Explanation notes

General

Section 5.42 of the *Local Government Act 1995* (the Act) allows for a local government to delegate to the Chief Executive Officer (CEO) the exercise of any of its powers or the discharge of any of its duties under the Act.

Section 5.44 of the Act provides for the Chief Executive Officer to delegate any of their powers to another employee, this must be done in writing. The Act allows for the Chief Executive Officer to place limitations on any delegations if they desire. The powers cannot be further sub delegated.

The purpose of this document is to detail which authorities have been delegated by Council to the Chief Executive Officer, and which the Chief Executive Officer has further delegated to officers.

Limits on delegations to the CEO

Section 5.43

The following are decisions that cannot be delegated to the Chief Executive Officer:

- (a) any power or duty that requires a decision of an absolute majority;
- (b) accepting a tender which exceeds an amount determined by the local government for the purpose of this paragraph;
- (c) appointing an auditor;
- (d) acquiring or disposing of any property valued at an amount exceeding an amount determined by the local government for the purpose of this paragraph;
- (e) any of the local government's powers under section 5.98, 5.98A, 5.99, 5.99A 5.100 or 5.129 of the Act;
- (f) borrowing money on behalf of the local government;
- (g) hearing or determining an objection of a kind referred to in section 9.5;

- (ha) the power under section 9.49A(4) to authorise a person to sign documents on behalf of the local government;
- (h) any power or duty that requires the approval of the Minister or Governor;
- (i) such other duties or powers that may be prescribed by the Act.

Purpose of delegating authority

The aim of delegated authority is to assist with improving the time taken to make decisions within the constraints allowed by the relevant legislation. The register details the related document(s) where the power to delegate is derived from.

This delegated authority register will be reviewed in accordance with the Act on an annual basis.

Councils understanding

It is that by delegating its authority it is granting sufficient power to enable the City's responsibilities to be fulfilled in a timely, open and accountable manner.

It is the expectation of council that the Chief Executive Officer and other officers will use the delegated authority conferred on them in a manner that aligns with council's values and objectives and they will demonstrate appropriate judgment and accountability in regard to the circumstances and extent of the use of that power.

Legislation

The Act allows for a local government to delegate to the Chief Executive Officer the exercise of any of its powers or the discharge of any of its duties under the Act except those listed in section 5.43. All delegations made by the council must be by absolute majority decision {S5.42 (1)}.

Associated legislation

Legislation other than the *Local Government Act 1995*, its regulations and the local government's local laws created

under the Act where delegations or authorisations may occur are as follows:

- *Building Act 2011* and associated regulations;
- *Bush Fires Act 1954* and associated regulations;
- *Cat Act 2011* and associated regulations;
- *Caravan Parks and Camping Grounds Act 1955* and associated regulations;
- City of Fremantle Local Laws;
- *Control of Vehicles (Off-Road Areas) Act 1978* and associated regulations;
- *Dog Act 1976* and associated regulations;
- Local Planning Scheme No. 4;
- *Environmental Protection Act 2005* and associated regulations;
- *Food Act 2008* and associated regulations;
- *Freedom of Information Act 1992* and regulations;
- *Health Act 1911* and associated regulations;
- *Land Administration Act 1997* and associated regulations;
- *Litter Act 1979* and associated regulations;
- *Local Government (Miscellaneous Provisions) Act 1960* and associated regulations;
- *Planning and Development Act 2005* and associated regulations;
- *Spear-guns Control Act 1955*;
- *Strata Titles Act 1985* and associated regulations;

Acting through another person

Section 5.45

Nothing in this Division (Division 4 – Local Government Employees) is to be read as preventing –

- a. a local government from performing any of its functions by acting through a person other than the CEO; or
- b. a CEO from performing any of his or her functions by acting through another person.

The key difference between a delegation and “acting through” is that a delegate exercises the delegated decision making function in his or her own right, as though he or she were the original decision maker. Alternatively, where a person is ‘acting through’ they are making a decision as previously instructed.

The difference between a delegated authority to exercise discretion on behalf of the City and acting through another person to undertake a function on behalf of the City where no discretion exists is reinforced by Section 56 of the *Interpretation Act 1984* which states:

“May” imports a discretion, “shall” is imperative

- (1) *Where in a written law the word “may” is used in conferring a power, such word shall be interpreted to imply that the power so conferred may be exercised or not, at discretion.*
- (2) *Where in a written law the word “shall” is used in conferring a function, such word shall be interpreted to mean that the function so conferred must be performed.*

The City’s Delegated Authority Register and Authorisations Management Procedures should be read in conjunction with this.

Delegation by the Chief Executive Officer

The Act allows for the CEO to delegate any of the powers to another employee {S5.44 (1)}. This must be done in writing {S5.44

(2)} The Act allows for the CEO to place limitations on any delegations if desired {S 5.44 (4)}

Transfer of authority due to absence

Where an officer has been appointed to act in a delegated position in the absence of the usual officer, the authority shall transfer to the officer acting as appointed, for the duration of the authorisation.

