oval

Screen Name Redacted

4/03/2024 04:30 PM

I firmly believe that a celebration of sport and culture must remain the priority for this precinct. Commercial gain will come through the strength of the other two factors. The history of the site must be celebrated.

Screen Name Redacted

4/03/2024 04:39 PM

scale is not clear should be commercial development and parking

Screen Name Redacted

4/03/2024 05:04 PM

Would like to prioritise sports and culture above commercial activity - although understand the precinct needs to be financially sustainable, which may involve commercial activity to supplement. Fremantle already has lots of bars, restaurants, shops etc so any commercial activity should be unique to the oval where possible.

Screen Name Redacted

4/04/2024 07:29 AM

The oval is for the public, not for commercial interests which would inevitably alter the nature and experience of the precinct

Fremantle Oval Precinct Redevelopment Masterplan - Community Fremantle : Survey Report for 29 April 2015 to 23 June 2024

Screen Name Redacted 4/04/2024 08:12 AM	Primary focus needs to be a sports facility. Too much commercial development and influence (ie Claremont) can ruin the game day atmosphere, making for a less enjoyable experience for spectators, players, and other users.
Screen Name Redacted 4/04/2024 12:29 PM	Womens sports need appropriate facilities and venues. Fremantle Oval should be an elite sports performance venue as well as a cultural centre embracing all there is about Fremantle and it's history.
Screen Name Redacted 4/05/2024 12:14 PM	I believe there is scope for complementary activities to accommodate both options and ensure the viability, use and sustainability of the precinct.
Screen Name Redacted 4/06/2024 12:22 PM	Excellent position for both sport and recreation
Screen Name Redacted 4/11/2024 10:36 AM	N/A
Screen Name Redacted 4/17/2024 03:35 PM	Sport needs to be the focus What has culture got to do with the sporting club unless you mean sport culture
Screen Name Redacted 4/24/2024 09:06 AM	Fremantle Oval is a place i feel is like home to me, it has a value to all stakeholders.
Screen Name Redacted 4/24/2024 11:40 AM	I would like to a multi purpose facility that encourages small businesses & also a state of the WAFL venue which can host major events. The precinct is terribly under-utilised & could be a landmark for the city of Freo.
Screen Name Redacted 4/24/2024 11:41 AM	The centrally located sports facility provides a unique opportunity to bring people into the heart of the city.
Screen Name Redacted 4/24/2024 11:58 AM	historic oval that attracts sports fans from all across perth
Screen Name Redacted 4/24/2024 12:38 PM	I think there is room for sport and business to combine to make it a vibrant healthy precinct. Have opportunities for offices facing tge

Fremantle Oval Precinct Redevelopment Masterplan - Community Fremantle : Survey Report for 29 April 2015 to 23 June 2024

street under newly developed or renovated grandstands. Maybe business' that align with sport such as gyms or health food shops.

Screen Name Redacted
4/24/2024 01:42 PM

To bring the people of Fremantle together through events at our community oval

Screen Name Redacted
4/24/2024 03:20 PM

It should be a sporting oval first and foremost, with integrated sporting facilities (Physio/gym/allied health) residences to make it a one stop shop

Screen Name Redacted
4/25/2024 12:54 AM

My son is a 5th generation bulldog supporter The ground should be kept as a sporting oval (afl) to preserve some of Fremantle history, the waff and ensure junior footy keeps producing the talent we have seen for years

Screen Name Redacted
4/25/2024 12:46 PM

South Fremantle Football Club has an iconic place for generations of Family and history to the Club. My father played for South Fremantle and was the Captain of the undefeated Reserves side the same year as the Colt and League were successful. John Todd always asks after my father who is unfortunately unable to attend the Club as he is 93 years old and resides in Mandurah. My Mother is a life member and I was fortunate to take her to get her recognition 12 months before she passed away. Its a place that you come to watch WAFL and also be able to engage and share stories. Its a place where you can catch up with old and new friends. I married a Collard and when we met he was playing colts for South Fremantle. The Indigenous players that played for South Fremantle have been some of the most famous and best players to ever put ion a SFFC Guernsey. As Peter Waltham at the Presidents Lunch recently was asked who was the best footballer he had ever known,of course was Steven Michael. I was also fortunate to have known the Mr Magic Maurice Rioli as he was married to my husbands sister. I would like to see the Club retain its place for sport and Culture and it is rich with history and good times, and once again become that great game ,grass roots game that we grew up with and still love.

Screen Name Redacted
4/25/2024 08:43 PM

Fremantle Oval is an incredibly valuable green space with allowing sporting, cultural and commercial activities within the Historical Port City of Fremantle.

Screen Name Redacted
4/26/2024 02:28 PM

Please refer to official letter from the Fremantle Chamber of Commerce (FCC) pertaining to the Fremantle Oval precinct

Fremantle Oval Precinct Redevelopment Masterplan - Community Fremantle : Survey Report for 29 April 2015 to 23 June 2024

	redevelopment.
Screen Name Redacted 4/28/2024 06:46 AM	N/A
Screen Name Redacted 4/29/2024 03:51 PM	The prominent location should remain strongly focused on sport, but should also include opportunities for generating income throughout the week
Screen Name Redacted 4/30/2024 05:05 PM	Fremantle already has lots of great places for Commercial and retail activities. Need to modernise our sporting heritage
Screen Name Redacted 5/01/2024 10:23 AM	I'm thinking like what Optust Stadium is primarily used for, sport and culture being concerts/bands ect. I'm not exactly sure what type of commercial activity so am dubious about this.
Screen Name Redacted 5/02/2024 01:19 PM	It is a football ground and it should have a priority for all sports. So summer and winter people can walk through and see community sport or other activities. For sport it creates a great example for being active. It needs to be closer to 20k capacity and it will take events off Leederville oval waca and Showgrounds. That is really important
Screen Name Redacted 5/02/2024 01:41 PM	WOULD HOPE TO SEE ADDITIONAL COMMERCIAL BUSINESS'S THAT INTERWIND WITHIN THE FOOTBALL CLUB FRAMEWORK
Screen Name Redacted 5/03/2024 10:45 AM	The surrounds of the oval could do with a lot more activation - particularly the side facing the prison and Fothergill Street. This is not an appealing route for those on the other side of Hampden road to transit after dark, and improved activation could make an important contribution to local connectivity to the city centre for people east of Hampton road.
Screen Name Redacted 5/04/2024 09:24 AM	The more use out of the oval the better.
Screen Name Redacted 5/05/2024 04:53 PM	Sports, community, history of the oval and surrounds shouldn't be forgotten and should be enhanced and made known.
Screen Name Redacted	I think a mix of residential and commercial should be attractive to

Fremantle Oval Precinct Redevelopment Masterplan - Community Fremantle : Survey Report for 29 April 2015 to 23 June 2024

5/06/2024 12:54 PM	developers.
Screen Name Redacted 5/06/2024 06:02 PM	We require a blend of residential, commercial and retail.
Screen Name Redacted 5/13/2024 05:40 PM	I'd like the emphasis to be on it being a sporting hub.
Screen Name Redacted 5/13/2024 06:24 PM	More sports facilities
Screen Name Redacted 5/15/2024 03:57 PM	More diverse usage
Screen Name Redacted 5/17/2024 10:59 AM	I believe there is room for both. Commercial activity, e.g cafe will draw people to look further
Screen Name Redacted 5/17/2024 08:15 PM	I support development providing it is accessible to everyone in the community and the heritage of the buildings is restored and forms part of the development
Screen Name Redacted 5/17/2024 08:57 PM	More commercial activity (not bars/pubs) make areas more active... restaurants... hotels... maintain foot traffic and in turn make areas safer. The Esplanade skate park is great- it would be better if there were some cafes close by.
Screen Name Redacted 5/20/2024 05:56 PM	Would not like to see the Oval swamped by commercial development drowning the inherent traditional heritage and value of the place.
Screen Name Redacted 5/22/2024 06:26 PM	Yes, community sport first and other commercial activities, such a concerts, festivals and business ventures second.
Screen Name Redacted 5/24/2024 11:11 PM	The heritage of the SFFC must be preserved above anything else. Just look at the EFFC redevelopment and do the exact opposite! The SFFC must have a massive undercover area for members to comfortably sit without getting wet. There must be a an SFFC museum and a living breathing football club that looks after members.
Screen Name Redacted	It needs multi functional use

Fremantle Oval Precinct Redevelopment Masterplan - Community Fremantle : Survey Report for 29 April 2015 to 23 June 2024

5/27/2024 11:24 AM

Screen Name Redacted

5/27/2024 07:57 PM

I would like to see Fremantle Oval remain a football oval. Updated if necessary.

Screen Name Redacted

5/28/2024 11:10 AM

Having both should suit everyone a place to meet an extension of free markets with huge open air markets in summer traders would come from everywhere

Screen Name Redacted

5/28/2024 11:12 AM

It;s a sports ground leave it alone.

Screen Name Redacted

5/28/2024 12:07 PM

Fremantle Oval is in such a prime location to be used as mixed use. I would love to see music festivals return in the warmer months like there used to be in the 90,s and early 2000's. Having commercial interest that can fund the maintenance and ongoing improvements to facilities would be great. Football has been part of that oval since the 1800's and is a priority to keep going. I would love to see facilities improved so that the mens Fremantle Dockers team can return to their true home ground. Facility upgrades will also secure the women's AFLW home games to keep being played here and seating should be added to the opposite wing from South Fremantle FC's stand. I'm strongly opposed to housing around the ground and should be open to public all around the ground. The carpark should also remain as it's and old tradition that still exists inn the country to be able to park at your local footy oval.

Screen Name Redacted

5/28/2024 01:55 PM

Try to obtain as much revenue as possible for ongoing support of the development

Screen Name Redacted

5/30/2024 08:24 AM

Commercial activity can bring longer period of use thru to evenings which can increase safety, community use and green space is desperately needed in the area

Screen Name Redacted

5/31/2024 02:01 PM

There are a few commercial activities which should be encouraged that are associated with the sport and culture

Screen Name Redacted

5/31/2024 03:22 PM

Commercial world be fine as long as it doesn't adversely impact the football programs... its core purpose

Screen Name Redacted

Football has been the foundation of Fremantle oval since long before

Fremantle Oval Precinct Redevelopment Masterplan - Community Fremantle : Survey Report for 29 April 2015 to 23 June 2024

5/31/2024 06:00 PM

any of us were born. This is the number one priority to ensure we pay homage to the millions of times people walked through those gates over the past 100 years... Millions! South Fremantle club house needs to be significantly upgraded to accommodate not only South Fremantle but also facilitate community events. Please do not use the model adopted at East Fremantle oval.

Screen Name Redacted

5/31/2024 07:31 PM

sports cant survive without making money so sport is the priority with an all year round commercial development included.

Screen Name Redacted

5/31/2024 09:18 PM

My Uncle Peter Collis was the Official Photographer for South Fremantle Footy Club and lived and breathed the Red and White from childhood. He passed away suddenly in 1991 and there is a Memorial plot for him situated at the Stan Reilly/ Hospital end of the ground. A lot of my family, myself included, still go to pay our respects when in Fremantle on a regular basis. My family has strong ties to Fremantle with my parents both growing up and living in the suburbs of Hilton Park and East Fremantle. There is no way that our family would want to stand in the way of progress, we only hope that we will be notified or consulted should our love ones Memorial have to be moved.

Screen Name Redacted

6/01/2024 10:46 AM

Multi use precincts have more vibrancy and make use of the space more consistently.

Screen Name Redacted

6/01/2024 12:45 PM

Please make the oval a dog friendly precinct, especially for football game day. I think WAFL games would attract more people if they can take their dog into a designated area of the venue.

Screen Name Redacted

6/01/2024 02:35 PM

It's a good balance to attract community and opportunities for small business and tourism.

Screen Name Redacted

6/01/2024 04:05 PM

better use of the food and beverage facilities for walk in

Screen Name Redacted

6/01/2024 09:46 PM

I want it to be upgraded to be like hbf park for the rugby there needs to be more shade better seating the southern building behind the southern goals need to be redeveloped more toilets north eastern access gates need to be used again in my opinion need to use the old grandstand more upgrade the club house maybe add grass keep the northern goals under cover area put seating in basically take inspiration for hbf park for the rugby add more trees make new car parking maybe behind the goals on the southern side in front of

Fremantle Oval Precinct Redevelopment Masterplan - Community Fremantle : Survey Report for 29 April 2015 to 23 June 2024

where a pub or some sort of hospitality thing should be upgrade the light towers to have flashing lights like Optus pretty much take inspiration from und park put gym in for the public maybe on the southern side connecting freeo hospital and ground or maybe put some cafes behind the goals Also near freeo beach could u please put some wooden tables in near the beach and in freeo in general please because families and anyone in general can't have picnics because at this stage there is no seating areas and bbqs

Screen Name Redacted
6/03/2024 05:55 PM

Cater for everyone as the location is so central

Screen Name Redacted
6/03/2024 06:13 PM

I would like to see businesses, particularly small/local businesses, have an opportunity to add to the offering in the precinct, but don't want it to be too commercial or with lots of chain stores - the community feel is important.

Screen Name Redacted
6/03/2024 08:21 PM

Historically this has always been an important place for sport and culture within WA, it would be a great shame to prioritise commercial activity, especially when there is so many great commercial offerings already within close proximity

Screen Name Redacted
6/04/2024 11:14 AM

Temporary cimmercial e.g. markets and cultural e.g. low key music festivals a la Balingup/mini Fairbrudge ..NOT high voltage high noise screamers!

Screen Name Redacted
6/04/2024 11:54 AM

Both on the basis that it doesn't interfere with sporting events. Commercial activity would help support the finances of sports and culture which are not always sound.

Screen Name Redacted
6/04/2024 03:01 PM

No independent commercial activation should be contemplated. Commercial services should be events oriented.

Screen Name Redacted
6/05/2024 01:39 PM

We are new to WA and always loved the vibe of the Fremantle and indigenous factor there and in WA. We went to a game on Sunday and the crowd was electric and loved the way it focused on the family atmosphere after each quarter and around the grounds. We have not witnessed this for so long due to so many changes sine the world changing. It has depth, character and heritage which is what Perth shows us

Fremantle Oval Precinct Redevelopment Masterplan - Community Fremantle : Survey Report for 29 April 2015 to 23 June 2024

<p>Screen Name Redacted 6/06/2024 06:19 PM</p>	<p>There is already the market. Would be good to have a demarcation in the commercial aspects</p>
<p>Screen Name Redacted 6/09/2024 02:53 PM</p>	<p>My sense is that investment should be towards housing and community facilities. We have plenty of commercial active around Fremantle - we desperately need housing, and density in our population. A sports field is useful, and a place to have infrequent concerts, but housing is what we need.</p>
<p>Screen Name Redacted 6/09/2024 04:17 PM</p>	<p>It would be great to have something like the south freeo farmers market available & I enjoy attending music & footy games there. I don't understand commercially what would benefit me at an oval.</p>
<p>Screen Name Redacted 6/09/2024 06:51 PM</p>	<p>There's plenty of commercial space in Fremantle</p>
<p>Screen Name Redacted 6/09/2024 07:04 PM</p>	<p>It should be a place of Fremantle heritage and celebration with sport - not another place for</p>
<p>Screen Name Redacted 6/09/2024 07:51 PM</p>	<p>By revitalizing and making the sporting precinct accessible, commercial options will follow. Other options available in addition to just sports.</p>
<p>Screen Name Redacted 6/10/2024 08:27 AM</p>	<p>It is already a perfectly acceptable place to watch local footy, as seen last weekend at the derby, but no doubt you'll find a way to rinse the character out of it. And we have enough commercial businesses in Fremantle that already exist and deserve our support. Culture is an interesting word as I'm not 100% sure what that even means in this context? But if we're talking about culture why not let Fremantle people decide what they need here</p>
<p>Screen Name Redacted 6/10/2024 11:11 AM</p>	<p>need to find the balance. the oval is an iconic part of the city and has the ability to drive economic activity, and social outcomes for residents and visitors. too far one way to the other negates the other.</p>
<p>Screen Name Redacted 6/13/2024 08:05 AM</p>	<p>This Historic Community and Visiting People's area is Iconic to Fremantle. It is Fremantle and What we stand for. The past and the Present. All Sporting and Social Activities for Males and Females, Young and Old. This amazing piece of artwork and Culture brings like minded people to our lovely Historical town.</p>

6/13/2024 08:40 PM

Padel is a rapidly growing sport that combines elements of tennis and squash, and it has been gaining popularity worldwide due to its accessibility and social nature. Developing a padel club at Fremantle Oval could offer several benefits to the community. I believe that developing a padel club at Fremantle Oval can significantly enhance the recreational offerings in our community. I would be happy to discuss this idea further and explore the feasibility and potential benefits in more detail.

Screen Name Redacted

6/14/2024 12:27 PM

Sports and culture will benefit commerce. Not the other way around.

Screen Name Redacted

6/14/2024 12:43 PM

This is a place of significant cultural and sporting history, so many lives have been affected by this place and by the cultural and sporting activities that have taken place here, this is a field of dreams where history has been made, where heroes have run, where boys have become men, and now women can play the game, it's a place where dreams have been made

Screen Name Redacted

6/14/2024 01:49 PM

Australian Rules Football

Screen Name Redacted

6/14/2024 02:13 PM

Need to make the area commercially viable as sport won't be enough.

Screen Name Redacted

6/14/2024 03:20 PM

Focus must be on sporting facilities- and WAFL football needs to be at the centre of that. Learn from the disasters at East Fremantle and Claremont and ensure that the football club come out of the process with an improved facility and ability to thrive - not a markedly reduced ability.

Screen Name Redacted

6/14/2024 04:57 PM

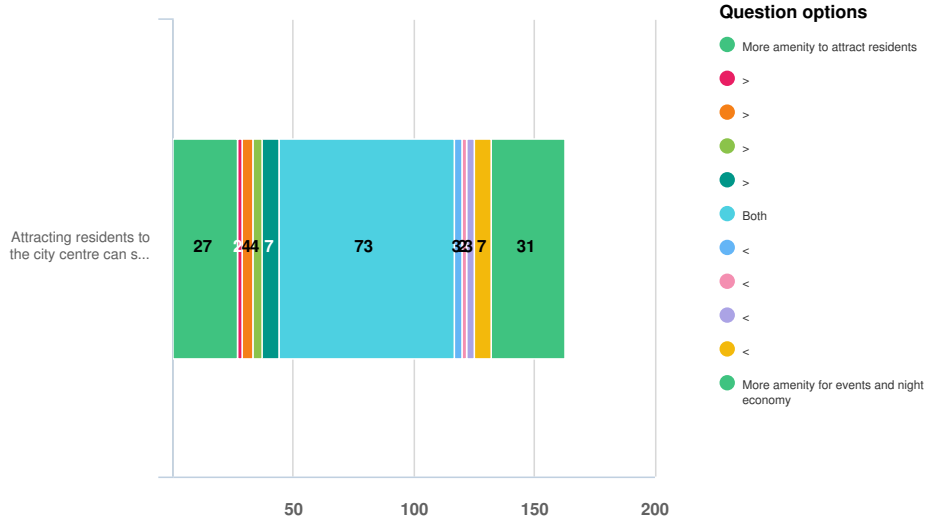

Real opportunity to extend on the busy Fremantle strip/markets, and create a premier sporting hub, that ties in with the community and commercial needs.