Register of, and records relevant to delegations Section 5.46

A register of delegations is to be kept and reviewed at least once every financial year.

If an officer is exercising a power or duty that they have been delegated, the Act requires them to keep necessary records to the exercise of the power or discharge of the duty. The written record is to contain:

- how the person exercised the power or discharged the duty;
- when the person exercised the power or discharged the duty; and
- the persons or classes of persons, other than council or committee members or employees of the local government, directly affected by the exercise of the power or the discharge of the duty.

The onus is on the officer exercising delegated authority to ensure that a record is made.

A person to whom a power is delegated under the Act is considered to be a 'designated employee' under S 5.74(b) of the Act and is required to complete a primary and annual return each year.

There is no power for a person other than the CEO to delegate a power {S 5.44 (1)}.

Reporting use of delegation

Any use of delegation must be recorded in the City's record keeping system, in accordance with legislative requirements.

Authority to amend the Delegated Authority Register

The Manager Governance is authorised to effect non-substantive changes to the Delegated Authority Register to reflect:

- (a) Changes to titles or positions,
- (b) changes to legislative references,
- (c) Expired positions; and
- (d) Corrections to spelling and grammatical errors or inconsistencies

PLANNING AND DEVELOPMENT ACT 2005

INSTRUMENT OF DELEGATION

SECTION A—Types of Development

1. Development on zoned land

Applications for development on land zoned under the MRS except—

- (a) where the land is subject to a resolution under Clause 32 of the MRS; or
- (b) where the land is subject to the declaration of a planning control area under Section 112 of the *Planning and Development Act 2005*; or
- (c) where that land is partly within the development control area described in section 10 of the *Swan and Canning Rivers Management Act 2006* or is outside the development control area but abuts waters within the development control area and the Swan River Trust objects to the proposal, or a referral body recommends refusal; or
- (d) where the local government is of the opinion that the application should be determined by the WAPC on the grounds that the proposal is of State or regional importance or is in the public interest, or
- (e) in respect of public works undertaken by public authorities.

2. Development on regional road reservations

Applications for developments on or abutting land that is reserved in the MRS for the purpose of a regional road.

SECTION B—Conditions

1. Referral requirements for development on land within or abutting a regional road reservation

The following applications for development on land that abuts or is fully or partly reserved as regional road reservation (classified as Category 1, 2 and 3) shall be referred to Main Roads WA (MRWA) or the Department of Planning, Lands and Heritage, as applicable, for transport planning related comments and recommendations before being determined by the local government subject to the process explained in clause 4, Section B.

Type of regional road reservation in the MRS	Classification on plans SP 693 (PRR) and SP 694 (ORR)	Referral Agency
Primary Regional Road (PRR)	Category 1, 2 and 3	Main Roads WA
Other Regional Road (ORR)	Category 1, 2 and 3	Department of Planning, Lands and Heritage

The regional road network (PRR and ORR) changes periodically with amendments to the MRS. This clause relates to all regional road reservations in the MRS as amended from time to time. Regional roads subject to this notice and the relevant agency that is responsible for their planning are shown on accompanying editions of plans SP 693 (PRR, MRWA) and SP 694 (ORR, WAPC).

The road categories shown on plans SP 693 (PRR) and SP 694 (ORR) classify the regional roads based on—

- (a) the permissible vehicular access arrangements to the subject land via the regional road frontage
 - **Category 1 road** means that frontage access is not allowed (control of access);
 - **Category 2 road** means that frontage access may be allowed subject to approval; and

- (b) the legibility and statutory powers of current road land requirements defined for the purpose of regional road reservation in the MRS
 - **Category 3 road** means that the subject regional road reservation is not accurately defined or is subject to review by the agency that is responsible for planning of the regional road.

“Category 1 road” applies where regional roads—

- (a) are constructed or planned to a fully controlled and grade separated freeway standard; or
- (b) are constructed or planned to an access controlled arterial standard, (i.e. functioning as Primary Distributor or Integrator Arterial (District Distributor) road with widely spaced signalised intersections or roundabouts, and a few, if any, direct access points to individual sites or local streets.

“Category 2 road” applies where regional roads—

- (a) are constructed or planned to a partially access controlled arterial standard, (i.e. a primary or district distributor road with direct connections to local streets and driveways to larger sites, but with some restriction of direct frontage access to individual properties); or
- (b) have direct frontage access to abutting properties due to the historic development of the road and properties.

“Category 3 road” applies where regional road reservation is not accurately defined or is under review.

Tables 1, 2 and 3 below outline the category of the regional road reservation and the criteria for referring development applications to agencies for comment in accordance with this instrument of delegation.

3. Referral requirements for development on land abutting other reservations

Applications for development on land abutting land reserved in the MRS for purposes other than regional roads or Parks and Recreation (where the reservation corresponds with the Swan River Trust development control area and is covered by Clause 2, Section B of this notice) shall be referred to the public authority responsible for that reserved land for comment and recommendation before being determined by the local government.