Question type: Likert Question

Fremantle Oval Precinct Redevelopment Masterplan - Community Fremantle : Survey Report for 29 April 2015 to 23 June 2024

Q7 | CITY LIVING

Attracting residents to the city centre can sometimes create conflicts with other land uses and activities. Is more amenity needed to support attraction of residents or to strengthen events and the night economy? Select a marker.

Fremantle Oval Precinct Redevelopment Masterplan - Community Fremantle : Survey Report for 29 April 2015 to 23 June 2024

Q8 Can you tell us more about your marker selection?

Screen Name Redacted
3/15/2024 02:27 PM

One of the reasons people like to live in Fremantle is because of the proximity of night time entertainment such as bars and restaurants;

Fremantle Oval Precinct Redevelopment Masterplan - Community Fremantle : Survey Report for 29 April 2015 to 23 June 2024

therefore the accessibility of entertainment and the desire for more inner city residents is not mutually exclusive

Screen Name Redacted
3/15/2024 02:32 PM

Catch 22 because we need more people living in Fremantle to ultimately attract more useful business. For example I miss being able to shop at Myer. the one supermarket (New IGA) is not enough. I want more useful shops rather than more bars.

Screen Name Redacted
3/15/2024 02:47 PM

AFL is the answer. I don't even follow it but Fremantle will die a slow death with no attractions.

Screen Name Redacted
3/15/2024 03:29 PM

events both free and paid

Screen Name Redacted
3/15/2024 04:12 PM

Gentrification has been detrimental. Time to square up and have equal opportunity.

Screen Name Redacted
3/16/2024 09:52 PM

Provide more public toilets open longer at night & earlier in morning during the day.

Screen Name Redacted
3/18/2024 03:27 PM

AREA NEEDS TO BE MORE PEOPLE FRIENDLY WITH TOILETS AND LIGHTING AND IMPROVED SEATING./SHELTER

Screen Name Redacted
3/18/2024 04:46 PM

I think if the events and night economy amenities are curated and managed correctly they will also attract residents

Screen Name Redacted
3/18/2024 07:32 PM

Both have equal value IMO

Screen Name Redacted
3/18/2024 09:03 PM

Events and night time economy can also be attractive to residents. Residents will choose to move there knowing that there will be events and things adding vibrancy to the area.

Screen Name Redacted
3/20/2024 08:13 AM

Fremantle has constanly missed out on the development of facilities it requires to make it a more attractive place for city life. Many of our facilities are well and truely dated.

Screen Name Redacted

Balance is needed in all things

Fremantle Oval Precinct Redevelopment Masterplan - Community Fremantle : Survey Report for 29 April 2015 to 23 June 2024

3/21/2024 09:03 AM

Screen Name Redacted Striking a balance. Amenity is what attracts residents in first place.
3/21/2024 02:58 PM

Screen Name Redacted This will engage residents.
3/22/2024 08:27 AM

Screen Name Redacted There needs to be more facilities to support attractions; this involves things such as public transport, cycling/ pedestrian paths, trams, lighting, public bathrooms, food, drink and retail (later opening hours). At the same time there needs to be more spaces for the people who live/ work here such as public parks and gardens with seating and shade.
3/22/2024 08:41 AM

Screen Name Redacted I think residential aspects of the city are more than catered for, More amenity for events and night economy with safety and enjoyment are a better priority.
3/22/2024 09:58 AM

Screen Name Redacted Fremantle is a lively place for activities but with too many events we see a large amount of rubbish on the streets and poor behaviour .
3/22/2024 09:59 AM

Screen Name Redacted Night games,
3/22/2024 10:05 AM

Screen Name Redacted Again, both are valuable and important to me as a ratepayer and engaged community member.
3/22/2024 11:00 AM

Screen Name Redacted For a healthy community you need both.
3/22/2024 04:44 PM

Screen Name Redacted Currently living in Fremantle provides us with access to great restaurants and bars/cafe. Getting a balance of attracting more residents through development will compliment and strengthen the night economy and support a more vibrant and prosperous community where residents will benefit and businesses will profit
3/25/2024 11:55 AM

Screen Name Redacted A balance needs to be found. As a resident I want access to amenities but Fremantle needs visitors.
3/25/2024 03:54 PM

Fremantle Oval Precinct Redevelopment Masterplan - Community Fremantle : Survey Report for 29 April 2015 to 23 June 2024

<p>Screen Name Redacted 3/26/2024 09:27 PM</p>	<p>Most events happen easily, minimal conflict</p>
<p>Screen Name Redacted 3/26/2024 10:23 PM</p>	<p>The city of Fremantle needs to have amenities for both residents and visitors to the area to ensure businesses continue to stay open.</p>
<p>Screen Name Redacted 3/28/2024 05:50 PM</p>	<p>I like the way that the old Myer building has been developed. FOMO is a great place to go, except that the food businesses close too early in the day for dinner, and then the "unruly" behaved humans come out and spoil a night out. Sometimes the alleyways that used to hold all the small market style stalls, are not a safe place to walk at night.</p>
<p>Screen Name Redacted 3/28/2024 05:56 PM</p>	<p>Balance needed</p>
<p>Screen Name Redacted 3/30/2024 07:06 PM</p>	<p>We do not want our oval to be like Claremont or Subiaco surrounded by apartments. Especially not state housing. Fremantle has more than its share and would only add to more anti social behaviour.</p>
<p>Screen Name Redacted 4/03/2024 12:10 PM</p>	<p>Attracting residents will create a vibrant city. More emphasis needs to be placed on suitable housing typologies that do not conflict with the well established social life of the precinct. Suitably designed housing is the key to less conflicts ie double glazed windows, acoustic materials etc</p>
<p>Screen Name Redacted 4/03/2024 03:47 PM</p>	<p>Definetely - I live in freo and am always home by 9pm as it gets ugly. I am also reticent to do some arcades etc during the day now which is very sad. Just not enough people around to feel safe and vibrant outside of the weekends. We definetely need more central living.</p>
<p>Screen Name Redacted 4/03/2024 03:55 PM</p>	<p>both are important</p>
<p>Screen Name Redacted 4/03/2024 04:30 PM</p>	<p>Both elements are critical to the future sustainability of the city.</p>
<p>Screen Name Redacted 4/03/2024 04:39 PM</p>	<p>events are not for freo community. they are money making ventures by current council for visitors usually at the expense of residents. need more residential related commercial activity and residential (away from portside)</p>

Fremantle Oval Precinct Redevelopment Masterplan - Community Fremantle : Survey Report for 29 April 2015 to 23 June 2024

Screen Name Redacted 4/03/2024 05:04 PM	I believe there are already quite good amenities for both. As a resident it would be good to see more advertising of sporting events or other at the oval as I often miss out.
Screen Name Redacted 4/04/2024 07:29 AM	The precinct is not primarily a residential area. A lot of young people come to Fremantle at night for entertainment. Open the precinct to events that would be supported by young people, beer festivals, music events and festivals as well as football.
Screen Name Redacted 4/04/2024 12:29 PM	Ensuring the oval and surrounding facilities can be used by the community on non game or event days is important
Screen Name Redacted 4/05/2024 12:14 PM	There are multiple venues for the night economy (bars, restaurants, music venues, nightclubs, FOMO, cinema etc) however there is little in the way of amenity for residents. The night economy could be strengthened by provision of safe, well lit parking and public transport options, plus somewhere to safely and securely park a bike or e-bike. There could be more venues to hold a modest size business conferences.
Screen Name Redacted 4/06/2024 12:22 PM	I like the idea of more people being able to live in Fremantle
Screen Name Redacted 4/17/2024 03:35 PM	Your points here are completely at odds with each other It doesn't make sense
Screen Name Redacted 4/24/2024 09:06 AM	a place for both is what is needed, the right balance is crucial.
Screen Name Redacted 4/24/2024 11:40 AM	Build it & they will come.
Screen Name Redacted 4/24/2024 11:41 AM	This concept has not worked at Claremont.
Screen Name Redacted 4/24/2024 11:58 AM	attracting residents/sports fans during the day and concerts/events during the night
Screen Name Redacted 4/24/2024 12:38 PM	Parking is a real issue. So expensive. More space required but less payment, also remove parking from inside oval and have grandstands

Fremantle Oval Precinct Redevelopment Masterplan - Community Fremantle : Survey Report for 29 April 2015 to 23 June 2024

closer for better atmosphere.

Screen Name Redacted
4/24/2024 03:20 PM

Access to supermarket and post office facilities is needed in Fremantle to make living viable.

Screen Name Redacted
4/25/2024 12:54 AM

Less residential space. Freo has enough apartments as is

Screen Name Redacted
4/25/2024 12:46 PM

I think what needs to be focused on is the anti social behaviour of the out of control patrons, especially in the evening.

Screen Name Redacted
4/28/2024 06:46 AM

Fremantle is an entertainment precinct

Screen Name Redacted
4/30/2024 05:05 PM

Fremantle just needs to update its sporting venue to similar class as the new Council building

Screen Name Redacted
5/01/2024 10:23 AM

The more amenity will attract residents as they will come to Fremantle and see how great the place is.

Screen Name Redacted
5/02/2024 01:19 PM

Fremantle needs to attract the big events to keep it busy and businesses viable. That should be focus. Frem oval increase capacity to 20k will enable major sporting cultural and music events. Need better protection for spectators considering its coastal location. There needs to be footy or other sports in evenings on Fri sat nights. Consider footy and other sports in location of stands. Soccer baseball etc. but adequate capacity to compete with other venues is really important. Key finals. Night matches. State football. Plus soccer baseball. But structure of stands need to be right

Screen Name Redacted
5/02/2024 01:41 PM

GOT TO BE FAIR FOR ALL CONCERNED

Screen Name Redacted
5/04/2024 09:24 AM

As above.

Screen Name Redacted
5/05/2024 04:53 PM

More family friendly night activities

Fremantle Oval Precinct Redevelopment Masterplan - Community Fremantle : Survey Report for 29 April 2015 to 23 June 2024

Screen Name Redacted 5/06/2024 12:54 PM	I think we need to utilize the police presence once they build their central head quarters.
Screen Name Redacted 5/06/2024 06:02 PM	Residents are required to bring the city to life, beginning with accommodation above Notre dame which will eventually flow to the oval.
Screen Name Redacted 5/13/2024 05:40 PM	
Screen Name Redacted 5/13/2024 06:24 PM	Even split for both
Screen Name Redacted 5/15/2024 03:57 PM	Larger rate payer base and a livelier precinct
Screen Name Redacted 5/17/2024 10:59 AM	Oval is open to families and teenagers and children using it when footy clubs are not. I don't mean for people with dogs! Open public space.
Screen Name Redacted 5/17/2024 08:15 PM	Need more suitable retail outlets
Screen Name Redacted 5/20/2024 05:56 PM	Things within the intent of the Oval's tradition should be kept foremost in the plan for redevelopment,
Screen Name Redacted 5/22/2024 06:26 PM	Yes, carefully selected activities and events are welcome and can attract new and existing residents to central Freo, but must be carefully designed to not discourage residential land use by noise or depreciative behaviour, particularly at night.
Screen Name Redacted 5/24/2024 11:11 PM	If you look just as residents Claremont Oval is an example of zero crowd atmosphere with only apartments in the outer. My goal is to be able to live very close to Fremantle Oval in the future.
Screen Name Redacted 5/27/2024 11:24 AM	Yes it is an important space in Fremantle surrounded by heritage buildings and a vista to the old gaol. I love the atmosphere and green space

Fremantle Oval Precinct Redevelopment Masterplan - Community Fremantle : Survey Report for 29 April 2015 to 23 June 2024

<p>Screen Name Redacted 5/27/2024 07:57 PM</p>	<p>Fremantle already has an abundance of shops and eateries. Many old commercial buildings are no longer in use or are only in partial use. Condense the commercial area, and repurpose these old buildings for residents.</p>
<p>Screen Name Redacted 5/28/2024 11:10 AM</p>	<p>The lack of parking and the cost of it when you do find one , I'm lucky I can walk in parking needs to change , residents parking permits should not be limited to certain times of the day it should be 24/7</p>
<p>Screen Name Redacted 5/28/2024 11:12 AM</p>	<p>Parking & toilets are a problem in Freo. I would like to see the streets a little cleaner than they are at the moment.</p>
<p>Screen Name Redacted 5/28/2024 12:07 PM</p>	<p>If the question is about creating housing around the ground then I am strongly against it.</p>
<p>Screen Name Redacted 5/28/2024 01:55 PM</p>	<p>Make the area attractive and viable</p>
<p>Screen Name Redacted 5/30/2024 08:24 AM</p>	<p>The oval marks a boundary between tighter more inner city dense areas and lower more residential area so should have mix of both</p>
<p>Screen Name Redacted 5/31/2024 02:01 PM</p>	<p>Fremantle needs to be an attractive proposition for both. People won't visit or reside if the city is not actively attractive.</p>
<p>Screen Name Redacted 5/31/2024 03:22 PM</p>	<p>Both enhance each other. I dont think they're mutually exclusive</p>
<p>Screen Name Redacted 5/31/2024 06:00 PM</p>	<p>It's. Waste of space. There could be so much done with the car park and stands.</p>
<p>Screen Name Redacted 5/31/2024 07:31 PM</p>	<p>oval needs to be used more than just for football</p>
<p>Screen Name Redacted 5/31/2024 09:18 PM</p>	<p>Quite happy to see whatever developers and locals see fit for the redevelopment</p>
<p>Screen Name Redacted 6/01/2024 12:45 PM</p>	<p>Please make the oval a dog friendly precinct, especially for football game day. I think WAFL games would attract more people if they can take their dog into a designated area of the venue.</p>

Fremantle Oval Precinct Redevelopment Masterplan - Community Fremantle : Survey Report for 29 April 2015 to 23 June 2024

Screen Name Redacted
6/01/2024 02:35 PM

Having residents means more amenities and more people all the time. Fremantle is currently so quiet during days it feels dead. So both need to be done.

Screen Name Redacted
6/01/2024 04:05 PM

more residents will promote more business

Screen Name Redacted
6/03/2024 05:55 PM

Same as section 10,

Screen Name Redacted
6/03/2024 06:13 PM

I think they can co-exist, and would like to see the CoF lead the way in WA with a city that encompasses residents and visitors like many cities in Europe. As a south Freo resident I would enjoy both - I live in the Fremantle area because it has amenity for residents, but also a thriving bar/culture/club/restaurant scene.

Screen Name Redacted
6/04/2024 11:14 AM

Low key things to do like cultural activities..opera on the Oval, indie nights, night markets, busker fests, Diwali, Chinese New Year, folk dancing, Irish ceolis, Scottish clan gatherings, Polish, Croatian, Spanish, South American ... diverse cultural and slot events celebrating our wide range of people . and communities. Low key not over the top LOUD. Televised footy and other popular matches. Reasons for intergenerational families and friends to get together and enjoy music, sport, other cultures ..eating at nearby restaurants, where possible Give small .business owners a lifeline. Combine events over similar low key venues to move people around Freo on foot. A hub of activity not massive gatherings of young people doing drugs and festering their hearing while nearby residents are tearing their hair out! Freo Prison doing it well.

Screen Name Redacted
6/04/2024 11:54 AM

Need both to avoid Fremantle becoming empty during both day and night.

Screen Name Redacted
6/05/2024 01:39 PM

Since we notice there is going to be more Change in the future and growth it will attract a broader and economical future to WA

Screen Name Redacted
6/06/2024 06:19 PM

Would be good to have local events for the community, particularly if walking/public transport was incentivised. The proviso would be to manage the rubbish, etc left behind after such events

Fremantle Oval Precinct Redevelopment Masterplan - Community Fremantle : Survey Report for 29 April 2015 to 23 June 2024

Screen Name Redacted

6/09/2024 02:53 PM

Why are we not addressing the day-time economy? We are in danger of turning into Leederville/ Subi - two places that focused on nighttime economy at the detriment of what happens in the DAY. We need to support residents, people who work here, and people to study here (from primary to tertiary). We already do really well at attracting people for events and nighttime happenings..... what are we doing about the DAY TIMES?

Screen Name Redacted

6/09/2024 03:51 PM

Fremantle should be focused more on livability rather than just being attractive to weekend tourists. We need to promote more walking and cycling, less cars and more importantly ensure we have plenty of green spaces rather than just more huge concrete developments.

Screen Name Redacted

6/09/2024 04:17 PM

I think the locals provide a community and environment and should be prioritized, while night economy is good for small business hospitality.

Screen Name Redacted

6/09/2024 06:51 PM

Like maybe housing for city residents?

Screen Name Redacted

6/09/2024 07:04 PM

If you don't have people living there then the night culture doesn't happen. You've driven away a huge amount of passive visitors if you only focus on bringing people in from outside city Centre. With no free bus, a bridge to be closed for 2 years - you are reducing visitors by that alone. So have the community come from the people living there.

Screen Name Redacted

6/09/2024 07:51 PM

Unless you're watching football there is little to draw me to the precinct currently. Not accessible for families or dog walkers.

Screen Name Redacted

6/10/2024 08:27 AM

Stop trying to attract people to our city when it is fundamentally broken. Retail is struggling, people are living on the streets, you do not have one public toilet after 5pm. Why would we be trying to encourage more night time economy and more events when that will do little for the businesses that already exist here. Think day time economy - Monday to Thursday - as local businesses are ALWAYS saying?

Screen Name Redacted

6/13/2024 08:05 AM

What a Beautiful and Historic Icon of Fremantle. Bringing local sports teams together in the heart of Fremantle. To see WAFL FOOTBALL, youngsters, Female Football players, the smile on their faces, right in the centre of our Iconic Historic town.

Fremantle Oval Precinct Redevelopment Masterplan - Community Fremantle : Survey Report for 29 April 2015 to 23 June 2024

Screen Name Redacted
6/13/2024 05:49 PM

There is very little residential within the immediate area

Screen Name Redacted
6/13/2024 08:40 PM

a balanced approach that enhances amenities for residents while strengthening the infrastructure for events and the night economy is essential. By creating spaces like a padel club at Fremantle Oval, we can provide valuable recreational opportunities that support both community well-being and economic activity. This integrated strategy will help foster a dynamic, attractive, and harmonious city centre.

Q10 | Can you tell us more about your marker selection?

Screen Name Redacted 3/15/2024 02:27 PM	While cycling and walking should be prioritised, areas should also be accessible to cars. High Street Mall is a good example of how complete pedestrianisation can sometimes lead to unintended results
Screen Name Redacted 3/15/2024 02:32 PM	More bike paths please. PLEASE bring back the CAT bus or similar. I work in South Fremantle. Our trade has gone down since CAT bus discontinued. Freo oval was also on the CAT bus route and mist also be affected. The 532 is not a great substitute. IT is not free and does not do full loop.
Screen Name Redacted 3/15/2024 02:47 PM	The city can not be sustained from bicycles. We need to encourage people from other suburbs to visit Fremantle.
Screen Name Redacted 3/15/2024 03:29 PM	inclusive use
Screen Name Redacted 3/15/2024 04:12 PM	Shuttle bus services Akin to airport services are essential. Redevelop south freo top site to parking and temporary residency by way of a caravan park style.
Screen Name Redacted 3/16/2024 09:52 PM	Try to reduce parking within CBD, provide bus transit from main parking area to a central point , departure &
Screen Name Redacted 3/17/2024 11:12 AM	Bikes - Pedestrian and bus - no more cars in that tiny intersection and roundabout near the markets
Screen Name Redacted 3/18/2024 03:27 PM	ALL OF THE ABOVE
Screen Name Redacted 3/18/2024 04:46 PM	It should be a space where families can walk freely around and be engaged without the fragmentation that traffic brings
Screen Name Redacted 3/18/2024 07:32 PM	They should be able to coexist but prefer to give priority to pedestrians etc over cars.
Screen Name Redacted	Unfortunately Fremantle relies on people travelling to it given the low

Fremantle Oval Precinct Redevelopment Masterplan - Community Fremantle : Survey Report for 29 April 2015 to 23 June 2024

3/18/2024 09:03 PM	residential density in the west end. Therefore car parking is critical.
Screen Name Redacted 3/18/2024 09:43 PM	We need to show leadership in sustainability - bike paths, urban lifestyle and recreation
Screen Name Redacted 3/20/2024 08:13 AM	All of these modes need improvement in both the long and short term.
Screen Name Redacted 3/21/2024 09:03 AM	More parking options required to meet local worker and visitor needs - including Fremantle Hospital, Fremantle Prison etc
Screen Name Redacted 3/21/2024 02:58 PM	Fremantle is ideal for maximising walking, pedestrians and cycling.
Screen Name Redacted 3/22/2024 08:27 AM	Both are good. Free carparking around the area would be better.
Screen Name Redacted 3/22/2024 08:41 AM	The more active the streets are with people, the more people will come into the streets! Currently Fremantle feels like a pedestrian city that was forced into being a place for cars, and I think cars should be pushed out of Fremantle, and car parks used as parks and gardens. Tram infrastructure or free buses could connect the city to the beaches and allow for easy movement between beach and city without having to look for parking, which would attract residents and outsiders to spend time in the city of Fremantle rather than at the train station.
Screen Name Redacted 3/22/2024 08:53 AM	Fremantle has scene car parks decline or be monetised over the last 10 years creating less access for its residents to be in the city centre especially with the car bus being shut down you can't take both forms of transport away from people. If you want more engagement from residents create more pathways to access the town like car parks, buses, trams, bike paths.
Screen Name Redacted 3/22/2024 09:58 AM	Good public transport connections are vital, as is some parking but not at the expense of pedestrians, cycling etc
Screen Name Redacted 3/22/2024 09:59 AM	Less cars more healthy walking and cycling

Fremantle Oval Precinct Redevelopment Masterplan - Community Fremantle : Survey Report for 29 April 2015 to 23 June 2024

Screen Name Redacted 3/22/2024 10:05 AM	Parking and access is the important part of getting people into freo
Screen Name Redacted 3/22/2024 04:44 PM	This will enable the discovery of the precinct and an understanding of its history. Careful to consideration to public transport and car parking to be considered. Explore what is done in pedestrian areas in Europe where all modes of transport work together rather than cars taking precedence.
Screen Name Redacted 3/25/2024 11:55 AM	Enhancing movement within Fremantle needs to be a priority. Connecting outer areas to the city central is vital for the growth of the city. Having large carparks on the fringes of the city, serviced by tram / CAT services into the centre would be awesome and remove congestion of vehicles in the heart of the city. This could see larger carparks set up in South Fremantle and visitors and residents moved more efficiently.
Screen Name Redacted 3/25/2024 02:07 PM	The CAT bus was a major transport mode, that has been taken away from the community, which lead to decreased traffic in the central area, making Fremantle a more pedestrian friendly environment. Cars should be banned from the central district ie South Terrace from Friday pm until early Monday mroning
Screen Name Redacted 3/25/2024 03:54 PM	Well thought out active streets and pedestrianised areas, with good access to buses, within a precinct like the Oval make the area more attractive and user friendly. However, good access to transport links, like buses are vital, especially for those with mobility issues.
Screen Name Redacted 3/26/2024 09:27 PM	Keep the roads, don't turn them into bike only, as it is an important passage through the city and to more parking. Maybe think about adding some underground parking
Screen Name Redacted 3/26/2024 10:23 PM	For people visiting Fremantle from southern suburbs, transport options are limited (no train) so having affordable parking options is important. It would also be good to remove traffic off high foot traffic areas within Fremantle city centre.
Screen Name Redacted 3/27/2024 08:48 PM	Parking needs to be a key concern. We have wiped out a number of large car parks. And pedestrianised areas on south terrace and busy area's on weekend's. Return of initiatives like the cat bus.

Fremantle Oval Precinct Redevelopment Masterplan - Community Fremantle : Survey Report for 29 April 2015 to 23 June 2024

<p>Screen Name Redacted 3/28/2024 05:50 PM</p>	<p>I can understand why the council stopped the free Cat bus service, it costs millions to run a service like that. However, having been a Uni student at Notre Dame over the last 4 years, I relied on that bus to get me to class from the free or cheaper parking areas. Parking within the city limits is exuberant. The roads in and out of Freo are not cycle nor pedestrian friendly, except thru the main part of South Tce, even then the roads are very narrow to fit a bus and then a cyclist.</p>
<p>Screen Name Redacted 3/28/2024 05:56 PM</p>	<p>All transport modes needed</p>
<p>Screen Name Redacted 3/30/2024 07:06 PM</p>	<p>It is a must to make sure parking is retained as basement level. Even more than now if possible. It is a benefit to members of the club, especially elderly members.</p>
<p>Screen Name Redacted 4/03/2024 12:10 PM</p>	<p>Creating a walkable city should be a priority. Public transport should be encouraged and if further parking is required it should be in the periphery of the precinct and not dominating the design.</p>
<p>Screen Name Redacted 4/03/2024 03:47 PM</p>	<p>Needs more walking paths, bike paths (not electric scooter paths), bus and some parking. With better links from train station and outer suburbs people wouldnt need to drive.</p>
<p>Screen Name Redacted 4/03/2024 03:55 PM</p>	<p>both are desired so people from all areas are able to access</p>
<p>Screen Name Redacted 4/03/2024 04:30 PM</p>	<p>As above, noting that access to good public transport is critically important.</p>
<p>Screen Name Redacted 4/03/2024 04:39 PM</p>	<p>parking is terrible for things like freo post office etc. Need access for residents to park and facilities for residents - proper supermarket etc.</p>
<p>Screen Name Redacted 4/03/2024 05:04 PM</p>	<p>Both as it suits residents and non-residents.</p>
<p>Screen Name Redacted 4/04/2024 07:29 AM</p>	<p>The reality is that we are a car dependent society and as much as you might pontificate about that parking must be provided. Of course, the message you sent to us with council's removal of the CAT bus is that we are to drive our cars into Fremantle. I do suggest that the entrances to Fremantle by public transport need urgent attention. Pioneer Park is an absolute disgrace. There is no bus station and bus</p>

Fremantle Oval Precinct Redevelopment Masterplan - Community Fremantle : Survey Report for 29 April 2015 to 23 June 2024

stops for routes are scattered throughout the town.

Screen Name Redacted

4/04/2024 08:12 AM

Less focus on cars makes sense, as there will never be enough car parking for everyone. A better option is to improve other transport modes. Buses are still important for Fremantle, as the train only services north-of-the-river connections. Improving pedestrian and cycling access works for residents, and aligns with use of public transport.

Screen Name Redacted

4/04/2024 12:29 PM

Fremantle can be very difficult to park in when there are a few events going on in the city. Encouraging public transport cycling and active streets is important but need to ensure the venue is accessible for those who are unable to cycle or catch public transport too.

Screen Name Redacted

4/05/2024 12:14 PM

Reducing private (visitor) vehicle flow through South Terrace/Market Street would be beneficial to make the streets safer for pedestrians and cyclists. There also needs to be a more logical public transport (bus) flow and access to the train station needs to be re-thought so getting to and from it is well lit and safe (particularly at night) which may then encourage more public transport use. The current pedestrian crossings outside the station are dangerous and inefficient for buses. Parking does still needs to be an option, particularly for families with young children (it's difficult to juggle prams etc on buses).

Screen Name Redacted

4/06/2024 12:22 PM

Free shuttle buses for residents and visitors Visitors able to park cars. Out of city or catch a train or bus in and then have free shuttle bus

Screen Name Redacted

4/11/2024 10:36 AM

Ideal opportunity to improve the traffic movements around the precinct / limit vehicles through william st giving pedestrian priority and connecting Fremantle 'CBD' to the Oval Precinct

Screen Name Redacted

4/17/2024 03:35 PM

The ground should have a carpark build under the ground or oval Councils sale of carparking assets in the city have damaged its image in the general public and visitors The ground upgrade definitely needs a huge increase in available parking

Screen Name Redacted

4/24/2024 09:06 AM

one of the issues is parking, so all forms of transport needs to be considered.

Fremantle Oval Precinct Redevelopment Masterplan - Community Fremantle : Survey Report for 29 April 2015 to 23 June 2024

<p>Screen Name Redacted 4/24/2024 11:40 AM</p>	<p>Both are as equally important in my opinion</p>
<p>Screen Name Redacted 4/24/2024 11:58 AM</p>	<p>more bus connections for those that live in outer suburbs as parking is difficult and costly</p>
<p>Screen Name Redacted 4/24/2024 12:38 PM</p>	<p>All modes of transport need to be accommodated so all people can enjoy the precinct</p>
<p>Screen Name Redacted 4/24/2024 03:20 PM</p>	<p>Encourage pedestrian walking and active streets with parking inside the oval precinct only for club admin and other club staff, not members</p>
<p>Screen Name Redacted 4/25/2024 12:54 AM</p>	<p>Need to attract people from all over Perth They bring in the money</p>
<p>Screen Name Redacted 4/25/2024 12:46 PM</p>	<p>Always important for movement of people</p>
<p>Screen Name Redacted 4/26/2024 08:06 PM</p>	<p>I like to walk or ride into Freo from South Freo</p>
<p>Screen Name Redacted 4/28/2024 06:46 AM</p>	<p>Parking is at a premium and people will not attend if they cannot get there</p>
<p>Screen Name Redacted 4/29/2024 03:51 PM</p>	<p>The amount of car parking is being reduced, it is a fact of life that people in WA drive to locations and need to park their cars otherwise they will simply choose to go elsewhere</p>
<p>Screen Name Redacted 4/30/2024 05:05 PM</p>	<p>Public transport is the best way to get to sporting venues</p>
<p>Screen Name Redacted 5/01/2024 10:23 AM</p>	<p>Public transport connections I think is really important. With the current advertising and push now for smaller electric cars I think vehicles will still have to be factored in for a while.</p>
<p>Screen Name Redacted 5/02/2024 01:19 PM</p>	<p>You need to get people into Fremantle. Parking is too expensive. There are already key hubs in frem like kings sq. Esplanade and Freo oval. Just improve those rather than add more</p>

Fremantle Oval Precinct Redevelopment Masterplan - Community Fremantle : Survey Report for 29 April 2015 to 23 June 2024

Screen Name Redacted 5/02/2024 01:41 PM	CONNECTIVITY IS MOST IMPORTANT
Screen Name Redacted 5/03/2024 10:45 AM	Prioritize pedestrians and cyclists, but bring on the light rail.
Screen Name Redacted 5/04/2024 09:24 AM	The more options the better.
Screen Name Redacted 5/05/2024 04:53 PM	Easier modes of transport, parking option. City trams.
Screen Name Redacted 5/06/2024 12:54 PM	Parking out of Fremantle with easy transport in should be given some further thought.
Screen Name Redacted 5/06/2024 06:02 PM	Car movement and bus only there should be no parking within the precinct and accommodate pedestrian traffic.
Screen Name Redacted 5/13/2024 05:40 PM	Parking is a serious issue. How does Council intend to deal with this problem?
Screen Name Redacted 5/13/2024 06:24 PM	Public transport and parking
Screen Name Redacted 5/15/2024 03:57 PM	More appealing too tourists and locals alike
Screen Name Redacted 5/17/2024 10:59 AM	I would prefer a tram or bus service which connects to railway and bus station. Tourists and locals then have easy access to Oval precinct.
Screen Name Redacted 5/17/2024 08:57 PM	Incentivise cycling and foot traffic... There is more than enough parking.
Screen Name Redacted 5/20/2024 05:56 PM	Some limited car paring is definitely useful but I would NOT want to see a "Wilson" style car park installed. Parking AND Parking Inspectors are are a touchy issue with me. Inspectors generally seem to have no to little understanding of the public's needs. They almost take a gleeful delight in issuing parking infringements. Little to no

Fremantle Oval Precinct Redevelopment Masterplan - Community Fremantle : Survey Report for 29 April 2015 to 23 June 2024

leeway is given. They grow nothing, produce nothing and manufacture or sell nothing. The job seems to attract a certain militaristic personality type who should be constantly reminded who actually pays their wages.

Screen Name Redacted
5/22/2024 06:26 PM

Yes, both public transport and use of private modes of transport, ie cars and bicycles should be supported. More access for those with restricted mobility is needed now and should be prioritised in any future master planning.

Screen Name Redacted
5/24/2024 11:11 PM

I need to be able to drive as close as possible to park near the oval as my wife had a massive stroke 11 years ago. Mobility is important to us.

Screen Name Redacted
5/27/2024 11:24 AM

Limit car parking. Public transport links. it works with Optus Stadium

Screen Name Redacted
5/27/2024 07:57 PM

As a person who utilises Transperth multiple times a week, I feel Fremantle has great bus connections. I am also an avid cyclist as are many other Fremantle residents. I would love to see the City of Fremantle become more bike-friendly.

Screen Name Redacted
5/28/2024 11:10 AM

Have a few trams running everywhere not only fun but you can get around and see things also , making cuppacino strip pedestrians only would be fantastic

Screen Name Redacted
5/28/2024 11:12 AM

Trying to get parking on a weekend in Freo is nigh on impossible.

Screen Name Redacted
5/28/2024 12:07 PM

A combination of all will get people to and from the precinct.

Screen Name Redacted
5/28/2024 01:55 PM

Make it easy for patrons to visit the development

Screen Name Redacted
5/30/2024 08:24 AM

The boundaries are well services by busses already (south terrace) - pedestrian permeability throughout the precinct (in contrast to the locked-up fenced area currently) would be great!2

Screen Name Redacted

Active streets doesn't preclude car movements and bus connections.

Fremantle Oval Precinct Redevelopment Masterplan - Community Fremantle : Survey Report for 29 April 2015 to 23 June 2024

5/31/2024 02:01 PM	Jane Jacobs The Rise and Fall of Great American Cities (written in 1959)
Screen Name Redacted 5/31/2024 03:22 PM	Access is important but so is safety.
Screen Name Redacted 5/31/2024 06:00 PM	Move the buses of the main strip and away from the ground. Make the road out the front car free on the weekends to join the oval and Fremantle markets.
Screen Name Redacted 5/31/2024 07:31 PM	all types of transport to get people to and from area
Screen Name Redacted 6/01/2024 12:45 PM	Less carparks. More cycle paths and active streets.
Screen Name Redacted 6/01/2024 02:35 PM	More modern. More in line with the rest of the world.
Screen Name Redacted 6/01/2024 04:05 PM	all three
Screen Name Redacted 6/01/2024 09:46 PM	More public transport enough parking for the players and support staff Honestly I would close the road that goes to the market or u could turn that road into more restraints that connects the market and freo oval have underground parking for players it gets rid of congestion in the road outside freo oval it enables parking inside the oval to be moved there aswell it enables the old grandstand in freo oval to feel like it's been used properly again Also closing that road stops rat runners also doing this connects freo oval and the freo markets but to your point what I am saying mainly focus on pedestrian and cyclist stuff and in doing this it will help do this aswell as improve public transport or make it just a bus way it makes it safer for families because there r less bogans putting out kids at risk So prioritise pedestrians please
Screen Name Redacted 6/03/2024 05:55 PM	Similar to above
Screen Name Redacted 6/03/2024 06:13 PM	I drive, but recognise that to connect the precinct to the rest of Freo a reduction in car parks/cars on roads is necessary. Potentially it could be a no-car zone on weekends or similar.

Fremantle Oval Precinct Redevelopment Masterplan - Community Fremantle : Survey Report for 29 April 2015 to 23 June 2024

Screen Name Redacted 6/03/2024 08:21 PM	Realistically people will always want to drive, but it would be great to see more priority given to pedestrians.
Screen Name Redacted 6/04/2024 11:14 AM	Utilise all parking e.g.hospital car park left almost empty. Facilitate and promote park and rail access at weekends/evenings. Emphasis on safety . E.g. extra community policing, good lighting. Close streets to vehicles but make sure they can park nearby and MINIMISE fines e.g. for parking on verges of dedicated spaces. Too many zealous wardens = disappointment and bad feeling for Fremantle generally.
Screen Name Redacted 6/04/2024 11:54 AM	That Parry St/William St roundabout is perilous for pedestrians and cyclists. I wouldn't ride west on Parry St and turn left into South Terrace on a bike if I could avoid it. Parry St cuts off the whole oval/prison precinct from the rest of Fremantle. It should be undergrounded. I am old enough to remember when it wasn't there. The historic ramp to the prison was removed to build it. The ramp should be re-instated.
Screen Name Redacted 6/04/2024 03:01 PM	Please ensure the needs of the whole community are addressed (while noting that the excellent bus connections should be highlighted).
Screen Name Redacted 6/05/2024 01:39 PM	Keeping a diverse transport culture brings into the area more sustainability-less cars/trucks the better with lots of transport options
Screen Name Redacted 6/06/2024 06:19 PM	Need to reduce the carbon footprint
Screen Name Redacted 6/09/2024 02:53 PM	This is an insane question in 2024! YOU SHOULD BE LEADING ON THIS. Provide all the alternate options for people so they don't have to use their cars. Or make all the bays for Electric cars with chargers galore.
Screen Name Redacted 6/09/2024 03:51 PM	As above, for extremely obvious reasons! And with more pedestrians, cycling and active streets, we need much more greenery for shade, and much better lighting for safety.
Screen Name Redacted 6/09/2024 04:17 PM	Too much traffic pollution & troubles with parking in Fremantle. Public buses, walking and bikes should be prioritised.

Fremantle Oval Precinct Redevelopment Masterplan - Community Fremantle : Survey Report for 29 April 2015 to 23 June 2024

<p>Screen Name Redacted 6/09/2024 06:51 PM</p>	<p>Cars need to stop being prioritised. At the recent WA day derby it was terrible to see cars parked in the grounds and people having to walk around them. As they took up prime boundary viewing</p>
<p>Screen Name Redacted 6/09/2024 07:04 PM</p>	<p>Walking down market st with cars and motorbikes makes it horrible. Think about how European cities are - pedestrian friendly brings with it more eating outside.</p>
<p>Screen Name Redacted 6/09/2024 07:51 PM</p>	<p>There is no room for more cars in the precinct. Better public transport options will remove cars and make it more accessible for pedestrians.</p>
<p>Screen Name Redacted 6/10/2024 08:27 AM</p>	<p>Obviously. We don't need any more cars in Fremantle or in Perth. The CAT bus from freo train station would be great, safe cycling lanes for families, electric car chargers (of which the city has NONE?) should be prioritised ffs</p>
<p>Screen Name Redacted 6/10/2024 11:11 AM</p>	<p>Cars are a very inefficient way of moving mass people</p>
<p>Screen Name Redacted 6/13/2024 08:05 AM</p>	<p>Fremantle Oval, is a place for people , Local and from afar, journey to our town to enjoy the atmosphere of Sport and Leisure . What an Asset to Our lovely community.</p>
<p>Screen Name Redacted 6/13/2024 05:49 PM</p>	<p>Parts of Fremantle are very disconnected and it would be good if the precinct had more integration into the surrounding area and venues (i.e. the market). Parry street is difficult to cross near the oval and markets and is dangerous with the current vehicle/pedestrian interactions. I would like to see more pedestrian and cyclist focused development in Fremantle. Currently the oval and it's few entrances make it quite disconnected from the prison and south terrace. It would be lovely to integrate the space better with the surrounding streets allowing a better connection from the markets to the prison and the bars/restaurants surrounding it.</p>
<p>Screen Name Redacted 6/13/2024 08:40 PM</p>	<p>Public transport is essential and good parking spaces are also required but emphasis in public transport and the use of bicycles.</p>
<p>Screen Name Redacted 6/14/2024 01:49 PM</p>	<p>A permanent City Mall would be fantastic</p>

Fremantle Oval Precinct Redevelopment Masterplan - Community Fremantle : Survey Report for 29 April 2015 to 23 June 2024

Screen Name Redacted

Easier access ci public transport is ideal

Fremantle Oval Precinct Redevelopment Masterplan - Community Fremantle : Survey Report for 29 April 2015 to 23 June 2024

Q12 | Can you tell us more about your marker selection?

Screen Name Redacted 3/15/2024 02:27 PM	Sustainability should be an integral component of clever design, however it must not become the mission
Screen Name Redacted 3/15/2024 02:32 PM	Ethical choice for our community and the earth
Screen Name Redacted 3/15/2024 02:47 PM	We have gone backwards since Petit was mayor.
Screen Name Redacted 3/15/2024 03:29 PM	needs good planning to achieve best outcome for the community
Screen Name Redacted 3/15/2024 04:12 PM	Solar farm in south free waste land, in the framework of overhead cover for car parking.
Screen Name Redacted 3/16/2024 09:52 PM	Update, maintain but not demolish the South Fremantle oval, clubrooms, amenities.
Screen Name Redacted 3/17/2024 11:12 AM	Green spaces ! less cars - we need to get people walking - cycling and using public transport in our city
Screen Name Redacted 3/18/2024 04:46 PM	Sustainability should be a top priority for all actions everywhere. The worlds environmental systems are on the brink of collapse. What a nonsense question.
Screen Name Redacted 3/18/2024 07:32 PM	Everything should be done with sustainable goals
Screen Name Redacted 3/18/2024 09:03 PM	Get the project happening. Fremantle needs this.
Screen Name Redacted 3/20/2024 08:13 AM	Its all about balance.
Screen Name Redacted 3/21/2024 02:58 PM	In todays world it would be irresponsible to not strive for sustainability.

Fremantle Oval Precinct Redevelopment Masterplan - Community Fremantle : Survey Report for 29 April 2015 to 23 June 2024

<p>Screen Name Redacted 3/22/2024 08:41 AM</p>	<p>The oval precinct is a great opportunity to show City of Fremantle's commitment to sustainability, using grass roots initiatives to educate about ecosystems, engage with sustainable practices such as planting natives, composting, using alternative forms of energy (thermal/ solar/ wind), and alternative forms of transport (cycling, pedestrians, trams ect). As a place for the community to gather and engage in sports and culture, this is also a place to advocate for community action; encouraging people to choose to be sustainable in their actions (spending in particular).</p>
<p>Screen Name Redacted 3/22/2024 09:58 AM</p>	<p>Sustainability is still important</p>
<p>Screen Name Redacted 3/22/2024 10:05 AM</p>	<p>Always good to mix both</p>
<p>Screen Name Redacted 3/22/2024 04:44 PM</p>	<p>It is essential.</p>
<p>Screen Name Redacted 3/25/2024 11:55 AM</p>	<p>Society needs to constantly be looking at sustainability initiatives</p>
<p>Screen Name Redacted 3/25/2024 03:54 PM</p>	<p>Sustainability is vital. We need to be looking at ways to improve our use of resources and lighten our footprint.</p>
<p>Screen Name Redacted 3/25/2024 07:17 PM</p>	<p>The oval, the surrounds and most importantly the grandstand have been left to decay. It is absolutely disgusting...takes 4 weeks to fix damage, leaks, rubbish and a hub for antisocial behaviour. This area is a real asset to the City</p>
<p>Screen Name Redacted 3/26/2024 09:27 PM</p>	<p>Don't know really, just less littering</p>
<p>Screen Name Redacted 3/26/2024 10:23 PM</p>	<p>Start the project as you intend for it to exist, with sustainable initiatives considered.</p>
<p>Screen Name Redacted 3/28/2024 05:50 PM</p>	<p>If you can do any redevelopment sustainable, then it should be done. However, I am not too concerned with a "footprint" that any redevelopment may cause. Freo is sad to walk around and the businesses are dying and needs some input to become the great port, tourist and dining experience, it once was.</p>

Fremantle Oval Precinct Redevelopment Masterplan - Community Fremantle : Survey Report for 29 April 2015 to 23 June 2024

Screen Name Redacted 3/28/2024 05:56 PM	Needed to change with the times
Screen Name Redacted 3/30/2024 07:06 PM	The heat sink in the area is horrendous. It is urgent to have done trees between the market and grandstand on Pary Street.
Screen Name Redacted 4/03/2024 12:10 PM	This is a good opportunity to be a world leader in sustainable practices and approaches.
Screen Name Redacted 4/03/2024 03:47 PM	Focus on making it happen and getting people to use it as a priority - then do it in sustainable way. Not all sustainability that makes it not activated- becomes pointless.
Screen Name Redacted 4/03/2024 03:55 PM	sustainability should always be a concern going forward
Screen Name Redacted 4/03/2024 04:30 PM	Fremantle must regain its position as a leader in this space and the focus must be on developments that are ambitious in their approach to sustainability.
Screen Name Redacted 4/03/2024 04:39 PM	sustainability of development site, materials etc critical
Screen Name Redacted 4/03/2024 05:04 PM	Not very clear question. Would have been helpful to support this question with examples. Any redevelopment of the area should be sustainable from an economic, environmental and social perspective.
Screen Name Redacted 4/04/2024 07:29 AM	It's already too late of course. The demolition by Council of the Stan Grant units was replaced by a bitumen car park (how much did that cost?) which is now replaced by a sand pit which is soon to be replaced by a multi storey police centre that will ruin forever the heritage feel of the precinct. So well done there, great example of council's commitment to sustainability. Here you have an opportunity to serve our community well. Please use a light hand and avoid bitumen and concrete as much as possible.
Screen Name Redacted 4/04/2024 08:12 AM	Increasing green space and canopy cover should be a high priority. Could provide shade for terraced seating, prison car park, etc.

Fremantle Oval Precinct Redevelopment Masterplan - Community Fremantle : Survey Report for 29 April 2015 to 23 June 2024

<p>Screen Name Redacted 4/04/2024 12:29 PM</p>	<p>Climate conscious development is critical. no point having a precinct if there are no people left to enjoy it. Fremantle is well known for it's green initiatives and I believe this should be no different.</p>
<p>Screen Name Redacted 4/05/2024 12:14 PM</p>	<p>Sustainability should be a priority - numerous large bins for container recycling, plus ones for general rubbish, solar panels on more premises, and the ability to catch, store and utilise rainwater. Could small (visually unobtrusive) wind-turbines be used to generate power from the Doctor?</p>
<p>Screen Name Redacted 4/06/2024 12:22 PM</p>	<p>I'm not sure how to address this. I do know rubbish is a major concern in remember</p>
<p>Screen Name Redacted 4/17/2024 03:35 PM</p>	<p>If sustainability was your issue You would just leave the ground the way it is and not spend millions creating more carbon emissions</p>
<p>Screen Name Redacted 4/24/2024 09:06 AM</p>	<p>This space is underutilised and it's a hub for many Freo residents and sports lovers, its an iconic location, the resident club has amazing support and this facility when redeveloped will bring long term sustainable opportunities for all.</p>
<p>Screen Name Redacted 4/24/2024 12:38 PM</p>	<p>You need the project to be sustainable and to be able to pay for itself. If it is,a continual drain on the city that is unsustainable.</p>
<p>Screen Name Redacted 4/24/2024 03:20 PM</p>	<p>In this climate, it is a no-brainer to create (where possible) opportunities for greener energy and waste usages. Given workplaces use energy during the day, solar seems to be the most logical initiative.</p>
<p>Screen Name Redacted 4/25/2024 12:46 PM</p>	<p>Assistance for small business</p>
<p>Screen Name Redacted 4/30/2024 05:05 PM</p>	<p>Sport goes hand in hand with social sustainability</p>
<p>Screen Name Redacted 5/01/2024 10:23 AM</p>	<p>Not realy sure of this question, need more info please.</p>
<p>Screen Name Redacted 5/02/2024 01:19 PM</p>	<p>You need increased capacity to be the tier 2 stadium ahead of waca Leederville Showgrounds. More toilets etc. general comment is that</p>

Fremantle Oval Precinct Redevelopment Masterplan - Community Fremantle : Survey Report for 29 April 2015 to 23 June 2024

Screen Name Redacted
5/02/2024 01:41 PM

Fremantle only has tall trees or nothing. Not enough small and midsized trees. You need more bottlebrush grevillias that attract birds and insects. Needs to be prioritised in Freo as it seems to be neglected. Big trees or nothing. Pine tree planting should be minimised except in established areas

Screen Name Redacted
5/02/2024 01:41 PM

DONT WANT TO LOSE THE 125 YEAR HISTORY OF FOOTBALL AT FREMANTLE OVAL

Screen Name Redacted
5/04/2024 09:24 AM

Once again the more it is utilised the better.

Screen Name Redacted
5/05/2024 04:53 PM

Fremantle should be a green community and a modern developed city without losing its rich history.

Screen Name Redacted
5/06/2024 06:02 PM

Connecting the entertainment venues to the precinct is vital to retailers maintaining operations eg Walking between Freo social, the markets, Emily Taylor , the courthouse and SFFC should be seamless. Also, the SFFC club rooms are outdated and does not attract younger generations or visitors outside of Fremantle.

Screen Name Redacted
5/17/2024 10:59 AM

More tree canopy, more lighting, more public less private car use, more piazzas.

Screen Name Redacted
5/17/2024 08:57 PM

Aim for net zero on completion or carbon neutral construction. Solar panels, rain water collection, grey water used for irrigation. Stop allowing shops to sell bottled water- have free filtered water- allow people to purchase drink bottles.

Screen Name Redacted
5/20/2024 05:56 PM

Something that will ADD to the atmosphere of the place and add to its heritage value. I think something like the museum at the Bradman Oval in Bowral, NSW, which adds to the culture and history of the game would be fantastic.

Screen Name Redacted
5/22/2024 06:26 PM

What are you talking about here? Of course every design option and proposed use of the oval and surrounding precinct should be sustainable. If not, DON'T DO IT. This is a total no brainer. Sorry, but this question makes me angry. Business as usual? NO.

Screen Name Redacted

This unique football ground has so much history and character. If it

Fremantle Oval Precinct Redevelopment Masterplan - Community Fremantle : Survey Report for 29 April 2015 to 23 June 2024

5/24/2024 11:11 PM	loses that it would be soul destroying.
Screen Name Redacted 5/27/2024 11:24 AM	Viewing games could be better. I know the realignment of oval is a good move. I used to like the library there. this encouraged more visits to precinct. Exhibitions could happen there.
Screen Name Redacted 5/27/2024 07:57 PM	Be as sustainable as possible. Have the cost be an investment.
Screen Name Redacted 5/28/2024 12:07 PM	Look to develop for future generations and population growth.
Screen Name Redacted 5/28/2024 01:55 PM	Let us not go overboard but embrace sustainable design, build, and ongoing practices.
Screen Name Redacted 5/31/2024 02:01 PM	If there are are opportunities for "greenness", go for it. But eg returning the site to locally provenanced vegetation is not a good idea.
Screen Name Redacted 5/31/2024 03:22 PM	Sustainability should always be considered but not drive the project
Screen Name Redacted 5/31/2024 06:00 PM	Obviously sustainability it's important today, but let's remember it's Football ground first.
Screen Name Redacted 5/31/2024 07:31 PM	its a sporting precinct so leave it at that.
Screen Name Redacted 6/01/2024 04:05 PM	do not deprive business opportunity
Screen Name Redacted 6/03/2024 06:13 PM	Surely every tree-loving hippie in Freo will be giving you the same answer! Save the whales, etc. Again, I like the way the CoF is generally a leader on matters like sustainability - we should try and push the envelope because South Perth certainly isn't.
Screen Name Redacted 6/04/2024 11:14 AM	Encourage business and events working together to make Freo a destinatiin of choice for low key fun and family entertainment . Council to facilitate events that complement existing businesses,,bring people to Freo e.g.tge fireworks street festivals,

Fremantle Oval Precinct Redevelopment Masterplan - Community Fremantle : Survey Report for 29 April 2015 to 23 June 2024

night markets , street performers . Make it easy for people to enjoy the breweries, eating out, with parking or park n ride. Encourage child oriented events...e.g. battle of the bands gymnastics, calisthenics, dance and scho.petformances to come to the city. The Street Arts Festival is fantastic...keep up tge excitement during the rest of the year by encouraging community groups to use Freo ti showcase whsf they're doing e.g PCYC.

Screen Name Redacted

6/04/2024 11:54 AM

I actually don't understand the question. Why would you take an action (left side) if it wasn't sustainable. If business as usual is unsustainable, business goes out of business. Right hand side obvioulsy this is a precinct wide solution, it's in the title. WRT urgent regenerative action, that depends on the current material circumstances, that I don't know.

Screen Name Redacted

6/04/2024 03:01 PM

Please look to the future.We need this space to serve the needs of the whole community on an ongoing basis

Screen Name Redacted

6/05/2024 01:39 PM

WA needs to act with conscience of the future and not delay as it will get left behind against other states

Screen Name Redacted

6/06/2024 06:19 PM

Need to future proof our community and society. This could be the USP for the previncxt.

Screen Name Redacted

6/09/2024 02:53 PM

As above. Why are you ASKING this? YOU SHOULD BE LEADING ON THIS!!!!!!

Screen Name Redacted

6/09/2024 03:51 PM

This is the time to act! Fremantle should be leading the way in sustainability and showcasing sustainable living throughout the precinct.

Screen Name Redacted

6/09/2024 04:17 PM

We need to be taking urgent action now on sustainability. It's surprising & disappointing that the city is not leading in this.

Screen Name Redacted

6/09/2024 06:51 PM

We're in a climate crisis. We can't continue operating as normal

Screen Name Redacted

6/09/2024 07:51 PM

This is a no-brainer and I'm surprised there is an option for business as usual in this current climate.

Fremantle Oval Precinct Redevelopment Masterplan - Community Fremantle : Survey Report for 29 April 2015 to 23 June 2024

Screen Name Redacted
6/10/2024 08:27 AM

I'm not even going to respond to this one

Screen Name Redacted
6/10/2024 11:11 AM

get with the times

Screen Name Redacted
6/13/2024 08:05 AM

Keep Fremantle Oval adjoining the past and the future, for the Community. Sport, Entertainment, growth of sports in the centre of our Beautiful City.

Screen Name Redacted
6/13/2024 08:40 PM

Community Engagement: A padel club can serve as a social hub where people come together to play, socialize, and build community ties. It can host tournaments, events, and classes that foster community spirit. Economic Benefits: The addition of a padel club can attract visitors and tourists, contributing to the local economy. It can also create job opportunities, from coaching to facility management. Utilization of Space: The Fremantle Oval area can be optimally utilized by integrating a padel club. The courts require relatively small space compared to other sports facilities, making it a practical addition without extensive land use.

Screen Name Redacted
6/14/2024 01:49 PM

Survey businesses / residents / sporting clubs

Screen Name Redacted
6/14/2024 02:13 PM

Needs to move with the times. Oval is stuck in the 50s.

Screen Name Redacted
6/14/2024 03:20 PM

This is not the location to worry about sustainability.

Screen Name Redacted
6/14/2024 04:57 PM

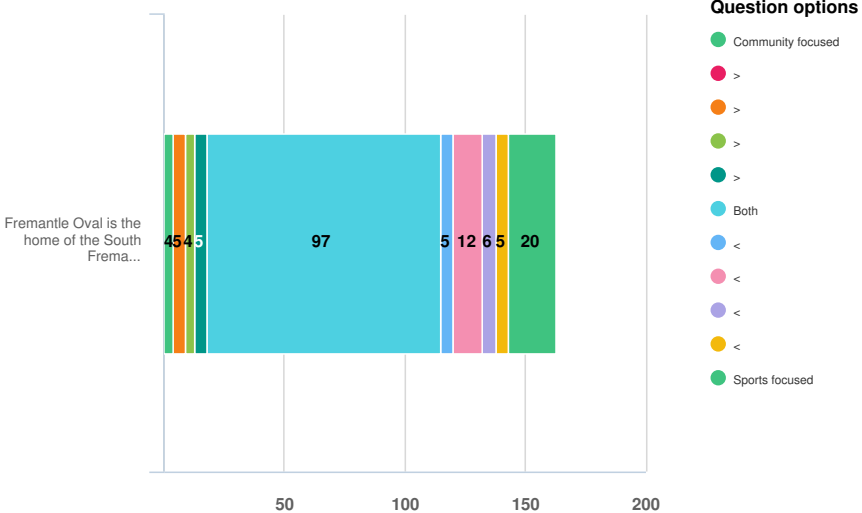

Need to keep heritage and structures

Fremantle Oval Precinct Redevelopment Masterplan - Community Fremantle : Survey Report for 29 April 2015 to 23 June 2024

Q13 | EVENTS

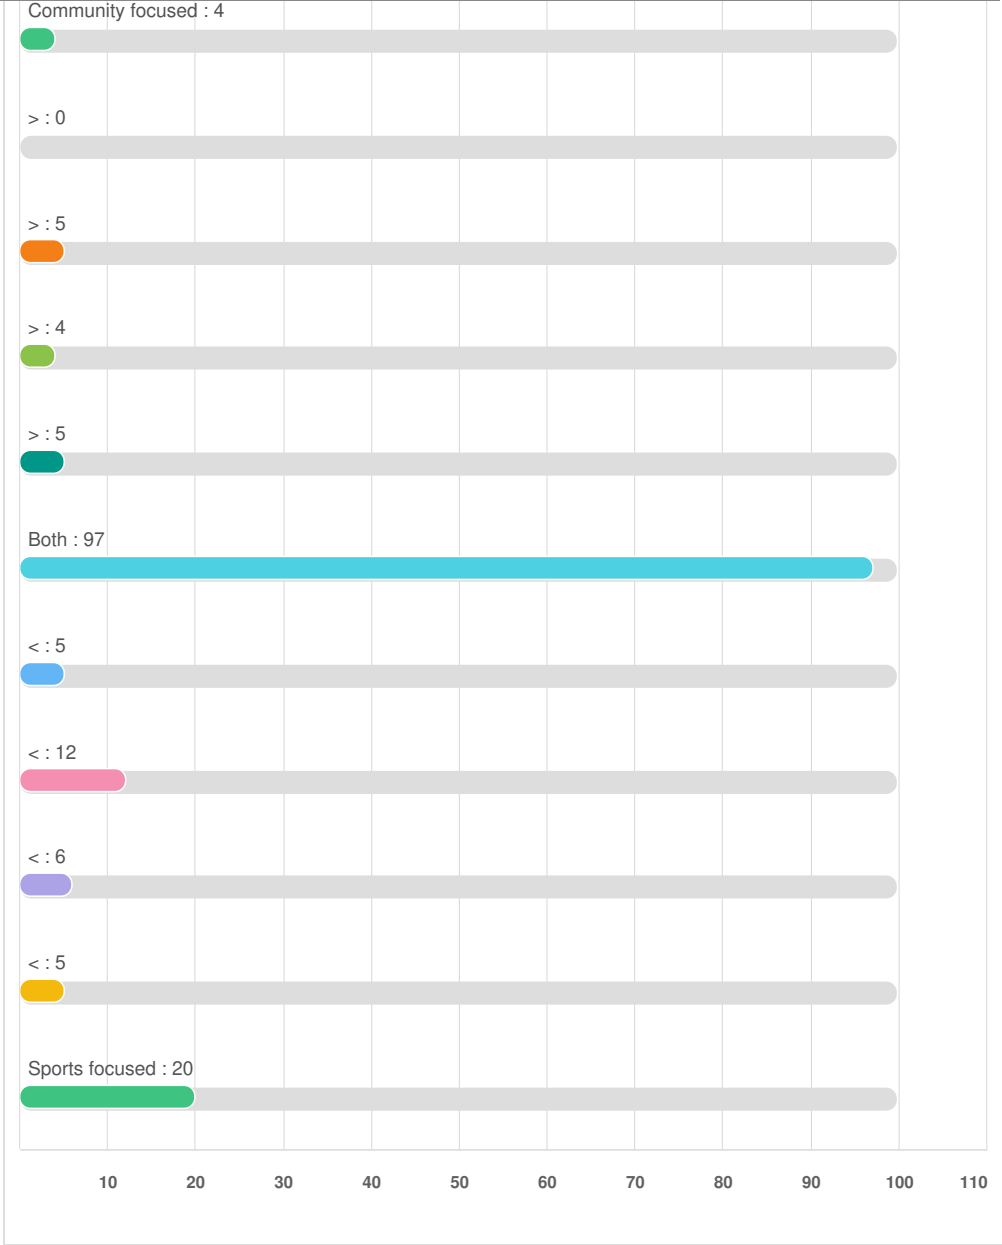

Mandatory Question (163 response(s))
Question type: Likert Question

Fremantle Oval Precinct Redevelopment Masterplan - Community Fremantle : Survey Report for 29 April 2015 to 23 June 2024

Q13 | EVENTS

Fremantle Oval is the home of the South Fremantle Football Club and the home ground for the Fremantle Dockers' AFLW team. In 2023 it also hosted 17 community events, including two major events (e.g. such as High Voltage). What type of events would you like to see more of? Select a marker.

Fremantle Oval Precinct Redevelopment Masterplan - Community Fremantle : Survey Report for 29 April 2015 to 23 June 2024

Q14 | Can you tell us more about your marker selection?

Screen Name Redacted
3/15/2024 02:27 PM

Major sports events only occur on relatively few days during the year,
at other times the facility should be available to other community

Fremantle Oval Precinct Redevelopment Masterplan - Community Fremantle : Survey Report for 29 April 2015 to 23 June 2024

	groups
Screen Name Redacted 3/15/2024 02:32 PM	Not against sport (so many benefits) but a lovely wide open space such as this should be utilised creatively for many community uses if possible.
Screen Name Redacted 3/15/2024 02:47 PM	The Dockers are now called COC Dockers. City of Cockburn. We want the Fremantle Dockers back to their rebuilt stadium in Fremantle. Shame on the city for letting them go. Missed a golden opportunity all to the detriment of local business and ratepayers.
Screen Name Redacted 3/15/2024 03:03 PM	This is both a community space (summer) & a football space (winter)
Screen Name Redacted 3/15/2024 03:29 PM	always has been both and must be maintained
Screen Name Redacted 3/16/2024 09:52 PM	Utilise the grounds & club venue for concerts, even public functions. Involve Junior & AFLW matches.
Screen Name Redacted 3/17/2024 11:12 AM	get people in and make the city vibrant
Screen Name Redacted 3/18/2024 03:27 PM	KEEP THE AREA SPORTS FOCUSED WITH OTHER ACTIVITIES DURING OFF SEASON.
Screen Name Redacted 3/18/2024 04:46 PM	It should be first and foremost a sporting oval but as long as damage can be mitigated other events should absolutely be held there, bringing in diverse crowds, potentially introducing them to the precinct with aims of return visits.
Screen Name Redacted 3/18/2024 07:32 PM	Both would bring more people to the area, sport should be slightly prioritised.
Screen Name Redacted 3/18/2024 07:56 PM	Current activities....potential for more music events
Screen Name Redacted 3/18/2024 09:03 PM	A good mix of events, not one or the other. Events like high voltage are better for local businesses than low profile sporting events. SFFC

Fremantle Oval Precinct Redevelopment Masterplan - Community Fremantle : Survey Report for 29 April 2015 to 23 June 2024

games and womens all games haven't brought much before/after activity.

Screen Name Redacted

3/18/2024 09:20 PM

Should be used for sport mainly but also events such as falls festival

Screen Name Redacted

3/20/2024 08:13 AM

This is historically a sporting ground however there should be provision for appropriate events that bring people to Fremantle and enhance financial viability.

Screen Name Redacted

3/21/2024 02:58 PM

Not everyone is interested in sporting events. Mixed use in equal proportions seems like a good outcome. The whole area has great potential for a mixed-use precinct, with lots of shady, outdoor spaces usable by all the community for a variety of activities.

Screen Name Redacted

3/22/2024 08:41 AM

Despite sports being the purpose of the oval, i think engaging with the community on a more personal level would bring more people to sports (ie those not previously interested) and would provide exposure for local artists, musicians, cultural practitioners. By incorporating cultural events into the sports programming (either at the beginning of a game or alternating) people can understand the bigger value of sports as a means to bring people together and share in communal goals. i think supporting the AFLW is very important, and engagement with schools and children's sports will help create a generation of people who feel included in sports at Fremantle Oval!

Screen Name Redacted

3/22/2024 09:58 AM

Should be a balance not one at the expense of the other

Screen Name Redacted

3/22/2024 10:05 AM

The balance seems to work now

Screen Name Redacted

3/22/2024 10:51 AM

Great venue for events

Screen Name Redacted

3/22/2024 04:44 PM

They are not mutually exclusive.

Screen Name Redacted

3/25/2024 11:55 AM

Being central to the city this is the perfect place to stage sport and community events, with local businesses benefiting from the attraction to the city

Fremantle Oval Precinct Redevelopment Masterplan - Community Fremantle : Survey Report for 29 April 2015 to 23 June 2024

Screen Name Redacted 3/25/2024 03:54 PM	Nothing to add.
Screen Name Redacted 3/26/2024 09:27 PM	It is a sports precinct, not a big community hub
Screen Name Redacted 3/28/2024 05:50 PM	It is a huge facility that can be used for so much more than sport. Off course the field needs to be "match" ready during the WAFL and AFLW seasons, but between those dates, I feel like it could host many other events, - food trucks, cultural nights, concerts, family festivals.
Screen Name Redacted 3/28/2024 05:56 PM	Need to have many uses of the site
Screen Name Redacted 3/30/2024 07:06 PM	Mainly sporting. Enough with WAFL, AFLW, Glory Etc.
Screen Name Redacted 4/01/2024 02:33 PM	Australian pipe band championships would be great here? 2026 coming to WA.
Screen Name Redacted 4/03/2024 12:10 PM	Sports and community events do overlap, but it makes sense to harness the opportunity to grow community-based uses.
Screen Name Redacted 4/03/2024 03:47 PM	More sport for sure. More family focused events- and music and culture - outdoor ballet, singers etc like the quarry amphitheatre. Outdoor cinema would be great!
Screen Name Redacted 4/03/2024 03:55 PM	it is historically a sporting space
Screen Name Redacted 4/03/2024 04:30 PM	I like both equally, however it should not lose its focus as a historical sporting ground.
Screen Name Redacted 4/03/2024 04:39 PM	So long as not like the diaboical falls festival disaster - retaining for sport and community events, not commercial events.
Screen Name Redacted 4/03/2024 05:04 PM	See good opportunities for both. Optus stadium for example does both and it works well. Don't want to limit to just sports or just events.

Fremantle Oval Precinct Redevelopment Masterplan - Community Fremantle : Survey Report for 29 April 2015 to 23 June 2024

Screen Name Redacted 4/04/2024 07:29 AM	I follow the AFLW and am rapt that our oval is the Docker's AFLW team's home ground. I also really enjoyed the High Voltage event and the oval is a great area to stage such events too.
Screen Name Redacted 4/04/2024 08:12 AM	Maintaining sports events as the focus can make that aspect a more enjoyable experience. This is one of very few sports arenas in the Fremantle area, while there are other areas that can also host other events (Esplanade Park, Fremantle Park, etc.). Venue can still host cultural and music events, but that shouldn't be the main focus.
Screen Name Redacted 4/04/2024 12:29 PM	My main focus is Fremantle AFLW game days however I would definitely make the journey to Fremantle for more community focused events too.
Screen Name Redacted 4/05/2024 12:14 PM	Fremantle Oval has been home for SFFC for 124 years and with the growth of women's football, it makes it a very significant and important venue. Other events have been and can continue to be held alongside WAFL/AFLW seasons if the oval's surface can be protected so that it remains safe for players. It would be very much to Fremantle's detriment to not have either SFFC or the Docker's AFLW games at Fremantle Oval. Having better facilities for these sporting and community activities will add considerable value to the wider Fremantle business community.
Screen Name Redacted 4/06/2024 12:22 PM	Oval in great position. I think the dockers woman footy get a good crowd
Screen Name Redacted 4/24/2024 09:06 AM	as above the more diverse it can be the better, but it cant be the model used at East Freo, it will kill the clubs that make the oval iconic.
Screen Name Redacted 4/24/2024 12:38 PM	There is room for both just be mindful of community events compromising the playing surface and have a plan around this.
Screen Name Redacted 4/24/2024 03:20 PM	Ample other locations for non sport activities. These other events have damaged property and infrastructure the football club relies on in the past.
Screen Name Redacted	See previous comment. Keep some heritage and support junior and

Fremantle Oval Precinct Redevelopment Masterplan - Community Fremantle : Survey Report for 29 April 2015 to 23 June 2024

4/25/2024 12:54 AM	up coming footy
Screen Name Redacted 4/25/2024 12:46 PM	Realistically we need to have events to keep the club sustainable
Screen Name Redacted 4/28/2024 06:46 AM	Fremantle Oval is the sporting centre of the City and should remain so.
Screen Name Redacted 4/29/2024 03:51 PM	The oval is a sporting venue and events should be weighed toward sport, but not exclusively
Screen Name Redacted 4/30/2024 05:05 PM	Great facilities attract a greater range of events
Screen Name Redacted 5/01/2024 10:23 AM	I think both are just as important.
Screen Name Redacted 5/02/2024 01:19 PM	Primary sports ground needs more capacity to attract sporting and other events. 20k gives advantage over Leederville waca Showgrounds. Dockers women. Dockers men scratch matches Fri night WAFL south and east Freo. State match. Gatheround. Then it he er sports. Attracting people from elsewhere is critical. Plus cheaper parking
Screen Name Redacted 5/02/2024 01:41 PM	SPORTS PLUS CONCERTS
Screen Name Redacted 5/04/2024 09:24 AM	As above
Screen Name Redacted 5/05/2024 04:53 PM	More events on a range of themes.
Screen Name Redacted 5/06/2024 06:02 PM	During the summer months the oval should be utilized weekly for events that will attract visitors.
Screen Name Redacted 5/15/2024 03:57 PM	East fremantle fc too play some home games there
Screen Name Redacted	More arts centred events. There're plenty of sports events

Fremantle Oval Precinct Redevelopment Masterplan - Community Fremantle : Survey Report for 29 April 2015 to 23 June 2024

5/17/2024 08:57 PM

Screen Name Redacted

5/20/2024 05:56 PM

As long as the place is not torn apart by certain events and the type of crowd they attract the Oval should be used more to help it become a focal point of Fremantle where interstate tourists would like to come would be a great advantage to Fremantle. It should be publicised as a must visit part of Fremantle. The MCG has a lot of history and people want to go see it and tour through it. Something along those lines would enhance the Oval and reason to visit Fremantle.

Screen Name Redacted

5/22/2024 06:26 PM

Unquestionably both, but with a sport and heritage focus first and foremost. An improved, more versatile, ground and more comfortable spectator areas will certainly attract more sport events. Could even be modified to suit rugby, soccer and track and field events - and more.

Screen Name Redacted

5/24/2024 11:11 PM

The non football events do too much damage to the surface which is the envy of all other WAFL clubs. I never want to see people walking their dogs on the hallowed turf. With dogs, comes dog excrement which is unacceptable for a football match played by any SFFC team.

Screen Name Redacted

5/27/2024 11:24 AM

Traditionally, a sporting venue. I would support an alignment with this. It used to be an important cycling venue

Screen Name Redacted

5/27/2024 07:57 PM

Utilise the grounds as much as possible. Why not?

Screen Name Redacted

5/28/2024 11:10 AM

A variety is always good

Screen Name Redacted

5/28/2024 11:12 AM

Have only attended football games at the oval in the last 10 years.

Screen Name Redacted

5/28/2024 12:07 PM

It's a fantastic mixed use venue based on it's location.

Screen Name Redacted

5/28/2024 01:55 PM

Sport should be the main focus, its been a sports oval for ever, keep it that way. Don't allow activities on the oval that would severely damage the surface

Fremantle Oval Precinct Redevelopment Masterplan - Community Fremantle : Survey Report for 29 April 2015 to 23 June 2024

Screen Name Redacted 5/31/2024 02:01 PM	The more often the site is used as a community focus the better.
Screen Name Redacted 5/31/2024 03:22 PM	Football should be the primary focus. Other events are great as long as they don't adversely impact the football programs
Screen Name Redacted 5/31/2024 06:00 PM	It is an absolute shame that the Fremantle Dockers are not housed at Fremantle oval. Not to play there, but as a principle tenant of either the Northern or southern side of the ground. I refuse to believe they couldn't have been accommodated - the commerciality and sense of identity to Fremantle would have been enormous. Looking at the space cleared for the for the police station shows there always was a footprint. South Fremantle FC have to be more proactive in developing its facility also. I believe community events can co exists with football from October to March each year.
Screen Name Redacted 5/31/2024 07:31 PM	sport is the priority
Screen Name Redacted 6/01/2024 12:45 PM	Please make the oval a dog friendly precinct, especially for football game day. I think WAFL/AFLW games would attract more people if they can take their dog into a designated area of the venue.
Screen Name Redacted 6/01/2024 02:35 PM	Better kind of crowds more in line with what Fremantle is known for.
Screen Name Redacted 6/01/2024 04:05 PM	be ware the oval is a delicate beast, overuse will limit primary use - AFL football training and games
Screen Name Redacted 6/01/2024 09:46 PM	Mainly sports focused like I would like this ground to be used at in afis gather round its iconic to wa but at the same time concerts would be awesome after Eagan games
Screen Name Redacted 6/03/2024 06:13 PM	I attend WAFL, AFLW, and community events - if we have the space, let's use it as much as possible!
Screen Name Redacted 6/04/2024 11:14 AM	Keeping the area fully utilised with a range of events throughout the year will build its reputation and Freo,s as a vibrant place to be.
Screen Name Redacted	Going to the AFLW at the oval is great becasue it is so local. Going to

Fremantle Oval Precinct Redevelopment Masterplan - Community Fremantle : Survey Report for 29 April 2015 to 23 June 2024

6/04/2024 11:54 AM	a WAFL game is great because it so informal compared to going to an AFL game at Optus Stadium. The oval itself is beautifully ept and the community should have thoughtful, controled access to it.
Screen Name Redacted 6/04/2024 03:01 PM	Please seek a balance to maximise use of an important community asset.Large/noisy events are better held on the Esplanade.
Screen Name Redacted 6/05/2024 01:39 PM	Being the Sport icon it should be focussed on that with a community feel so it can increase the oncome
Screen Name Redacted 6/06/2024 06:19 PM	Mixture to appeal to the many and generate income to sustain less well attended events
Screen Name Redacted 6/09/2024 02:53 PM	It's a sports oval that should be fit for that purpose. It should also be able to be used by the rest of the community at other times, including schools (for sports practice, sports carnivals, school fairs) and events like concerts, performances and markets.
Screen Name Redacted 6/09/2024 03:51 PM	The more events the better!
Screen Name Redacted 6/09/2024 04:17 PM	I'm not a big sports fan but I enjoy being in the space for events.
Screen Name Redacted 6/09/2024 06:22 PM	Australian football must remain the main thing at Fremantle Oval.
Screen Name Redacted 6/09/2024 07:04 PM	Need to diversify. Footy is only for half the year.
Screen Name Redacted 6/09/2024 07:51 PM	Plenty of opportunity for burg in my opinion.
Screen Name Redacted 6/10/2024 08:27 AM	Family focused and local.
Screen Name Redacted 6/10/2024 11:11 AM	As many events as possible. Get Fremantle Dockers back there engaging with the town.

Fremantle Oval Precinct Redevelopment Masterplan - Community Fremantle : Survey Report for 29 April 2015 to 23 June 2024

Screen Name Redacted Utilise this Beautiful and Historic area of Fremantle for the future of
6/13/2024 08:05 AM Sport, Entertainment and Leisure.

Screen Name Redacted More cultural and music events to allow dual use of the space for all
6/13/2024 05:49 PM the community, not just footie fans.

Screen Name Redacted events related with wellbeing and sport and recreation
6/13/2024 08:40 PM

Screen Name Redacted Mix is pretty good at the moment
6/14/2024 01:49 PM

Screen Name Redacted Have to be able to accomodate both. Football isn't enough but also
6/14/2024 02:13 PM the heart of the oval.

Screen Name Redacted It is a crucial hub for Australian rules football. This should be
6/14/2024 03:20 PM enhanced - not reduced.

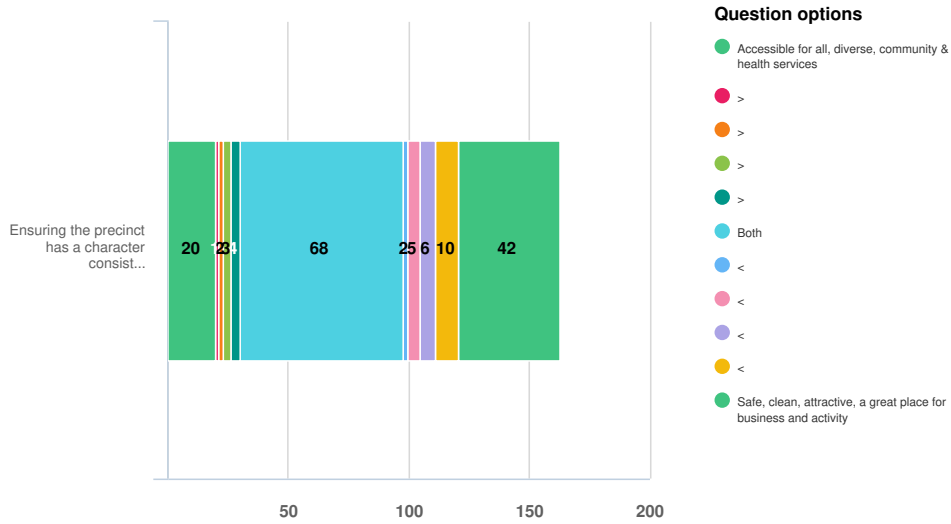

Screen Name Redacted Community events in the off season, big sporting events in season.

Fremantle Oval Precinct Redevelopment Masterplan - Community Fremantle : Survey Report for 29 April 2015 to 23 June 2024

Q16 | Can you tell us more about your marker selection?

Screen Name Redacted 3/15/2024 02:27 PM	Not sure what the point of this question is
Screen Name Redacted 3/15/2024 02:32 PM	Definitely both please
Screen Name Redacted 3/15/2024 02:47 PM	Clean up the homeless and antisocial behaviour. This will encourage real people back. People with money. Money will add value to Fremantle and so on....get it?
Screen Name Redacted 3/15/2024 03:29 PM	asabove
Screen Name Redacted 3/15/2024 04:12 PM	Disabled ' accessibility as a priority!
Screen Name Redacted 3/16/2024 09:52 PM	Consider public & community needs
Screen Name Redacted 3/18/2024 03:27 PM	BETTER LIGHTING AND SPECTATOR FACILITIES .
Screen Name Redacted 3/18/2024 04:46 PM	I can't understand the divide in this question. Surely accessibility and a safe clean environment aren't mutually exclusive?
Screen Name Redacted 3/18/2024 09:03 PM	Investment is desperately needed.
Screen Name Redacted 3/20/2024 08:13 AM	I thinks these can go hand in hand....
Screen Name Redacted 3/22/2024 08:27 AM	The facade is great how it is but needs a facelift on the other side and a new stand.
Screen Name Redacted 3/22/2024 08:41 AM	The association between sports, health and community should be prioritized over commercial interests, as the commercial interests can

Fremantle Oval Precinct Redevelopment Masterplan - Community Fremantle : Survey Report for 29 April 2015 to 23 June 2024

easily expand or bust, (leaving the community behind) whereas accessible community and health services will be resource demanding at first but will allow for sustainable engagement with the area inclusive of all aspects of playing sport- ie. training, injury, health and wellness, mental health services. Focusing on accessible diverse community and health services.

Screen Name Redacted

3/22/2024 09:58 AM

Again a balance is a superior option

Screen Name Redacted

3/22/2024 10:05 AM

Do up the old stand , move springers gym into a more modern gym that can be used 24/7 and benefit more with better facilities, use the underneath of grandstand as a museum for football in fremantle

Screen Name Redacted

3/22/2024 11:00 AM

Safety is a significant issue in Fremantle, generally. Especially for residents who are in the area more frequently. Ratepayers and visitors have should feel safe from harassment and harm in the City.

Screen Name Redacted

3/22/2024 04:44 PM

Not everything should be money driven. Public spaces should provide opportunities for all regardless of wealth.

Screen Name Redacted

3/25/2024 03:54 PM

Safe and attractive is good for everyone, but so is accessibility for everyone. I know I've seen a health van in the carpark before and I think that's a great service that should be continued some how.

Screen Name Redacted

3/26/2024 09:27 PM

As it is part of a sports area and partly health area, my selection is important. We do need more offices in Fremantle, just not at the local sports oval

Screen Name Redacted

3/28/2024 05:50 PM

You should have access for all people, and this shouldn't even be a question, Yes you need lifts/escalators and wheelchair access. Also facilities for service dogs and support workers. AS well as honouring the Indigenous peoples ancestry which Fremantle has so much of.

Screen Name Redacted

3/28/2024 05:56 PM

Balance needed

Screen Name Redacted

3/30/2024 07:06 PM

Just make it functional with nice amenities.

Fremantle Oval Precinct Redevelopment Masterplan - Community Fremantle : Survey Report for 29 April 2015 to 23 June 2024

Screen Name Redacted 4/03/2024 12:10 PM	Safety is a priority but having a facility that is accessible to all, including our diverse community very important.
Screen Name Redacted 4/03/2024 03:47 PM	safe and clean vital as Freo is looking grubby and people are being put off. Safe to walk through even when events not on.
Screen Name Redacted 4/03/2024 03:55 PM	both are very important
Screen Name Redacted 4/03/2024 05:04 PM	Understand the need for accessibility but that should not be a primary priority
Screen Name Redacted 4/04/2024 07:29 AM	It is not right that commercial interests have a stake in the redevelopment of the precinct.
Screen Name Redacted 4/04/2024 12:29 PM	AFLW community is well known for its inclusivity and safe space for all. Ensuring this is accessible for all is vital to continue that through from AFLW to all aspects of Fremantle Oval events.
Screen Name Redacted 4/05/2024 12:14 PM	The two options should not be mutually exclusive. Both should be accommodated.
Screen Name Redacted 4/06/2024 12:22 PM	Both of course
Screen Name Redacted 4/17/2024 03:35 PM	Safety and cleanliness are already huge failing sin the COF To attract visitors back that has to be a focus. Again your options here are at cross points are you saying if it's diverse it will be dirty You really need to rethink your survey So far it's quite appalling
Screen Name Redacted 4/24/2024 09:06 AM	finding the right middle ground is key.
Screen Name Redacted 4/24/2024 12:38 PM	I think this obvious.
Screen Name Redacted 4/24/2024 03:20 PM	Fremantle is multicultural. If you want a 'Freo' building it should be inclusive and accessible

Fremantle Oval Precinct Redevelopment Masterplan - Community Fremantle : Survey Report for 29 April 2015 to 23 June 2024

<p>Screen Name Redacted 4/25/2024 12:54 AM</p>	<p>I'm sick of getting abused by junkies. They are everywhere and have enough freebies as it is.</p>
<p>Screen Name Redacted 4/25/2024 12:46 PM</p>	<p>Both of these high priorities for everyone concerned. Fremantle has always been a Multi Cultural place, there should be more diverse religious and cultural community centres available and facilities for people in need and homeless.</p>
<p>Screen Name Redacted 4/30/2024 05:05 PM</p>	<p>Modern and easy access</p>
<p>Screen Name Redacted 5/01/2024 10:23 AM</p>	<p>Safety is number one priority so its good the new police station will be near by. Cleanliness is paramount hence why I like going to Optus Stadium.</p>
<p>Screen Name Redacted 5/02/2024 01:19 PM</p>	<p>Focus on big crowds who spend more. Compete other venues in petth</p>
<p>Screen Name Redacted 5/02/2024 01:41 PM</p>	<p>HAS TO BE STATE OF THE ART TO ATTRACT AFL GATHER ROUND FURTHER DOWN THE TRACKJ</p>
<p>Screen Name Redacted 5/05/2024 04:53 PM</p>	<p>Inclusive of all</p>
<p>Screen Name Redacted 5/06/2024 06:02 PM</p>	<p>After 8pm the area is not suitable for families, safety and cleanliness must be a priority to attract visitors e.g. you cannot get a cup of coffee in the precinct after 9pm.</p>
<p>Screen Name Redacted 5/13/2024 05:40 PM</p>	<p>If you do not seriously deal with the anti-social element in Fremantle-central anything you ask from the community is pointless. People do not bring families here because they do not feel safe. I live on Parry street and I have been screamed at multiple times, had things thrown at me, witnessed violent acts and vandalism from my balcony and it is getting worse. Fremantle is, and should be, compassionate as a city - but not at the expense of its harmony and sense of safety for residents and visitors.</p>
<p>Screen Name Redacted 5/15/2024 03:57 PM</p>	<p>Multi purpose venue</p>

Fremantle Oval Precinct Redevelopment Masterplan - Community Fremantle : Survey Report for 29 April 2015 to 23 June 2024

Screen Name Redacted 5/17/2024 10:59 AM	Making Freo more walk /cycling friendly and less cars, with more accessible public transport connects will help disabled people navigate the city better.
Screen Name Redacted 5/17/2024 08:57 PM	Not sure why these are mutually exclusive...
Screen Name Redacted 5/20/2024 05:56 PM	Make it family friendly. Establish a family oriented cafe/restaurant to attract people.
Screen Name Redacted 5/22/2024 06:26 PM	A no brainer. Of course it should be a community asset suited to a variety of facilities and services, it should be the active heart of the City. It should be used more - during the day and night! It should be accessible to all and be something we can all be proud of. It isn't now. That hideous press box and advertising sign should be the first to go. It is an architectural travesty! the oval should be realigned as per the master plan proposal. A well designed and located concession should be included.
Screen Name Redacted 5/24/2024 11:11 PM	I have felt safe at this oval for 55 years and if that were to change it's curtains for me.
Screen Name Redacted 5/27/2024 11:24 AM	Obvious work needs to be done.
Screen Name Redacted 5/27/2024 07:57 PM	I value Fremantle's architectural appeal. I also want to feel safe in the suburb I live.
Screen Name Redacted 5/28/2024 11:12 AM	Well maintainer now so don't spoil it.
Screen Name Redacted 5/28/2024 12:07 PM	Both markers listed could be the character of the precinct with football being the focus.
Screen Name Redacted 5/28/2024 01:55 PM	So long as the main focus stays on sport
Screen Name Redacted 5/31/2024 02:01 PM	It needs to be attractive - don't get distracted by wokeness

Fremantle Oval Precinct Redevelopment Masterplan - Community Fremantle : Survey Report for 29 April 2015 to 23 June 2024

Screen Name Redacted 5/31/2024 03:22 PM	Again, not mutually exclusive
Screen Name Redacted 5/31/2024 06:00 PM	Keep the undesirable and drugs out of Fremantle and clean up the streets. My interstate and overseas friends are shocked at the conditions of Fremantle town and roads.
Screen Name Redacted 5/31/2024 07:31 PM	better lighting and spectator facilities.
Screen Name Redacted 6/01/2024 02:35 PM	It's a hub for entertainment. Those other things are important but not in Fremantle.
Screen Name Redacted 6/01/2024 04:05 PM	to be a great place for sport, business (limited) and activity
Screen Name Redacted 6/03/2024 06:13 PM	Accessible is important, but health services are not important to me in this precinct.
Screen Name Redacted 6/04/2024 11:14 AM	Safety is paramount. Sadly Freo has become synonymous with vagrants, anti social behaviour and druggies. Many residents dare not venture out onto the streets at night or even during daylight hours in certain areas. This has to change.
Screen Name Redacted 6/04/2024 11:54 AM	Again I don't understand your question. Left hand and (what) activity. Can't be business as you have mentioned that. I can't be sure but I think Freo Oval is accessible for all. Not sure what is meant by health services. There is a hospital next door!
Screen Name Redacted 6/04/2024 03:01 PM	It is important that the precinct is activated /accessible as widely as possible, not simply on event days. For example staff from the Police Complex or the Hospital would welcome the low key green space provided. Optus Stadium provides an excellent example of useable community space outside the actual stadium.
Screen Name Redacted 6/05/2024 01:39 PM	We must be conscious to involve all stakeholder such
Screen Name Redacted	Must be safe and attractive to all, including families. Must not before

Fremantle Oval Precinct Redevelopment Masterplan - Community Fremantle : Survey Report for 29 April 2015 to 23 June 2024

6/06/2024 06:19 PM	a nighttime no go atea
Screen Name Redacted 6/09/2024 02:53 PM	I'd focus on this being well / cleverly designed FOR MIXED USE (ie variety of flexible seating, good access for people - and trucks - toilets in various locations, change rooms suitable for sportspeople and performers, offices for management / control centre, media facilities, shade, trees....) - as well as being WORLD LEADING in urban design (repurposing or adaptive reuse of materials, fully electric - using renewables to power the venue, plus solar, green roofing, re-wilded areas, eco building materials, etc...) and being a beautiful, contemporary design that aesthetically works in our town ((unlike the police station)). I'd also focus on PEOPLE over 'business' - as a reminder, making people happy makes good economic sense.
Screen Name Redacted 6/09/2024 03:51 PM	Surely it's a no-brainer?
Screen Name Redacted 6/09/2024 04:17 PM	What's the point in making changes if they aren't accessible to all?
Screen Name Redacted 6/09/2024 06:22 PM	It's Freo. We're vibrant and accessible.
Screen Name Redacted 6/09/2024 07:04 PM	I don't know why something safe and clean can't also be community focused and accessible. These aren't in conflict.
Screen Name Redacted 6/10/2024 08:27 AM	HOMES. Housing housing housing housing housing. THERE ARE PEOPLE LIVING ON OUR STREETS.
Screen Name Redacted 6/10/2024 11:11 AM	Needs to be accessible to all
Screen Name Redacted 6/13/2024 08:05 AM	The Development of a second Tier Football oval will attract like minded people to our town and bring vibrant young and happy people together with our local community. Fremantle Business and the city will come alive once again.
Screen Name Redacted 6/13/2024 08:40 PM	Recreational Facilities with Social Benefits: Developing recreational facilities, such as a padel club at Fremantle Oval, would offer significant social benefits. Padel is known for its social nature, often played in doubles, which fosters interaction and community building

Fremantle Oval Precinct Redevelopment Masterplan - Community Fremantle : Survey Report for 29 April 2015 to 23 June 2024

among players. This would provide residents with a space not only for physical activity but also for social engagement, helping to create a tight-knit community. Community Spaces: Enhancing community spaces where residents can gather, socialize, and participate in group activities is crucial. These spaces help foster a sense of belonging and community spirit, making the city centre more attractive to residents.

Screen Name Redacted Need a sound balance
6/14/2024 01:49 PM

Optional question (75 response(s), 88 skipped)
Question type: Essay Question

Q17 | Is there anything else you'd like to add about the Fremantle Oval Precinct?

Screen Name Redacted I would like to see a great heritage restoration. Also, integration with the new police station is vitally important - given that facility is costing in the region of \$70 million, there should at least be a few dollars available to ensure success
3/15/2024 02:27 PM

Screen Name Redacted Great to see it is being painted on street opposite markets s it looks very neglected
3/15/2024 02:32 PM

Screen Name Redacted I believe a major up grade of Fremantle oval to get the AFL games back. Closing off the street and building a big stadium will help to bring life back into Fremantle. The city is dying and making Fremantle Oval a main AFL hub will be good. Fremantle needs an icon to lure people back into the city. The city can come up with shuttles on game days for people to park even if it's at East Fremantle oval. There is also all that land that is wasted. From the woolstores to the river. Relocate the train station 200 meters north from where it is. What an ideal spot for a dinning and shopping hub. Come up with a master plan and approach the federal government for some grants. Fremantle is accessible only from 180° and the city has closed down roads and made it almost impossible to drive through. Open up the roads so people can get in and out quickly. The city has shut down the roads, focused spending money on unnecessary council chambers and invited homeless people to sleep anywhere they like all to the detriment of local businesses and family. Stop doing half ass'ed Reno's... It's time to rebuild Fremantle and get the people back. ROFF- Rebuild Our Fremantle First
3/15/2024 02:47 PM

Fremantle Oval Precinct Redevelopment Masterplan - Community Fremantle : Survey Report for 29 April 2015 to 23 June 2024

<p>Screen Name Redacted 3/15/2024 03:29 PM</p>	<p>an important landmark in the city and well overdue</p>
<p>Screen Name Redacted 3/16/2024 09:52 PM</p>	<p>Do not build high rise buildings or motel type accommodation around it. Keep the precinct near Fremantle Prison & Freo Markets surrounding the oval. Maintain Fremantle Hospital near too.</p>
<p>Screen Name Redacted 3/17/2024 11:12 AM</p>	<p>Green it up !!! more parks, walk paths. seating - less cars</p>
<p>Screen Name Redacted 3/18/2024 03:27 PM</p>	<p>FREO OVAL SHOULD BE FOOTY FOCUSED WITH BOTH SOUTH and EAST Freo clubs playing there as well as AFLW and WAFLW.</p>
<p>Screen Name Redacted 3/18/2024 04:46 PM</p>	<p>The only other thing I would implore you to consider is more covered stands to protect from sun and rain so crowds don't have to huddle under one section of tin roof on game day. Cheers</p>
<p>Screen Name Redacted 3/18/2024 05:43 PM</p>	<p>Must be south Fremantle football club as a priority</p>
<p>Screen Name Redacted 3/18/2024 07:32 PM</p>	<p>It needs some major improvements in areas such as toilet facilities, food offerings, seating (comfort and view of ground), e.g. the carpark inside the ground makes no sense.</p>
<p>Screen Name Redacted 3/18/2024 07:56 PM</p>	<p>Provide more comforting seating optios and easier accessibility for the prison side of ground</p>
<p>Screen Name Redacted 3/18/2024 09:03 PM</p>	<p>Car parking Residential Commercial</p>
<p>Screen Name Redacted 3/18/2024 09:20 PM</p>	<p>Priority needs to be to allow the South Fremantle FC and WAFL football grow by providing great club facilities and make it a great place to watch football. It also needs to be a great place for the Dockers to host events such as women's and pre season matches and open training sessions.</p>
<p>Screen Name Redacted 3/20/2024 08:13 AM</p>	<p>Unfortunately the opportunity to use the Stan Rielly site to retain an AFL team in Fremantle was missed so this opportunity becomes very important to enhance what is a unique venue for so many reasons. In addition is essential that any development that takes place protects</p>

Fremantle Oval Precinct Redevelopment Masterplan - Community Fremantle : Survey Report for 29 April 2015 to 23 June 2024

the World Heritage aspects of the precinct.

Screen Name Redacted

3/21/2024 09:03 AM

More activation required on the Fairbairn St ramp. Better connection to Fremantle Prison. This should include vegetation and trees in planters (so as not to impact the heritage significance of convict material), perhaps shade and seating options. Would also allow for community pop up markets and other activations in this area.

Screen Name Redacted

3/21/2024 02:58 PM

I really support this proposed masterplan, especially the improved pedestrian and cycle connections to, through and from the Oval to different parts of the surrounding area. The Oval currently is a huge 'black hole' that is not permeable on foot or by bike, so it adds little to no value at all to many. Currently it is a largely 'hidden' and mostly walled space that one is forced to walk/cycle AROUND (thus lengthening the distances needed to be walked/cycled) - on and through unappealing, unshaded, asphalted spaces adjoining the oval eg the roadway/footpath between prison and Hospital). It really should be opened up to more inclusive activities/uses by all the community.

Screen Name Redacted

3/22/2024 08:27 AM

Love the gym please keep or give it a facelift.

Screen Name Redacted

3/22/2024 08:41 AM

I think this redevelopment is a great opportunity to focus on community, and in doing so, we can attract others to see how we look after and celebrate our community. The current focus on commercial, real estate and police infrastructure within the city of Fremantle needs to be balanced with a place that is for community to gather and share its skills and experience, and this needs to be connected to the rest of the city and the further reaches (beaches!). I look forward to see how this project goes.

Screen Name Redacted

3/22/2024 09:09 AM

The SIF gym is an important attribute as it attracts a large number of diverse people and provides a unique facility within Fremantle.

Screen Name Redacted

3/22/2024 09:58 AM

We enjoy the use of the facility, it should be maintained and improved via investment from Local/State government and Partners

Screen Name Redacted

3/22/2024 09:59 AM

Please keep the local gym. It has so much history. Even if you build a new gym let the owners of springers move there.

Fremantle Oval Precinct Redevelopment Masterplan - Community Fremantle : Survey Report for 29 April 2015 to 23 June 2024

<p>Screen Name Redacted 3/22/2024 10:05 AM</p>	<p>Allow existing business to have the chance to be selected in the new build, for example Springers Gym will be a better fit then a Revo fitness. Allow Freo business to be apart of the build</p>
<p>Screen Name Redacted 3/22/2024 11:00 AM</p>	<p>There is community concern that Spring Into Fitness, a cherished 20+ year and authentic community gym, will be pushed out as a result of this process and replaced by a faceless, mega chain or franchise - devoid of character or community value. This gym is important to a great many people in this community and is a sterling example of inclusive, community culture.</p>
<p>Screen Name Redacted 3/25/2024 02:07 PM</p>	<p>THis needs to be undertaken promptly as Fremantle is dying with lots of businesses empty and it is not attractive to visitors.</p>
<p>Screen Name Redacted 3/25/2024 03:54 PM</p>	<p>I think the redevelopment is long overdue. The Oval could be a really great space for any number of events, maybe even night markets (I miss the saturday night South Beach food markets!). I'm also a member of Spring into Fitness gym and visit 4 or 5 days a week. I don't know what the plan is for them as I couldn't see any mention in the details. But, I would sincerely hope they feature in your plans. From my experience the gym provides a safe, friendly and welcoming community which would be a real loss if it's overlooked in the redevelopment.</p>
<p>Screen Name Redacted 3/25/2024 07:17 PM</p>	<p>Retain the small gym. Training alongside athletes, overlooking that beautiful oval is a wonderful experience. It's a vibe and spills out into the local cafes and markets. The gym itself is historic and under valued by the Council</p>
<p>Screen Name Redacted 3/27/2024 08:48 PM</p>	<p>Fremantle has turned into a bunch of bars and restaurants. All the shops and things to do are gone as rents were too high. All you can do is eat and drink. And soon work or live, We need stuff to do! We need shops to look in ! We need sports, concerts, and events spaces.</p>
<p>Screen Name Redacted 3/28/2024 05:50 PM</p>	<p>I know that the area next to the oval has been earmarked for the new Polic Station. Perhaps it should be in a different place as South Tce is such a busy road with traffic jams nearly every day. It would make getting out of the station very inconvenient for any 000 police action.</p>
<p>Screen Name Redacted 3/28/2024 05:56 PM</p>	<p>This should be more than an AFL oval</p>

Fremantle Oval Precinct Redevelopment Masterplan - Community Fremantle : Survey Report for 29 April 2015 to 23 June 2024

Screen Name Redacted 3/30/2024 07:06 PM	Make sure Springers gym is retained.
Screen Name Redacted 4/03/2024 12:10 PM	Celebrating our diverse cultural heritage through this community initiative is an asset to the City.
Screen Name Redacted 4/03/2024 03:47 PM	Its a great opportunity to create an accessible and activated space- but it needs to have people to use it and not be all about drinking and eating only. It has the potential to open up a whole new experience of Freo. Please get the mix right - Looking forward to utilising it.
Screen Name Redacted 4/03/2024 03:55 PM	it should be a hub for all peopl with the sporting oval at the main site
Screen Name Redacted 4/03/2024 04:30 PM	Yes. The precinct is a great example of a classic Australian sporting ground. I do not want to see this character lost in the process of redevelopment. The grandstand, views to the prison and prominence of the SFFC must be retained.
Screen Name Redacted 4/03/2024 04:39 PM	Move police vehicles out to a precinct that doesnt have cars speeding out all day and night and up high street. A police precinct at the oval precinct would be a tragic mistake
Screen Name Redacted 4/03/2024 05:04 PM	There's a great opportunity to improve the space and bring more people to Fremantle.
Screen Name Redacted 4/04/2024 07:29 AM	Please be very very careful. We only have the oval and the historic grandstand because nothing has been done. So go easy, please. The Parry Street carpark is the opportunity for providing necessary car parking. Please no multi story carpark. Save the limestone walls.
Screen Name Redacted 4/04/2024 08:12 AM	Realignment of oval closer to grandstand makes sense, but goes a little too far. Need some more access in front of the grand stand for pedestrian movement (this isn't like a modern stadium with access built into and under the stands. Could become a bottle-neck.
Screen Name Redacted 4/04/2024 12:29 PM	Much of the ground is not accessible for people with disability with the concrete steps. Ensuring there is adequate shade and more suitable viewing options for all is really important to consider. Also the

Fremantle Oval Precinct Redevelopment Masterplan - Community Fremantle : Survey Report for 29 April 2015 to 23 June 2024

changeroom facilities are well overdue for renovation to make them fit for elite women's sports. Urgent attention is needed to ensure this is up to standard as we are well behind many other AFLW facilities across the Country which is not only unfair to our athletes but also quite embarrassing.

Screen Name Redacted
4/05/2024 12:14 PM

The redevelopment is very much needed. The precinct is long overdue for a facelift/renewal.

Screen Name Redacted
4/06/2024 12:22 PM

I feel when the Fremantle Dr is there doing a clinic it's a lot more private than outside St Pats

Screen Name Redacted
4/17/2024 03:35 PM

Retain the hill on the southern side terrace it and give the ground a hill right back to the hospital boundary Protect the mature trees over development

Screen Name Redacted
4/24/2024 09:06 AM

It needs to be done, i cant believe such an iconic area it not used for its full potential as a hub for all.

Screen Name Redacted
4/24/2024 11:41 AM

This is a once-in-a-lifetime opportunity to provide a space for the fremantle community they can be proud of.

Screen Name Redacted
4/24/2024 11:58 AM

Toilet facilities are in poor condition and are often flooded or out of order needing portable toilets brought in. any redevelopment should include better toilet and sanitation facilities

Screen Name Redacted
4/24/2024 12:37 PM

Fremantle football club should return to the oval for its home base. Reenergizing the clubs culture and identity. While remaining a community and public access facility

Screen Name Redacted
4/24/2024 12:38 PM

I personally think the ground should be upgraded as a boutique stadium to hold 25/30 k people. Containing restaurants, bars and other business' It would market itself for events and be An earner for the city. It also may be an alternate venue for AFL when our AFL sides host low membership sides like GWS. It my also equip WA to hold Gather Rd more successfully or other Unique AFL opportunities that may present.

Screen Name Redacted

Keep it sports oriented. Keep some heritage

Fremantle Oval Precinct Redevelopment Masterplan - Community Fremantle : Survey Report for 29 April 2015 to 23 June 2024

4/25/2024 12:54 AM

Screen Name Redacted

4/25/2024 12:46 PM

I would like to think that the new development keeps its history and essence of this place that has so much history and wealth of knowledge to be passed on. We have lost some characters and character of our Club and I would like to see that is priority to our Clubs history as the Family Club. Also to make sure all cultures are included. Indigenous Engagement and acknowledging sense of place must be included.

Screen Name Redacted

4/25/2024 08:43 PM

South Freo and football in the City of Fremantle has been a staple for over 120 years.....this must continue!!

Screen Name Redacted

4/26/2024 02:28 PM

Please refer to official letter from the Fremantle Chamber of Commerce (FCC) pertaining to the Fremantle Oval precinct redevelopment.

Screen Name Redacted

4/28/2024 06:46 AM

Keep a traditional scoreboard and do not use an electronic one. A traditional scoreboard has character.

Screen Name Redacted

4/30/2024 05:05 PM

long overdue. Needs to modernise and update for a new generation

Screen Name Redacted

5/01/2024 10:23 AM

I really like it and especially how the oval will be re oriented and make the beautiful Victoria Pavillion better locted to the oval. My only gripe is I wish construction was starting before 2026 ! I cant wait.

Screen Name Redacted

5/02/2024 01:19 PM

Frem oval needs to be venue to attract events that can't be held at Optus stadium. Adequate capacity of \$20k means it outbids other options. Consider how other sports can be accommodated through spectator area placement. It needs regular events Fri or sat nights. Footy or other sports cultural. Entice East Freo to play at night. Improve lighting at venue. Improve safety. Cheaper parking. Street lighting etc. more small mid sized trees in Fremantle. There are big trees but a clear shortage of trees attracting birds where there is less space

Screen Name Redacted

5/02/2024 01:41 PM

WOULD LIKE THE OVAL TO STAY IN THE SAME POSITION AND THEN WORK AROUND THE ORIGINAL GROUNDS WHY DIG UP THE OVAL AT ALL

Fremantle Oval Precinct Redevelopment Masterplan - Community Fremantle : Survey Report for 29 April 2015 to 23 June 2024

Screen Name Redacted 5/04/2024 09:24 AM	There was talk of putting in a car park as part of the upgrade, I think this should go ahead as Fremantle needs more parking space badly.
Screen Name Redacted 5/05/2024 04:53 PM	Covered areas for football spectators in the outer.
Screen Name Redacted 5/06/2024 12:54 PM	Yes. I would like serious consideration given to offering the developer / owner of the Elders Woolstores the future potential development land at the Fremantle oval area in exchange for the Woolstores. The Council strategic plan talks of increasing areas for youth, keeping the arts vibrant, keeping youth vibrant and involved. The woolstores is an area for that youth to express themselves and should be bought back under Council control and opened up to youth and the arts. It could be a seriously mind blowing building for artistic expression. We do not want to live in a concrete and glass Manhattan 5th Avenue Trump tower disaster zone.
Screen Name Redacted 5/06/2024 06:02 PM	Parking is required for visitors. better signage for visitors i.e. town tourist maps. Walking paths to guide visitors to the precinct. Redevelop the SFFC club house as a priority.
Screen Name Redacted 5/13/2024 05:40 PM	I'd like to see the return of the Fremantle Dockers! I'd like to see the ground be a first class sporting location with Fremantle charm and hospitality. It doesn't have to look like every other great sporting oval. And the trees should be kept and used as a point of difference. Keep the usual fans food and alcohol venders out - showcase our local food/brewers. Maybe onsite food trucks as a permanent option - onsite food market? Great seating for all ages and mobility.Gyms for resident access, local schools could also use it - so there's always people using the facilities. Good lighting and security.
Screen Name Redacted 5/15/2024 03:57 PM	A cotenant arrangement with both the sffc and effc would have been an ideal plan as originally proposed
Screen Name Redacted 5/17/2024 03:07 PM	Will be great for freo, more large scale music events, indoor sports would be good too
Screen Name Redacted 5/17/2024 08:15 PM	Ensure existing businesses are given the opportunity to be included in the planning & development
Screen Name Redacted	As a rate payer I don't want to pay for it. Find other funds.

Fremantle Oval Precinct Redevelopment Masterplan - Community Fremantle : Survey Report for 29 April 2015 to 23 June 2024

5/17/2024 08:57 PM

Screen Name Redacted

5/19/2024 02:11 PM

Ensure that the precinct will still be gated for events please. Unlike what has happened at East Fremantle community centre

Screen Name Redacted

5/20/2024 05:56 PM

Please don't knock down the Morton Bay Figs.

Screen Name Redacted

5/21/2024 10:37 AM

Please see the submission of the Fremantle History Society attached

Screen Name Redacted

5/22/2024 06:26 PM

Ha. Are you kidding? I could write a book on what is needed and I like what I see in the proposed redevelopment plan. Comfortable seating on the terraces would be a good start. Sitting on concrete in winter for oldies isn't fun. Careful restoration and use of the heritage grand stand and entry turnstiles please. And new toilets on the hill. Universal access to all areas and structures on and around the ground. The condition of the actual field is faultless - bravo grounds staff - it's just oriented badly. Good luck getting the funds and getting the works underway. I'll be watching.

Screen Name Redacted

5/24/2024 11:11 PM

Please place the importance of preserving the SFFC above anything else. 125 years of our state heritage and history is depending on it. The AFL is a business, the WAFL is the fabric of WA.

Screen Name Redacted

5/27/2024 11:24 AM

Yes. Thanks you for the opportunity and a well constructed inclusive survey format. Well done. My main concern not addressed by the plan is the visual pollution that detracts from the whole vista looking towards Fremantle prison. The billboard type hoardings that surround the entire eastern and part northern destroy a fantastic uninterrupted view of the prison. I believe this is Fremantle's best heritage feature when viewed from Market Street. Surely SFFC could come up with more subtle advertising to support its club sponsorship than this. It is unsympathetic and crass. I doubt any attendees who visit football matches would recall one advertiser! What about considering electronic signs at fence level similar to AFL venues that only operate during games. Finally I think it is an absolute visual blight on what could be a superb outlook that could only improve this heritage precinct gem.

Screen Name Redacted

5/28/2024 11:12 AM

Please don't fall for the same problems that the East Fremantle football club has now where they cannot seal off the oval for football games. This is an important income source for clubs. South &

Fremantle Oval Precinct Redevelopment Masterplan - Community Fremantle : Survey Report for 29 April 2015 to 23 June 2024

and other organisations must have that opportunities for this.

Screen Name Redacted
5/28/2024 01:55 PM

Its a lovely oval well maintained lets ensure we keep it that way into the future

Screen Name Redacted
5/28/2024 05:44 PM

In the Freo -oh it says that other potential uses could include affordable housing. Please do not do this. There is enough affordable housing, we have too many issues with antisocial behaviour, drug and alcohol problems, dirty, smelly streets, not enough toilets etc. Affordable housing should not be built in this precinct, it will devalue our properties.

Screen Name Redacted
5/31/2024 02:01 PM

It needs to complement the culture of Fremantle - eg high rise round the ground like Claremont is not complementary (though the developers may push you this way for maximised profits)

Screen Name Redacted
5/31/2024 03:22 PM

The oval has a long and proud heritage that needs to be preserved and recognised. Redevelopment should ensure keys physical features are not list

Screen Name Redacted
5/31/2024 06:00 PM

Yes, how do I get involved in this project. I feel I have an enormous amount to add.

Screen Name Redacted
5/31/2024 07:31 PM

needs to be more spectator friendly with working toilets and better seating.

Screen Name Redacted
6/01/2024 10:46 AM

More security required to ensure people feel safe

Screen Name Redacted
6/01/2024 12:45 PM

Please make the oval a dog friendly precinct, especially for football game day. I think WAFL games would attract more people if they can take their dog into a designated area of the venue.

Screen Name Redacted
6/01/2024 02:35 PM

It is in urgent need of attention. It has so much potential.

Screen Name Redacted
6/01/2024 09:46 PM

You could make it market themed on the eastern side and the southern side and make more cafes and markets on these sides to continue the theme based off the freo markets which r across the

Fremantle Oval Precinct Redevelopment Masterplan - Community Fremantle : Survey Report for 29 April 2015 to 23 June 2024

road

Screen Name Redacted

6/03/2024 05:55 PM

Long over due

Screen Name Redacted

6/03/2024 06:13 PM

The retention of old and significant trees is extremely important to me - I.e. the Moreton bay figs and Norfolk pines around the oval. These absolutely must stay - I know it's inconvenient, but they are as much a part of our heritage as the old grandstands. The current oval precinct is run down but has a fantastic atmosphere - families and people of all ages hanging out, enjoying hot chips and ice cream in the sunshine watching the footy. You can see the heritage buildings all around, and it feels uniquely Freo. I support the rejuvenation of the area, but hope the master plan will try to capture and retain some of that laidback, local atmosphere.

Screen Name Redacted

6/03/2024 08:21 PM

Really look forward to what will be proposed, as long as what makes this precinct so great as it already is is not lost, then this could be great for Fremantle. I think it's important to really identify the key character of this area and not lose that.

Screen Name Redacted

6/04/2024 11:14 AM

With all the development around and many eating and drinking choices nearby the Oval is ideal as a venue for a myriad of community and sporting based activity with value added things to do. The aim should be something happening there every day, every week throughout the year, however small...rather than one or two huge, excessively LOUD events spread over days. Residents have a right to enjoy their Freo experience as much as anyone else.

Screen Name Redacted

6/04/2024 11:54 AM

I reiterate Parry St is the problem. Oval relocation is a splendid idea. Pointless sitting in the Victoria Pavilion as you are miles from the action. I was always sit north end near the goal posts.

Screen Name Redacted

6/04/2024 03:01 PM

I am fundamentally opposed to any residential development within the Precinct. Even if this had ever been desirable, it has ceased to be so now that the decision to build the Fremantle District Police Complex here has been made. The long history of the site as a sporting venue (not just for football) should guide future development, though in terms of large sporting (and other) events the particular needs of the adjacent Hospital must be respected (noting that the Hospital specialises in mental health and aged care). This especially applies to noise control, particularly for evening events. The bigger picture is the need for the City to acknowledge and accept that recent

Fremantle Oval Precinct Redevelopment Masterplan - Community Fremantle : Survey Report for 29 April 2015 to 23 June 2024

decisions may well have limited the options now available.. There is a need to move forward constructively with remaining options rather than harking back to earlier plans and visions.

Screen Name Redacted
6/05/2024 01:39 PM

No, just loving and learning about this town

Screen Name Redacted
6/06/2024 06:19 PM

It could be a more attractive space. Also events when they are on so not appear week advertised. Need a 'Whats on Board' at the entrance. Plus safer road crossing, prioritise the pedestrian

Screen Name Redacted
6/09/2024 02:53 PM

Generally I'm surprised this is where the Council have put all their investment eggs. I'd suggest a bit of a push on the housing part of the offering to garner more support for this spend of our rates (I've seen zero about housing this so far)... I also heard that the initial part of the budget is toward reorienting the oval - which honestly made my blood go cold. Also very surprised about the questions on Sustainability and Movement. This is not the time to be asking about this, it's the time to be DOING and LEADING. The questions you are asking are very worrying.

Screen Name Redacted
6/09/2024 03:51 PM

Please don't build another soulless, concrete development. Please put money aside for public art and accessible events.

Screen Name Redacted
6/09/2024 04:17 PM

City of Fremantle should really be focused on community and climate.

Screen Name Redacted
6/09/2024 06:22 PM

1. The removal of the advertising posts on the eastern side of the oval. They are an eyesore and significantly reduce the visual impact of that side of the oval. SFFC may need some recompense... 2. The scoreboard MUST be retained. If a digital board is desired (I hope not) the existing board should be kept showing either a famous score or an artwork (Indigenous?). 3. The George Grjlsich Media Box was opened with some fanfare. He needs to be recognised in some way at the redeveloped Oval. 4. The oval should be closed to car parking on WAFL and AFLW game days. The presence of cars in dangerous and tacky. 5. Let's not allow a commercial name to be used. It's Fremantle Oval.

Screen Name Redacted
6/09/2024 07:04 PM

Where are the people going to live?

Fremantle Oval Precinct Redevelopment Masterplan - Community Fremantle : Survey Report for 29 April 2015 to 23 June 2024

Screen Name Redacted 6/10/2024 08:27 AM	HOUSING. 100 million for the police station we didn't want and then 100 million for an oval upgrade we didn't want - and NOT ONCE has housing been mentioned. Read the room please CoF.
Screen Name Redacted 6/10/2024 11:11 AM	It's an iconic ground and has the potential to be so much more. I think of Sports grounds in the UK, Europe and the USA where there is a ground right in the middle of town that drives economic and social activity through the rest of the city. Its a grand shame the Dockers have never used this as there actual home ground but the ground should be used for as many sporting, music and community events as possible.
Screen Name Redacted 6/13/2024 08:05 AM	Keep it for the Sporting public and as an entertainment venue.
Screen Name Redacted 6/13/2024 08:40 PM	In conclusion, a balanced approach that enhances amenities for residents while strengthening the infrastructure for events and the night economy is essential. By creating spaces like a padel club at Fremantle Oval, we can provide valuable social and recreational opportunities that support both community well-being and economic activity. This integrated strategy will help foster a dynamic, attractive, and harmonious city centre.
Screen Name Redacted 6/14/2024 12:43 PM	To whom it may concern, Please would you accept my submission at the eleventh hour. I have been unable to submit due to a big loss in our family, the death of my Uncle Tom Grljusich after a short illness and a tragic accident. I have been in constant and regular contact with both the City of Fremantle and the South Fremantle Football Club (both parties) over the past 10 years - including email contact with Town Planning staff, one on one meetings with Mayors Pettit and Fitzharding, and motions at SFFC AGMs, to ensure that my father George Grljusich receives in kind recognition at the oval when they demolish they broadcast box building (the building) that is named after him. The building is tall and can be seen from a distance from high on the hill on the hospital side where we played as children, and from the bottom of Norfolk Street as you drive up, driving up or down Parry Street, and from South Terrace as you drive through the intersection with Norfolk and Parry. It is in a prominent position as you enter the venue for sports and other activities. I am concerned that both parties will only consider naming a room or a section of a building after him in replacement and I do not feel this is enough and I urge decision-makers to respect the current public prominence of today's site by ensuring a building or large structure such as a gate, or a statue in a prominent place is named after George Grljusich. I base my strong support for such decision-making on Landgate's

Fremantle Oval Precinct Redevelopment Masterplan - Community Fremantle : Survey Report for 29 April 2015 to 23 June 2024

Policies and Standards for Geographical Naming in Western Australia. {Section 1.4.2 'Use of personal names.} The following information shows that the late George Grljusich easily qualifies for public recognition in the following terms. 1. George Grljusich has been deceased for more than 10 years. 2. The immediate Grljusich family support the retention of the George Grljusich name in a prominent position in any redevelopment of the ground. 3. George Grljusich has a demonstrated record of achievement in media, especially in major sporting events at Fremantle Oval. 4. No dispute exists that George Grljusich had a 'direct and long-term association' with Fremantle Oval and its immediate surrounds. His Australia-wide promotion of Fremantle in his sporting reports and his long-term voluntary fund-raising for sporting clubs, CBC School, Fremantle Hospital and major users of Fremantle oval is legendary. 5. George Grljusich has both a national and international reputation through his world-class media coverage of Olympic Games, Commonwealth Games, World Title Fights, major Australian and International pacing events, to name a few. His connection to the principal users of Fremantle Oval – South Fremantle Football Club today and the Fremantle Dockers in the past – gives him a 'direct association with the area' in which any media centre would be located. 6. A prominent position, building, or new media centre, using the name George Grljusich to symbolise any replacement edifice, street, or amenity at a revamped Fremantle Oval 'is in the public interest.' 7. Evidence is unchallenged that there exists 'broad community support' for retaining the George Grljusich name prominently in a key public place consistent with any redevelopment of Fremantle Oval simply shown by the pre-existing acclaim for his name adorning the central media building that will be removed in any redevelopment. It is important to note that Landgate endorses the naming of buildings to honour individuals who 'deserve recognition in a visible and enduring way' who have been recognised in their field 'for at least 10 years.' George Grljusich has led his media field of endeavour for more than half a century. I conclude by pointing out that in 1.1.4 the Landgate guidelines urge no unnecessary name changes and discourages 'any change to an existing approved name.' They point out that any official names, such as the George Grljusich Media Box, "are meant to be enduring." I have not made any motions to the Fremantle Dockers however note that my Dad George Grljusich made large contributions both personal and in fundraising with his biggest contribution noted by FFC as leading up to the opening of the new HQ at Fremantle Oval in 2000. The Fremantle Dockers opened a new HQ at Fremantle Oval in 2000. It took a grassroots funding raising effort headed by businessman Syd Corser as Chairman of the Fremantle Football Foundation to make the project a reality. Corser said George Grljusich was an unsung hero of the fundraising campaign. "George Grljusich had his own special way, he had strong opinions but when you asked him to do a job he just hopped in and did it. He did a great

Fremantle Oval Precinct Redevelopment Masterplan - Community Fremantle : Survey Report for 29 April 2015 to 23 June 2024

job fundraising. Unfortunately, because he was a controversial journalist, I don't think we have ever acknowledged him. Somehow it would be nice for him to be acknowledged more than he is—certainly, I hold him in high esteem." CEO David Hatt told stakeholders that sometimes George would arrive at the club with envelopes and bags of cash he had raised at lunches and other functions over the weekend. His ability to find supporters willing to hand over cash was incredible. And... Chris Connolly: "George just demanded people buy tables; he brought about \$52k in a biscuit tin into the club to help pay for Simon Eastaugh to come on as a ruck coach." Dad was very proud to have that building named after him. Several articles were written about this and published in the media. He deserved the naming and deserves respect in naming of a significant building in the redevelopment. It is where he discovered his passion for football and broadcasting which led to a stellar career as Western Australia's voice of sport. He first came to Fremantle Oval as a small child living across the road from the prison on Hampton Road while his father worked on the wharves. He would sneak in to watch SFFC training with his brother Tom who became a champion of the club. My dad played 12 games for South Fremantle but gave up the sport for commentating. My dad went on to a 45 plus year sports broadcasting career including commentating for Australia at Olympic Games and Commonwealth Games. There is also a Chatfield Timekeeper's Box in the George Grljusich Media Box that deserves recognition too. They are relatives of Kim Chatfield who is an official at East Fremantle Football Club. I have spoken to him and he would like his family recognised too. Please phone me on 0417 814 128 for any further information. I implore you from the bottom of my heart and on behalf of my family to please ensure my Dad's broadcast box and name in a prominent position in Fremantle is not lost. We lost my Uncle Tom in the past week and this is an important time for us which is why my submission is so late. I would like to think that another full building would be named after Dad (with consideration of Tom also possibly), or that a statue or at the very least a prominent garden or bench with a plaque be placed at the new entry to the area recognising him. Yours sincerely, Jane Grljusich, Unit 8, 330 South Terrace, South Fremantle, daughter of George Grljusich

Screen Name Redacted
6/14/2024 01:49 PM

There is one oval for 5 South Fremantle sides plus other demands such as junior development programs. As a serious suggestion, consider constructing the roof over the new clubroom facilities to accommodate a mini flat surface area suitable for football training purposes.

Screen Name Redacted
6/14/2024 02:13 PM

Get rid and f the cold concrete around the ground!

Fremantle Oval Precinct Redevelopment Masterplan - Community Fremantle : Survey Report for 29 April 2015 to 23 June 2024

Screen Name Redacted
6/14/2024 03:20 PM

The focus and priority has to be on existing tenants and enhancing their ability to be sustainable. Do NOT reduce their ability to thrive - as has been done at East Fremantle.

Screen Name Redacted
6/14/2024 04:57 PM

Should be an extension of the Fremantle strip and markets, with plenty of commercial opportunities for spaces during the week, and sports outside hours/weekends

Towards 2029 Working Group

Minutes – meeting #2
24 June 2024

fremantle.wa.gov.au

Towards 2029 Working Group

Purpose

From Towards 2029 Terms of Reference ID5936938

There are potentially many strategic aspects that the 2029 Working Group will discuss. The initial focus will be to map the various components that relate to this subject and discuss the inter-relationships, inter-dependencies, risks and timing, including:

- Long-term vision and strategic plan for Roundhouse and Arthur Head Reserve.
- Advocacy, stakeholder engagement, project planning and funding opportunities.
- How the truth-telling component of 2029 needs to be led by the WRAP Working Group, and how this might interface with other projects and initiatives.

Membership attendance

Confirmation of minutes

The minutes of 6 May 2024 were confirmed.

Project scoping

The group contributed to a project scoping exercise facilitated by Kavi Gupta, Community Engagement Partner.

Working Group principles

<i>What behaviours do we nurture and champion?</i>		
Ensure we are First Nations-led in our process	Commit to clarity	Adhere to our principles, help us make hard decisions
Learn how to be effective allies	Courage to be clear and honest about delivery and responsibility	Commit to endurance – 5 years out
Engage the next generation of Aboriginal leaders	Stay true to our commitments	Milestones – celebrate wins
We are authentically Fremantle	Adhere to our principles to help us make hard decisions	Grow the story towards 2029 and beyond

Not to shy away from difficult stakeholders and their diverse views	Take small progress over big chunks	Keep up momentum
Acknowledge what we've already learned via Strategic Community Plan, City Plan, and Arts, Culture & Creative Strategy	Remember the scale and context of this work	The project may evolve – let's be iterative
Be respectful of other people's personal and professional expertise	Clear and transparent decision-making framework	

<i>What behaviours do we want to avoid</i>		
Siloing	Fremantle's position/vision gets sidetracked	Going back to the drawing board when we have lots of work and content
Speaking for Whadjuk community	Wait for perfect	Being really prescriptive
Lacking a vision	Consultation timeframes get so long that we miss chances	Lose community trust because we take too long

Purpose – Key Focus

- Long-term vision and strategic plan – Roundhouse & Arthur Head / Manjaree Hub
- Advocacy, stakeholder engagement – Project planning and funding opportunities
- Truth Telling of 2029 – Led by WRAP, interfaced with other work

Scope – Starting now, what actions, planning, and advocacy will be needed?

- Starting now, what...
 - Clarity on Whadjuk community readiness
 - Start consulting with Whadjuk community
 - Gather maps including section 18
 - Summarise/collate all the things that we can shape
 - What's their strategic plan over the next 5 years
 - Clarity on visions about land use/ownership
 - How do we get on with this, rather than having it hold us up
 - Can we bring up some lessons learned
- Actions
 - What do we have to do as a LG
 - What are our ceremonial duties? Shared cultural aspect
 - How do we strike the balance e.g. First Nations and Colonial
 - What are the expectations from us
 - Review our approach (e.g. in 2016)
 - What do we want to get \$ for?
 - Start to tease out the what and the where
- Planning
 - List of key stakeholders who we need to engage with
 - Lots of convos we need to have – need to start organising now
 - What's the state's ambition or focus?
 - Build a position for our case
 - Talk to others (e.g. Albany)
 - 2029 Strategic Plan – a tool to start engaging stakeholders
 - Talk to the parliamentary secretary for 2029
 - Talk to the Fremantle Chamber of Commerce
- Advocacy
 - WRAP endorsed by Reconciliation Australia and CoF Council
 - Actions in place in programming

- Explore getting younger Aboriginal voices – next-generation
- Centre for Stories project to connect with younger people
- Chat with the schools – e.g. Winterfold Primary WRAP

Manjaree Hub

Alli Doherty, Senior Arts Officer, provided a short overview of the Manjaree Hub project. The next steps agreed upon moving forward project are:

- Walyalup Aboriginal Cultural Centre Visioning
- Consult with the Whadjuk Regional Corporation
- Develop a Place Framework

Next steps

Actions – City staff will now develop a formal project planning document for Towards 2029 to include the work undertaken by this group including mapping out the timeline and stakeholder list.

The next meeting is to occur in July or early August.

Notes:

- Coupon Rate is the full coupon rate at the next coupon date if that next coupon exists.
- The values shown as subtotals and total of the coupon rate column are weighted average running yields.
- An asterisk in the Issuer Rating Short Term column indicates that the security's rating differs from the issuer's short term rating. Refer to Laminar for further information.

SIGNIFICANT ACCOUNTING POLICIES

Cash and cash equivalents include cash on hand, cash at bank, deposits available on demand with banks and other short term highly liquid investments that are readily convertible to known amounts of cash and which are subject to an insignificant risk of changes in value and bank overdrafts. Bank overdrafts are reported as short term borrowings in current liabilities in the statement of financial position.

SIGNIFICANT ACCOUNTING POLICIES

All assets are initially recognised at cost. Cost is determined as the fair value of the assets given as consideration plus costs incidental to the acquisition. For assets acquired at no cost or for nominal consideration, cost is determined as fair value at the date of acquisition. The cost of non-current assets constructed by the local government includes the cost of all materials used in the construction, direct labour on the project and an appropriate proportion of variable and fixed overhead. Certain asset classes may be revalued on a regular basis such that the carrying values are not materially different from fair value. Assets carried at fair value are to be revalued with sufficient regularity to ensure the carrying amount does not differ materially from that determined using fair value at reporting date.

PROJECTS OF OVERSPENDING	VARIANCE OVER 23/24 BUDGET	COMMENT (Tolerance level is 10% and \$10,000)
P-12074 Design + Construct Fremantle Leisure Centre Kiosk	(61,214)	Leisure Centre Kiosk project is overspent while P-12150 Design and Construct - FAC Café is underspent. Both projects were packaged together and awarded to one head contractor. When the budget processed was announced the budgets were done incorrectly. P-12074 should have had P-12150's budget and vice versa.
P-12120 Drainage - York and Long St	(10,832)	The Contractor was not available to carry out the works and therefore the City had to opt for a new contractor that charged a higher price. In addition there was a change in scope for a better drainage alignment to go through the road and not through the verge which was originally planned.
P-12117 Footpath - Hampton Rd	(11,735)	There was unforeseen scope change which was required to stabilise the boardwalk as there was replacement bearings required to ensure pedestrian safety and structural integrity.
P-12198 Resurface - R2R - Bellevue Terrace	(29,346)	Scope increased to include footpath and kerb repair unfortunately asbestos encountered during the work also contributed additional expenditure on asbestos removal.
P-12096 Design and construct - Pioneer Park - Bore	(25,264)	Variation to project drilling methodology due to latent site conditions.
P-12123 Design and construct - Leighton Reserve - Playground	(36,091)	Variance for the installation of a memorial seat which received grant income.

Closing Balance	33,599	1,033,599	1,033,599
Parking Dividend Equalisation Reserve			
<u>Reserve Purpose:</u>			
<i>To provide a smoothing out of revenue contributions to municipal operations from commercial parking activities. That is to be achieved as follows (a) by transferring net profits in excess of budget to the reserve and (b) if required, when there is a material (i.e. plus 1%) net loss, transferring funds from the reserve to municipal fund to compensate the loss. Fund commercial parking capital equipment and facilities or parking infringement capital equipment and facilities to the extent the funds available in the reserve exceed 2.5% of budgeted gross parking revenue. Provide temporary funding to the City for its initial contribution to the Hilton Underground Power project. This funding will be returned to the Reserve annually via a service levy on residential consumers within the Hilton Underground Power project.</i>			
<u>Source of Income:</u>			
<i>Transfer from the Municipal Fund (a) net profit on commercial parking operations exceeding a set figure in the budget. Note: Net profit is calculated including depreciation and allocated support service costs but excludes capital. and/or (b) Transfer from the Municipal Fund amounts determined by Council through the annual budget or budget review in relation to parking operations. Transfer from Municipal Fund amounts determined by Council through the annual budget or budget review in relation to parking infringement operations. Net proceeds from sale of parking facilities as determined by Council through the annual budget or budget review.</i>

KEY INFORMATION

Trade and other receivables include amounts due from ratepayers for unpaid rates and service charges and other amounts due from third parties for goods sold and services performed in the ordinary course of business.

SIGNIFICANT ACCOUNTING POLICIES

Trade and other receivables include amounts due from ratepayers for unpaid rates and service charges and other amounts due from third parties for goods sold and services performed in the ordinary course of business. Receivables expected to be collected within 12 months of the end of the reporting period are classified as current assets. All other receivables are classified as non-current assets. Collectability of trade and other receivables is reviewed on an ongoing basis. Debts that are known to be uncollectible are written off when identified. An allowance for doubtful debts is raised when there is objective evidence that they will not be collectible.

PREPARATION TIMING AND REVIEW

Prepared by: Financial Accountant
Reviewed by: Financial Accounting Team Leader

BASIS OF PREPARATION

REPORT PURPOSE

This report is prepared to meet the requirements of Local Government (Financial Management) Regulations 1996, Regulation 34. Note: The Statements and accompanying notes are prepared based on all transactions recorded at the time of preparation and may vary due to transactions being processed for the reporting period after the date of preparation.

BASIS OF ACCOUNTING

This statement comprises a special purpose financial report which has been prepared in accordance with Australian Accounting Standards (as they apply to local governments and not-for-profit entities), Australian Accounting Interpretations, other authoritative pronouncements of the Australian Accounting Standards Board, the Local Government Act 1995 and accompanying regulations. Material accounting policies which have been adopted in the preparation of this statement are presented below and have been consistently applied unless stated otherwise. Except for cash flow and rate setting information, the report has also been prepared on the accrual basis and is based on historical costs, modified, where applicable, by the measurement at fair value of selected non-current assets, financial assets and liabilities.

THE LOCAL GOVERNMENT REPORTING ENTITY

All Funds through which the Council controls resources to carry on its functions have been included in this statement. In the process of reporting on the local government as a single unit, all transactions and balances between those funds (for example, loans and transfers between Funds) have been eliminated. All monies held in the Trust Fund are excluded from the statement, but a separate statement of those monies appears at Note 12.

SIGNIFICANT ACCOUNTING POLICES

GOODS AND SERVICES TAX

Revenues, expenses and assets are recognised net of the amount of GST, except where the amount of GST incurred is not recoverable from the Australian Taxation Office (ATO). Receivables and payables are stated inclusive of GST receivable or payable. The net amount of GST recoverable from, or payable to, the ATO is included with receivables or payables in the statement of financial position. Cash flows are presented on a gross basis. The GST components of cash flows arising from investing or financing activities which are recoverable from, or payable to, the ATO are presented as operating cash flows.

CRITICAL ACCOUNTING ESTIMATES

The preparation of a financial report in conformity with Australian Accounting Standards requires management to make judgements, estimates and assumptions that effect the application of policies and reported amounts of assets and liabilities, income and expenses. The estimates and associated assumptions are based on historical experience and various other factors that are believed to be reasonable under the circumstances; the results of which form the basis of making the judgements about carrying values of assets and liabilities that are not readily apparent from other sources. Actual results may differ from these estimates.

ROUNDING OFF FIGURES

All figures shown in this statement are rounded to the nearest dollar.

Donations and subsidies made to community groups.</p>

**NOTES TO THE STATEMENT OF FINANCIAL ACTIVITY
FOR THE PERIOD ENDED 30 JUNE 2024**

**INFORMATION
NET CURRENT ASSETS**

SIGNIFICANT ACCOUNTING POLICIES

CURRENT AND NON-CURRENT CLASSIFICATION

In the determination of whether an asset or liability is current or non-current, consideration is given to the time when each asset or liability is expected to be settled. The asset or liability is classified as current if it is expected to be settled within the next 12 months, being the Council's operational cycle. In the case of liabilities where Council does not have the unconditional right to defer settlement beyond 12 months, such as vested long service leave, the liability is classified as current even if not expected to be settled within the next 12 months. Inventories held for trading are classified as current even if not expected to be realised in the next 12 months except for land held for resale where it is held as non current based on Council's intentions to release for sale.

EMPLOYEE BENEFITS

The provisions for employee benefits relates to amounts expected to be paid for long service leave, annual leave, wages and salaries and are calculated as follows:

(i) *Wages, Salaries, Annual Leave and Long Service Leave (Short-term Benefits)*

The provision for employees' benefits to wages, salaries, annual leave and long service leave expected to be settled within 12 months represents the amount the City has a present obligation to pay resulting from employees services provided to balance date. The provision has been calculated at nominal amounts based on remuneration rates the City expects to pay and includes related on-costs.

(ii) *Annual Leave and Long Service Leave (Long-term Benefits)*

The liability for long service leave is recognised in the provision for employee benefits and measured as the present value of expected future payments to be made in respect of services provided by employees up to the reporting date using the project unit credit method. Consideration is given to expected future wage and salary levels, experience of employee departures and periods of service. Expected future payments are discounted using market yields at the reporting date on national government bonds with terms to maturity and currency that match as closely as possible, the estimated future cash outflows. Where the City does not have the unconditional right to defer settlement beyond 12 months, the liability is recognised as a current liability.

PROVISIONS

Provisions are recognised when: The council has a present legal or constructive obligation as a result of past events; it is more likely than not that an outflow of resources will be required to settle the obligation; and the amount has been reliably estimated. Provisions are not recognised for future operating losses. Where there are a number of similar obligations, the likelihood that an outflow will be required in settlement is determined by considering the class of obligations as a whole. A provision is recognised even if the likelihood of an outflow with respect to any one of item included in the same class of obligations may be small.

INVENTORIES

Inventories are measured at the lower of cost and net realisable value. Net realisable value is the estimated selling price in the ordinary course of business less the estimated costs of completion and the estimated costs necessary to make the sale.
